Gignilliat, 2012-06-05 Mark Gignilliat discusses critical theologians and their theories of Old Testament interpretation in this concise overview providing a working knowledge of the historical foundation of contemporary discussions on Old Testament interpretation Old Testament interpretation developed as theologians and scholars proposed critical theories over time These figures contributed to a large developing complex of ideas and trends that serves as the foundation of contemporary discussions on interpretation Mark Gignilliat brings these figures and their theories together in A Brief History of Old Testament Criticism His discussion is driven by influential thinkers such as Baruch Spinoza and the critical tradition Johann Semler and historical criticism Hermann Gunkel and romanticism Gerhard von Rad and the tradition historical approach Brevard Childs and the canonical approach and more This concise overview is ideal for classroom use as it provides a working knowledge of the major critical interpreters of the Old Testament their approach to the subject matter and the philosophical background of their approaches Further reading lists direct readers to additional resources on specific theologians and theories This book will serve as a companion to the forthcoming textbook Believing Criticism by Richard Schultz **Jensen's Survey of the Old Testament** Irving Jensen, 1978-06-01 A useful survey of the Old Testament that will aid in understanding difficult passages This one volume contains all of Irving Jensen s Bible self study guides to the Old Testament **Dictionary of Major Biblical Interpreters** Donald K. Merrill, 1992-01-01 Merrill has extensively updated this popular level Old Testament history to discuss updates in

archaeology and textual understanding It is also more current as a defense of the Bible's accuracy The Testimony of the Bible concerning the Assumptions of Destructive Criticism S.E. Wishard, 2018-04-06 Reproduction of the original The

Testimony of the Bible concerning the Assumptions of Destructive Criticism by S E Wishard **The Dispensational-Covenantal Rift** R. Todd Mangum, 2007-06-01 This groundbreaking study explores how the fight between dispensationalists and covenant theologians started and how a unique dynamic of personalities and sociological factors enflamed it Readers may be surprised to discover that even the terminology of dispensationalists and covenant theologians originated in the 1930s disputes that the majority of the original protagonists on both sides were Presbyterians and that soteriology rather than eschatology was the original bone of contention between them This study examines how two respective strands of fundamentalism came to identify one another as theological rivals as they each vied for position in their recently formed separatist bodies The significance of disagreements over dispensationalism is explored in the founding of the Orthodox Presbyterian and Bible Presbyterian churches And then as the debate traveled southward the response of the PCUS is examined with special attention given to the consummative reports of an ad hoc committee that found dispensationalism to be out of harmony with the Westminster doctrinal standards Significant misunderstandings that impeded fruitful dialogue from the beginning are clarified particularly those that have persisted most stubbornly to the present day Perhaps most surprising of all the reader will discover that nearly all of the original points of debate between dispensationalists and covenant theologians have since been resolved as each side has honed its position in light of pertinent critiques Why has this development gone almost unnoticed This study suggests an answer and proposes that understanding how the feud began may hold the key to rapprochement today **Many Infallible Proofs (Henry Morris Signature Collection)** Dr. Henry M.

Morris, Henry M. Morris III, 1974-08-01 Christians today especially in America are woefully ignorant about the Bible and what impact it can have on a world of darkness This despite the words of 1 Peter 3:15 But in your hearts set apart Christ as Lord Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have Thankfully scholars like Henry Morris have seen fit to provide us with good answers for questions posed by Bible critics and by multitudes of Christians for Christ himself has provided us with many infallible proofs Acts 1:2-3 Christians will be strengthened with these topics Problems in verbal inspiration Fulfillment of prophecy The structure of Scripture Alleged Bible contradictions The Bible and science The Bible and ancient history The unique birth of Christ **In Defense of**

Habermas, 1997-02-27 Can modern intellectuals believe in miracles Editors R Douglas Geivett and Gary R Habermas provide a collection of essays to refute objections to the miraculous and set forth the positive case for God's action in history *The Five Books of Moses* Oswald T. Allis, 2001-12-28 Bible critics argued that the first five

books of Scripture were not written by Moses but were a later compilation from various conflicting sources by unknown authors and editors Here Dr Allis closely reexamines that critical theory and places before the reader the evidence for the
