The Book of Poul Anderson Poul Anderson,1975-06-17 **The Book of Poul Anderson** Poul Anderson,1978-06-06

The Book of Poul Anderson Poul Anderson,Patrick L. McGuire,Sandra Miesel,Gordon R. Dickson,1975 *The Best of Poul Anderson* Poul Anderson,1976 **The Sensitive Man** Poul Anderson,2011-09 Conspiracy seems to be as much a part of our times as it was in the times of Guy Fawkes and the Gunpowder Plot Hence it finds frequent reflection in all branches of fiction including science fiction Yet as in life something new has been added the most gigantic conspiracy of all the human conspiracy against conspirators Which makes for a fine stirring story in this short novel of the future by Mr Anderson one of our best young authors So the editors of Fantastic Universe wrote when they published this tale in January 1954 But there s more to be had from Anderson himself The Mermaid Tavern had been elaborately decorated he wrote beginning the tale Great blocks of hewn coral for pillars and booths tarpon and barracuda on the walls murals of Neptune and his court including an outsize animated picture of a mermaid ballet quite an eye catcher But the broad quartz windows showed merely a shifting greenish blue of seawater and the only live fish visible were in an aquarium across from the bar Pacific Colony lacked the grotesque loveliness of the Florida and Cuba settlements Picture the world he s describing Imagine a world like that *Beyond the Beyond* Poul Anderson,1977-11-15 *The Long Way Home* Poul Anderson,1975 *The Worlds of Poul Anderson* Poul Anderson,1978 **Poul Anderson Collection** Poul Anderson, *Vault of the Ages* Poul Anderson,1969

Beyond the Beyond Poul Anderson,1969 **The Shield of Time** Poul Anderson,1991 Here is a science fiction story of a man from the Unattached Agent of the Time Patrol with a time mission But how much suffering throughout human history can he bear to preserve **Going For Infinity** Poul Anderson,2003-05-23 More than just a collection of some of Poul Anderson s most acclaimed works Going for Infinity is both a celebration and a memoir of Anderson s distinguished sixty year career in science fiction and fantasy Along with several Hugo and Nebula Award winning stories Anderson also shares autobiographical musings and fond memories as he looks back at a lifetime spent crafting many of science fiction s most memorable adventures Between the short story and novel excerpts collected here which range over the entire length of Anderson s career he reminisces about his experiences including his encounters with such peers and colleagues as John W Campbell Anthony Boucher Gordy Dickson Jack Vance Clifford Simak and Harlan Ellison Going for Infinity provides a firsthand look at six decades of science fiction and fantasy as lived by one of the field s most honored contributors From the moons of Saturn to the shores of an enchanted isle the astounding breadth of Poul Anderson s imagination is on ample display throughout this once in a lifetime collection along with a personal glimpse into the man himself *The Burning Bridge* Poul Anderson,2011-05 Usually there are two reasons why something is done the reason why it needs to be done and quite separate the reason people want to do it The foul up starts when the reason for wanting is satisfied and the need remains The fleet numbered fifteen more than half the interstellar ships humankind possessed But Earth s overlords had

been as anxious to get rid of the Constitutionists the most stubborn ones at least the stay at homes were ipso facto less likely to be troublesome as that science minded liberty minded group of archaists were to escape being forcibly absorbed by modern society Rustum e Eridani II was six parsecs away forty one years of travel and barely habitable but the only possible world yet discovered A successful colony would be prestigious and could do no harm its failure would dispose of a thorn in the official ribs Tying up fifteen ships for eight decades was all right too Exploration was a dwindling activity which interested fewer men each generation
