Brame,1984      **The Social Study of Information and Communication Technology** Frank Land,2004-06-17 This book is a useful text for advanced students of MIS and ICT courses and for those studying ICT in related areas Management and Organization Studies Cultural Studies and Technology and Innovation As ICTs permeate every sphere of society business education leisure government etc it is important to reflect the character and complexity of the interaction between people and computers between society and technology For example the user may represent a much broader set of actors than the user conventionally found in many texts the operator the customer the citizen the gendered individual the entrepreneur the poor the student Each actor uses ICT in different ways This book examines these issues deploying a number of methods such as Actor Network Theory Socio Technical Systems and phenomenological approaches Management concerns about strategy and productivity are covered together with issues of power politics and globalization Topics range from long standing themes in the study of IT in organizations such as implementation strategy and evaluation to general analysis of IT as socio economic change A distinguished group of contributors including Bruno Latour Saskia Sassen Robert Galliers Frank Land Ian Angel and Richard Boland offer the reader a rich set of perspectives and ideas on the relationship between ICT and society organizational knowledge and innovation      **American Book Publishing Record** ,1992      No Peace, No Honor Larry Berman,2001-09-23 In this shocking expos on the betrayal of South Vietnam premier historian Larry Berman uses never before seen North Vietnamese documents to create a sweeping indictment against President Nixon and Henry Kissinger On April 30 1975 when U S helicopters pulled the last soldiers out of Saigon the question lingered Had American and Vietnamese lives been lost in vain When the city fell shortly thereafter the answer was clearly yes The Agreement on Ending the War and Restoring Peace in Vietnam signed by Henry Kissinger in 1973 and hailed as peace with honor by President Nixon was a travesty In No Peace No Honor Larry Berman reveals the long hidden truth in secret documents concerning U S negotiations that Kissinger had sealed negotiations that led to his sharing the Nobel Peace Prize Based on newly declassified information and a complete North Vietnamese transcription of the talks Berman offers the real story for the first time proving that there is only one word for Nixon and Kissinger s actions toward the United States former ally and the tens of thousands of soldiers who fought and died betrayal      *Library of Congress Catalogs* Library of Congress,1980      Ms. Magazine ,1978      Questioning Architectural Judgment Steven A. Moore,Barbara B. Wilson,2013-07-24 The book shines light on the problem of judgment particularly in the realm of architectural technics and the codes that regulate it The struggle to define sustainability and thus judge architecture through such lenses is but one dimension of the contemporary problem of judgment By providing the reader with an inherently interdisciplinary study of a particular discipline architecture it brings to

the topic lenses that challenge the too frequently unexamined assumptions of the discipline By situating architecture within a broader cultural field and using case studies to dissect the issues discussed the book emphasizes that it is not simply a matter of designing better more efficient or more stringent codes to guide place making but a matter of reconstructing the boundaries of the systems to be coded The authors are winners of the EDRA Place Research Award 2014 for their work on the Green Alley Demonstration Project used in the book **New Oxford Review** ,1983 **Subject Catalog** Library of Congress,1982 *Counterinsurgency Field Manual* U.
