The Praetorian STARShip : the untold story of the Combat Talon, 2001 Jerry Thigpen s study on the history of the Combat Talon is the first effort to tell the story of this wonderfully capable machine This weapons system has performed virtually every imaginable tactical event in the spectrum of conflict and by any measure is the most versatile C 130 derivative ever produced First modified and sent to Southeast Asia SEA in 1966 to replace theater

unconventional warfare UW assets that were limited in both lift capability and speed the Talon I quickly adapted to theater UW tasking including infiltration and resupply and psychological warfare operations into North Vietnam After spending four years in SEA and maturing into a highly respected UW weapons system the Joint Chief of Staff JCS chose the Combat Talon to lead the night low level raid on the North Vietnamese prison camp at Son Tay Despite the outcome of the operation the Talon I cemented its reputation as the weapons system of choice for long range clandestine operations In the period following the Vietnam War United States Air Force USAF special operations gradually lost its political and financial support which was graphically demonstrated in the failed Desert One mission into Iran Thanks to congressional supporters like Earl Hutto of Florida and Dan Daniel of Virginia funds for aircraft upgrades and military construction projects materialized to meet the ever increasing threat to our nation Under the leadership of such committed hard driven officers as Brenci Uttaro Ferkes Meller and Thigpen the crew force became the most disciplined in our Air Force It was capable of penetrating hostile airspace at night in a low level mountainous environment covertly to execute any number of unconventional warfare missions

The fifteenth edition, with large additions* Elisha COLES (Lexicographer), 1749 *Eden Altered- an Odyssey in Double Time* Edgar Erdman, 2014-02-11 The Book of Andrew takes a young boy named Andrew Engleman from the summer of 1938 through World War Two and the Cold War including the hot intervals in Korea and Vietnam and the swift expansion of terrorist activity on a global scale that led to punitive incursions into the hotbeds of the Middle East by coalitions of Western powers under the leadership of the United States It also provides the reader with a glimpse of what the world may be like a few decades hence The author hopes to promote greater understanding of the historical significance of the Korean War which has been labeled The Forgotten War It was an undeclared war for which none of the belligerent parties excepting North Korea was fully prepared at the start Close to 4.5 million human beings less than half of whom were in military service were killed injured or reported missing during the 37 months and two days of its duration North Korea South Korea and China suffered the greatest number of casualties both military and civilian The total for the United States alone was 136,826 combatants The Korean War brought us perilously close to a third world war that almost certainly would have been nuclear It was the first war in which American infantry units were fully integrated blacks and whites serving harmoniously together And it was the only real war to have been fought under the aegis and flag of the United Nations It stands out as a chapter in the annals of warfare that contains many important lessons for us all And in this

book it is the constant backdrop against which the protagonist's experiences and thought processes are highlighted as they unfold before our eyes
