The Origin Of Gnosticism:

A Separate God Simone Pétrement,1990 The Origins of Gnosticism / Le origini dello gnosticismo Bianchi,1970-06-01

Gnosis Kurt Rudolph,2001-06-20 Translated by R McL Wilson A full scale study based on the documents of the Coptic Gnostic library found at Nag Hammadi providing a comprehensive survey of the nature the teachings the history and the influence of this religion **First Century Gnosticism** Gerard van Groningen,1967 **Gnosticism and the History of Religions** David G. Robertson,2021-08-12 Building on critical work in biblical studies which shows how a historically bounded heretical tradition called Gnosticism was invented this work focuses on the following stage in which it was essentialised into a sui generis universal category of religion At the same time it shows how Gnosticism became a religious self identifier with a number of sizable contemporary groups identifying as Gnostics today drawing on the same discourses This book provides a history of this problematic category and its relationship with scholarly and popular discourse on religion in the twentieth century It uses a critical historical method to show how and why Gnosis Gnostic and Gnosticism were taken up by specific groups and individuals practitioners and scholars at different times It shows how ideas about Gnosticism developed in late nineteenth and twentieth century scholarship drawing from continental phenomenology Jungian psychology and post Holocaust theology to be constructed as a perennial religious current based on special knowledge of the divine in a corrupt world David G Robertson challenges how scholars interact with the category Gnosticism and contributes to our understanding of the complex relationship between primary sources academics and practitioners in category formation A History of Gnosticism ,1992 **Gnosticism and the History of Religions** David G. Gnosticism: The History and Legacy of the Mysterious Ancient Religion Charles River Editors, 2019-03-18 Includes pictures Includes ancient accounts Includes online resources and a bibliography for further reading This knowledge is not something that can be put into words like other sciences but after long continued intercourse between teacher and pupil in joint pursuit of the subject suddenly like light flashing forth when a fire is kindled it is born in the soul and straightway nourishes itself Plato Gnosticism is one of the great mysteries in the history of Western religion At its core is an ancient Greek word gnosis a word prominent in the writings of Plato which refers to a deep personal knowledge or understanding that often transcends the physical world The Gnostics painted a picture of a fallen broken world in which physicality was a product of a lesser deity This deity was created in defiance of the One and in order to trap humans and blind them to the truths of their predicament and divine origins By acquiring insight or gnosis in this secret nature of the world humans might escape their prison Only through knowledge can people be set free As that makes clear Gnosticism as a belief system is difficult to define since it is not a well organized or uniform doctrine like Christianity or Judaism but at one time there was some synchronization with Christianity that nurtured both movements As a religion and philosophy Gnosticism flourished alongside Christianity and it is not easy to say which one came first but it is certain that both movements influenced each other To paraphrase John Dominic Crossan it is unclear whether Gnosticism was a Christian heresy a Jewish heresy or an original religion that powerfully merged with both Gnosticism borrowed elements from Christians just as the whole of Christianity took a certain Gnostic flavor to the point that some books of the New Testament especially the Gospel of John could easily pass as a proto Gnostic document At the risk of oversimplifying Gnosticism was the belief that the souls are divine sparks imprisoned in imperfect physical bodies due to the machinations of a lesser and evil god who created the world This evil god is identified with the creator of the Genesis and the Hebrew Bible The material world and the body are prisons separated from the divine realm from which humans must escape through the ascent of various levels This is possible through the acquisition of secret knowledge reserved for the elect This special revelation or gnosis knowledge was supposedly disclosed by Jesus to his dearest disciples and it can be found in the Gnostic books deliberately written in cryptic language The acquisition of the secrets necessary for the salvation of the soul in many cases implied a radical asceticism and corporal sacrifice Due to such classical roots it would be easy to conclude that Gnosticism is an ancient philosophy and a cursory glance might categorize it as simply a way of understanding the world and promoting investigation However the term is most often used to describe not a philosophy but a religion and not just any religion but a branch of one of the most resilient and influential traditions in history Christianity So what exactly is Gnosticism and why does it remain such a source of confusion captivation and charisma for modern scholarship and culture alike These answers are complex and indicative of how the many turnings of the last two millennia have unexpectedly

unearthed some answers while burying others even deeper

Gnosticism The History and Legacy of the Mysterious Ancient Religion looks at the different origins that shaped Gnosticism what Gnostics believed and practiced and the influence they had on other religions Along with pictures depicting important people places and events you will learn about Gnosticism like never before

The Origin of the Bible: A Guide For the Perplexed Lee Martin McDonald,2011-02-17 Just how did the Jewish and Christian Bibles come together Why were some ancient texts excluded Or included and later rejected What were the criteria This volume deals with a significant issue in light of the many and significant discoveries of ancient sacred or religious texts that were not included in the Jewish or Christian Bibles Because of the focus in the news media in recent years on those extra canonical books that have come to light in the last century and even more recently there is need for clarification of the processes involved in the formation of the Jewish and Christian Bibles Why were some books included and others excluded Why were some included initially and subsequently rejected Was there a church cover up as some in the media have suggested As a result of all of this and more considerable attention is now focused on the use and function of the so called non canonical religious texts that are not now a part of the Bibles of various religious communities Why did the Bible come together What criteria were used in making decisions about inclusion and exclusion The proposed volume addresses these questions and others that are critical to a careful understanding of the Jewish and Christian Bibles The methodology employed in the writing of this book is described below It is important to take this discussion outside of the scholars guild and into the hands of the laity especially those educated college graduates and undergraduates whose interest in this subject has grown over the past twenty or more years Currently there are no useful volumes on this subject that is geared to them Scholars continue to talk past them and all too often only to each other about these matters This volume is designed to fill this void and make the topic more clear for those without the technical academic skills to explore these matters in the ancient languages

Continuum s Guides for the Perplexed are clear concise and accessible introductions to thinkers writers and subjects that students and readers can find especially challenging or indeed downright bewildering Concentrating specifically on what it is that makes the subject difficult to grasp these books explain and explore key themes and ideas guiding the reader towards a thorough understanding of demanding material

The Economic and Social Origins of Gnosticism Henry A. Green,1985

Gnostic Truth and Christian Heresy A. H. B. Logan,1996-01-01

The Coherence of "Gnosticism" Einar Thomassen,2020-11-23 Gnosticism has become a problematic category in the study of early Christianity It obscures diversity invites essentialist generalisations and is a legacy of ancient heresiology However simply to conclude with diversity is unsatisfying and new efforts to discern coherence and to synthesise need to be made The present work seeks to make a fresh

start by concentrating on Irenaeus report on a specific group called the Gnostics and on his claim that Valentinus and his followers were inspired by their ideas Following this lead an attempt is made to trace the continuity of ideas from this group to Valentinianism The study concludes that there is more continuity than has previously been recognised Irenaeus Gnostics emerge as the predecessors not only of Valentinianism but also of Sethianism They represent an early philosophically inspired form of Christ religion that arose independently of the New Testament canon Christology is essential and provides the basis for the myth of Sophia The book is relevant for all students of Christian origins and the early history of the Church

The Secret History of the Gnostics Andrew Phillip Smith, 2015-11-24 Learn more about the myths practices history and recent resurgence of Gnosticism as a Gnostic scholar seeks to answer why this Christian mystical movement has inspired the likes of Dan Brown and Philip Pullman The Secret History of the Gnostics offers long awaited illumination on the mystical movement that teaches gnosis knowledge of God as opposed to unquestioning faith Acclaimed author Andrew Phillip Smith delves into the myths and practices of this ancient movement exploring its popularity during 2nd century AD its subsequent decline under the weight of orthodoxy in the Church and its present day resurgence Gnosticism has travelled a fascinating path from the Manichaeans in Modern Persia between the 3rd and 7th centuries AD to the triumphs and tragedies of the Cathars in Southern Europe between the 12th and 14th centuries to finally today's Mandaeans in Iraq However as the author points out the revival of Gnosticism extends further than these narrow sects offering inspiration to a legion of literary figures including Dan Brown and Philip Pullman Gnosticism's emphasis on personal over organized religion in keeping with the doctrine of the early Christian era during which it thrived has found particular resonance with today's multicultural world In addition to discussing the Gnostic gospels and the sect's practical beliefs and customs The Secret History of the Gnostics is also in effect a manifesto an appeal to those inspired by or drawn to the Gnostic faith not to forget its origins **The**

History of the Decline and Fall of the Roman Empire Edward Gibbon, 1909 **The history of the decline and fall of the Roman empire, ed. with notes by J.B. Bury** Edward Gibbon, 1896 **Revival of the Gnostic Heresy** J.

Morris, 2008-11-24 In this rigorous and provocative study Joe E Morris argues that the basic tenets and practices of Fundamentalism are those of ancient Christian Gnosticism Drawing on extensive research and careful analysis Morris aligns the two religious phenomena point by point tenet by tenet Along the way he provides insights into the key hermeneutic of Fundamentalism inerrancy of Scripture highlighting the multiple problems with the positions of literal and inerrant interpretation their impracticality and unfeasibility and their contradiction with their own conservative doctrine namely the Incarnation of Jesus Christ This groundbreaking book dramatically recasts our understanding of the history of Christianity and gives important context to modern day religious debates **Gnostic Wars** Stefan Rossbach, 2019-08-07 Stefan Rossbach reminds us of the philosophical and spiritual underpinnings of the Cold War era drawing on the traditions of apocalypticism millenarianism and Gnostic spirituality

The Origin Of Gnosticism Introduction

In today's digital age, the availability of The Origin Of Gnosticism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Origin Of Gnosticism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Origin Of Gnosticism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Origin Of Gnosticism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Origin Of Gnosticism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Origin Of Gnosticism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Origin Of Gnosticism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain

books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Origin Of Gnosticism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Origin Of Gnosticism books and manuals for download and embark on your journey of knowledge?
