Shlapentokh, Joshau Woods, 2007-11-26 The book offers a theoretical discussion of the feudal model and a preliminary application of the model to post Soviet Russia In addition to a review of the feudal model as an ideal type the author explains the analytical benefits of drawing comparisons between countries and across historical contexts Specifically contemporary Russia is compared to Western European countries during the Middle Ages and to the Soviet period in Russian history The book is devoted to illuminating the most important political social and economic characteristics of contemporary Russian society **History of Linguistics in Spain/Historia de la Lingüística en España** E.F.K. invited papers *A Short History of the Renaissance in Northern Europe* Malcolm Vale, 2020-04-02 The concept of a Northern European Renaissance in the arts in thought and in more general culture north of the Alps often evokes the idea of a cultural transplant which was not indigenous to or rooted in the society from which it emerged Classic definitions of the European Renaissance during the 14th 15th and 16th centuries have often seen it as an Italian import of for example humanism and classical learning into the Gothic North There were certainly differences between North and South which have to be addressed not least in the development of the visual arts In this book Malcolm Vale argues for a Northern Renaissance which while cognisant of Italian developments had a life of its own expressed through such innovations as a rediscovery of pictorial space and representational realism and which displayed strong continuities with the indigenous cultures of northern Europe But it also contributed new movements and tendencies in thought the visual arts literature religious beliefs and the dissemination of knowledge which often stemmed from and built upon those continuities A Short History of the Renaissance in Northern Europe while in no way ignoring or diminishing the importance of the Greek and Roman legacy seeks other sources and different uses of classical antiquity for a rather different kind of Renaissance in the North *Bulletin* Cincinnati (Ohio), Public Library, 1887 **Annual List of Books Added to the Public Library of Cincinnati** Public Library of Cincinnati and Hamilton County, 1887 *Bulletin of Books in the Various Departments of Literature and Science Added to the Public Library of Cincinnati During the Year...*, 1887 *Bulletin of Books in the Various Departments of Literature and Science Added to the Public Library of Cincinnati During the Year...* Public Library of Cincinnati and Hamilton County, 1887
