dig and what they uncovered started the world's greatest and strangest treasure hunt but nobody knows what the treasure is. Two hundred years of courage, back-breaking effort, ingenuity and engineering skills have failed to retrieve what is concealed there. Theories of what the treasure could be include Captain Kidd's bloodstained pirate gold, an army payroll left by the French or British military engineers, priceless ancient manuscripts, the body of an Arif or other religious refugee leader or the lost treasure of the Templars. The Oak Island curse prophesies that the treasure will not be found until seven men are dead and the last oak has fallen. That last oak has already gone and six treasure hunters have been killed. After years of research, the authors have finally solved the sinister riddle of Oak Island but their answer is challenging, controversial and disturbing. Something beyond price still lies waiting in the labyrinth.
