The Revelation of Revelation Brooke Folk, Ken Vernon, 2015-03-24 The Revelation of Revelation is a story never told before now because it wasn t to be told until now according to scriptures It didn t happen in a vision not in a sudden rush of a mighty wind but instead a gentle but profound inspiration You Can Understand the Book of Revelation Jeff Scoggins, 2013 Some Christians say Revelation is a closed book and not meant for human understanding Actually the word revelation means unveiling and the first chapter of Revelation promises a blessing to all who read and take it to heart Other readers study Revelation over and over but end up confused about all the beasts scrolls trumpets and angels The truth is that Revelation is the story of Jesus Christ from beginning to end and we need to understand the plot of that story before sorting out the details A few preachers even use the newspaper to interpret Revelation equating each symbol with a specific event in yesterday s news Actually Revelation is best interpreted using the Bible itself You can learn to understand prophecy for yourself all you need is a safe method of Bible study and the guidance of the Holy Spirit Once you grasp the basic method we ll use those tools to walk through the central portion of Revelation which deals with earth s final crisis just before the second coming of Jesus You may have to re think everything you thought you knew about interpreting prophecy but you ll know that you stand

on the firm footing of God's word Open your Bible and join us for the journey **The Time Is at Hand!** Desmond Ford,2010-01-12 For nearly 2 000 years the book of Revelation has been viewed as the most difficult book in the Bible The hundreds of commentaries in the Library of Congress testify that there is no unanimity about the meaning of the symbols of Revelation And yet this is the only book in the Bible where a special blessing is pronounced on its readers Its a book from Jesus Christ about himself his gospel the future and what will happen to the saints at the end of time Desmond Fords Introduction to the Book of Revelation is the fruit of decades of study plus research at the University of Manchester under Professor F F Bruce Ford offers a much neglected key this sacred book can only be unlocked by understanding the preceding 65 books of the Bible and in particular the life teachings and death of Jesus The main message of Revelation is that the church is to repeat the experience of its Lord After its final proclamation of the gospel it will be condemned to martyrdom And this climactic sin of the world will precipitate the return of Christ in glory **The Overcomers** Richard Booker,2011-06-21 The Book of Revelation is not a book of doom and gloom but the victory of the Lamb of God and those who follow Him The Overcomers In this groundbreaking three volume series Dr Richard Booker helps you understand the Book of Revelation by explaining John's vision within its intriguing original historical literary and biblical context This three volume series gives a more balanced understanding of the book of Revelation by emphasizing the background and setting in which John received and wrote his revelation The author explains how this background information actually determined the words that Jesus and John used in what became the book of Revelation Without this background information it is really impossible to understand why Jesus and John said what they said The author connects this background information and the message in the book of Revelation with a prophetic word to our world today In this regard this is a groundbreaking series on the book of Revelation **The ^AOxford Handbook of the Book of Revelation** Craig Koester,2020-06-12 The Book of Revelation holds a special fascination for both scholars and the general public The book has generated widely differing interpretations yet Revelation has surprisingly not been the focus of many single volume reference works The Oxford Handbook of the Book of Revelation fills a need in the study of this controversial book [You Can Understand® the Book of Revelation](#) Skip Heitzig,2011-08-01 Revelation It's often the book of the Bible that Christians pastors and seminaries have the most trouble understanding But Skip Heitzig the dynamic senior pastor at Calvary of Albuquerque one of the nation's largest churches is eager to bring clarity to the mystery of Revelation and share why it's an important relevant and exciting book to explore With a smart good natured style and an investigative flair Skip provides clear explanations and captivating explorations to help readers discover the truth behind the misconceptions the meaning of the symbols and signs why messages of Revelation were presented symbolically what this book has to do with Jesus and the gospel message the good news that most Christians miss Readers can mine the riches of Revelation for their faith today as they deepen their understanding of and relationship with the loving all knowing and promise keeping God **Four Views on the Book of Revelation** C. Marvin Pate,1998 Of all the

books of the Bible few are as fascinating or as intimidating as Revelation Four grim horsemen the Antichrist the ten horned beast the ultimate battle at Armageddon the mark of the beast It's no wonder that these images have gripped the imagination of so many and have been variously interpreted as symbolizing everything from Hitler and Gorbachev to credit cards and the Internet Is the book of Revelation a blueprint for the future A book of powerful symbolic imagery with warnings for the church Is it essentially an imaginative depiction of historical events in the first century Four Views on the Book of Revelation explores four interpretations of the book of the Apocalypse Preterist a historical interpretation arguing that most of John's prophecies occurred in the first century soon after his writing of them Idealist a spiritual or symbolic interpretation arguing that the events in Revelation are not literal and that apocalyptic literature requires a different approach than the Gospels or Epistles Classical dispensationalism a literal interpretation based on a reading of Revelation that pays close attention to the rules of grammar and the separate eras of covenantal history Progressive dispensationalism a modification of classical that has its root in the understanding of Christ's reign beginning immediately after the resurrection The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

An Easy Guide Through the Book of Revelation Jack Lippo, 2012-08 Have you tried to read Revelation and felt totally lost Mystified by its riddles and confused by strange images Those mystifying symbolisms are enough to keep even the serious prophecy readers confused Don't give up there is hope This is a simple easy to understand outline study of this prophecy It takes each chapter verse by verse explaining in a simple easy to read version This book of Revelation is designed to assist those who have an interest in the study of Revelation and to prepare them for a deeper study in Bible prophecy Many unanswered questions you may have are explained in a simple way When will the rapture occur in relation to Revelation How will the rapture take place What is the Judgment Seat of Christ and when is it going to occur If you died today will you have a body in heaven There are special chapters dedicated to the rapture Lucifer in the beginning and are you ready for the rapture

A Layman's Guide to the Book of Revelation Reverend Fredrick A. Wierschke, 2020-08-31 Many mistakenly believe that Revelation is the most mysterious and hard to understand book of the Bible On the contrary a special blessing is promised to anyone who reads or anyone who hears the words of this prophecy Because many people in John's time could not read or write a scribe priest or someone else who could read would read scriptures out loud for the benefit of others In A Layman's Guide to the Book of Revelation author Reverend Fredrick A Wierschke offers an easy to understand interpretation of this book in the Bible Following the lead of the Holy Spirit Wierschke analyzes the scriptures verse by verse presenting in depth and thorough insight into this often misunderstood book Charts and note taking space are included

The Book of Revelation Timothy Beal, 2018-10-23 The life and times of the New Testament's most mystifying and incendiary book Few biblical books have been as revered and reviled as Revelation

Many hail it as the pinnacle of prophetic vision the cornerstone of the biblical canon and for those with eyes to see the key to understanding the past present and future Others denounce it as the work of a disturbed individual whose horrific dreams of inhumane violence should never have been allowed into the Bible Timothy Beal provides a concise cultural history of Revelation and the apocalyptic imaginations it has fueled Taking readers from the book s composition amid the Christian persecutions of first century Rome to its enduring influence today in popular culture media and visual art Beal explores the often wildly contradictory lives of this sometimes horrifying sometimes inspiring biblical vision He shows how such figures as Augustine and Hildegard of Bingen made Revelation central to their own mystical worldviews and how thanks to the vivid works of art it inspired the book remained popular even as it was denounced by later church leaders such as Martin Luther

Attributed to a mysterious prophet identified only as John Revelation speaks with a voice unlike any other in the Bible Beal demonstrates how the book is a multimedia constellation of stories and images that mutate and evolve as they take hold in new contexts and how Revelation is reinvented in the hearts and minds of each new generation This succinct book traces how Revelation continues to inspire new diagrams of history new fantasies of rapture and new nightmares of being left behind

The Book of Revelation: a New Beginning Terry L Newbegin, 2011-03-23 The Book of Revelation A New Beginning contains the hidden secrets of Saint Johns Revelation and as you know it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it Man has always assumed the word of Gods prophets and their stories were indisputable just because of their eminence in interpreted them as being true Man has forgotten the history of himself Earth God the origin of the universe and how the scriptures have been documented interpreted and strictly passed down by our ancestors and religious leaders As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti Christ as we understand it nor is it about Jesus coming to save you In truth Saint Johns Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross like Jesus and now the time has come for you to ascend to a higher state of Mind The book of Revelation A New Beginning is a book that will help open the gates of your soul memories so you can become aware of your own divineness and that you are a God too My fellow Gods what is coming to an end is the old ways of perceiving and understanding God It is not that God is a mystery It is you that is the mystery and when fear is resolved within you are then ready to open up to the hidden secrets behind the Book of Revelation that religions have kept as a secret for thousands of years either on purpose or because of ignorance

A Brief Theology of Revelation Colin E. Gunton, 2005-07-15 Professor Gunton asks whether there is more to be said for the motion of Christianity as a revealed religion than some of the more simplified recent treatments allow He analyses the concept of revelation illustrating its importance for understanding even beyond religious purposes He contends that natural theology and natural revelation are distinct categories and examines why they are so often confused He considers revelation in relation to scripture and tradition and the nature of inspiration The

book of Revelation As It Is Gerard Meerstadt, 2019-02-20 The key to understanding the book of Revelation is enclosed in its title It is a revelation It reveals things that were unknown makes them plain and understandable Consequently it is not to be regarded as a mystery that needs to be solved a book with a hidden meaning that requires experienced scholars to unravel it Quite the opposite It presents itself as the solution to the riddle revealing how all the major prophesies of the Bible will find their fulfilment while documenting what happens to our world in its transition to the next stage in human history It contains exactly what Jesus Christ wants to reveal to us on a need to know basis Is he capable of revealing something Does he require other people to explain to us what he actually meant Of course not So let us do something very unusual and try to understand the book of Revelation just as it is We are all students of the word not teachers Jesus is our teacher in this case Everything we pretend to know might hold us back from discovering something really new to us **The Book of Revelation**

, 2011-10-27 History is littered with those who have prophesied the end of the world but there can be only one prophecy and the time has come for us to truly understand it The book of Revelation perhaps the most misunderstood scriptural text contains the key to our hope and salvation when the end of days arrives With the stunning evidence discovered during his exhaustive twenty year study of Scripture which included Greek Hebrew and Latin primary texts author Timothy R Mungovan presents The Book of Revelation A Complete and Precise Understanding a biblical expos containing everything Christians must know about the second coming of Jesus Christ Mungovans compelling research driven commentary details every element and event leading up to and following the battle of Armageddon including proof of the latest possible year for the beginning of the tribulation the true character of the Antichrist the four horsemen accurately identified the seven trumpets events and their true meaning and consequence the history and fallacy of rapture theory Gods purpose for the millennial age the fallen angels and their literal offspring shocking photographic proof of the bottomless pit inside the earth a complete quick reference to the events of tribulation a primary list of key biblical metaphors The approaching great tribulation will overtake mankind and dramatically alter world politics economics and society as we know them today Only through faith and understanding can we hope to survive the Antichrist and the armies of Satan and live on into the world that is to come The Book of Revelation C. Russell, Professor of Control Engineering Department of Engineering Science David Clarke, 2017-07-21 The book of Revelation has produced many ideas in the minds of men as to what the future holds for mankind and some believe Revelation predicts the end of the world There are a range of views held by professing Christians about the meaning of the book and some believe much of what is spoken about in the book has yet to be fulfilled This book reproduces the The of Revelation written as published in the King James version of the bible and includes a commentary on Revelation by James Stuart Russell Russell has already clearly demonstrated in part 1 and part II of his book The Parousia that book of

Revelations is a prophecy about the end of the Jewish age and rule by Moses and that the Lord Jesus Christ fulfilled the promise of his return to his disciples at his coming in vengeance at the destruction of Jerusalem in 70 A D We included in this book James Stuart Russell s part III of the Parousia which is a commentary on the book of Revelation Apocalypse in which it is taken as fact that the Lord Jesus came again in Judgement upon old covenant Israel in 70 A D destroying Jerusalem and the Temple bringing a fulfilling end to the rule of Law by Moses Both the Muslim and those Christians holding to a futurist view of the end times are invited to challenge their views **The Message of Revelation** Michael Wilcock, 2021-06-29 Does the book of Revelation describe in veiled language events of its writer s own day or is it largely a prophecy of events still to come In this revised BST volume Michael Wilcock lifts the curtain on Revelation as a drama in eight scenes highlighting the role of the imagination in grasping this fascinating and enigmatic book
