The Way the Money Goes Christopher Hood,Maia King,Iain McLean,Barbara Maria Piotrowska,2023-09-28 The Way the Money Goes traces out what happened to the UK s fiscal constitution the framework for planning and controlling public spending under three different governments Conservative Labour Conservative Liberal Democrat from the early 1990s to the mid 2010s The book tells the story of what happened under each government and combines narrative with vignettes that range from the funding of a new Treasury building to efforts to crowdsource ideas for spending cuts It also includes chapters devoted to different domains of spending control namely capital spending spending by subnational governments running cost expenditure fiscal forecasting and the development of new accounting metrics This book is based on over 120 in depth interviews of civil servants and ministers who were involved in public spending over the period as well as documents from the same timeframe It explores how and why despite much talk of change and reform in everything from parliamentary procedure to bureaucratic processes many of the underlying features of the UK s fiscal constitution persisted including arrangements for formula funding of the different countries within the union designed as a temporary stopgap in the transition to devolution To put UK developments into

perspective the book includes a discussion of how the UK system was rated in reports from international bodies over the period which suggests that in such exercises the more political parts of the fiscal constitution were rated differently from the more technocratic parts Given several volcanic type political eruptions in the UK over recent years the book concludes by exploring some different possible scenarios for the future of its fiscal constitution in the light of those and other possible eruptions to come The Foreign Office and Foreign Policy, 1919-1926 Ephraim Maisel, 2013-11-01 Tells of the

administrative changes of the post war period and of the senior permanent officials their personalities and cast of mind who advised the foreign secretary and carried out his policies **The Private Government of Public Money** Hugh Heclo, Aaron Wildavsky, 1981-10-01 **Teaching Public Administration** Richard A. Chapman, 1973 Public administration, 1977

Public Administration Great Britain. Overseas Development Administration. Library, 1973 Centre and Provinces: China 1978-93 Linda Chelan Li, 1998-05-14 Centre and Provinces China 1978 93 goes beyond the dominant state capacity paradigm to argue for an interactive model to explain the political relations between the central and provincial governments in contemporary China The uni dimensional centrist perspective of the state capacity paradigm has failed to adequately explain the coexistence of central and provincial power and to anticipate circumstances of change In this book a hybrid rational choice cum institutional approach highlights the mutual power of both the Centre and the provinces each party the Centre or the provinces imposes structural constraints upon the other Power is not a zero sum game The cases of Shanghai and Guangdong important resourceful provinces under very different central policy contexts contrast possible interactions between central policy and provincial choice Conflicts amidst a context of mutual dependence necessitate compromise on both sides and qualitative changes to centre province relations as a result may well have long term implications for wider political processes **Directory of European Political Scientists** European Consortium for Political Research, 1973

Reform, Ethics, and Leadership in Public Service Michael Hunt, Barry J. O'Toole, 1998 Richard A Chapman is perhaps one of the most distinguished scholars in public administration in the United Kingdom Moreover his work has invariably reflected practical concerns some of which particularly in relation to the ethical behaviour of officials and ministers open government and administrative and political reform are of immediate constitutional importance His retirement in 1996 provided the opportunity to produce this work devoted to these topics in his honour **The Parliamentarian**, 1972
