Subject Woman:

Women, Mothers, Subjects Maura Sheehy, 2015-10-14 This collection drawn from twelve years of the influential journal *Studies in Gender and Sexuality* offers a groundbreaking advance in thinking and theorizing about what happens to women when they become mothers It explores how women are changed and shaped by interaction with their children and the cultural constructs about motherhood in which they are embedded Distinguished psychoanalysts philosophers feminists gender and cultural theorists explore the meeting place of cultural representations of motherhood maternal theory and mothers interacting in the clinical setting and with their children to illuminate how the process of becoming a mother creates and informs female subjectivity identity desire expression aggression ambition shame envy and relationships Contributors find mothers to be complex subjects negotiating rich hybrid identities that explode received notions of maternal and even female subjectivity in their complexity They create an exciting and very accessible new set of ideas and templates for thinking about mothers and women that will be of value to clinicians academics and mothers alike This book was originally published as a special issue of *Studies in Gender and Sexuality* All About the Girl Anita Harris, 2004-10-29 The essays cover girlhood around the world and cover such key areas as schooling sexuality popular culture and identity Keywords for Gender and Sexuality Studies The Keywords Feminist Editorial Collective, 2021-11-21 Introduces key terms debates and histories for feminist studies in gender and sexuality *Keywords for Gender and Sexuality Studies* introduces readers to a set of terms that will aid them in understanding the central methodological and political stakes currently energizing feminist and queer studies The volume deepens the analyses of this field by highlighting justice oriented intersectional movements and foregrounding Black Indigenous and women of color feminisms transnational feminisms queer of color critique trans disability and fat studies feminist science studies and critiques of the state law and prisons that emerge from queer and women of color justice movements Many of the keywords featured in this publication call attention to the fundamental assumptions of humanism s political and intellectual debates from the racialized contours of property and ownership to eugenicist discourses of improvement and development Interventions to these frameworks arise out of queer feminist and anti racist engagements with matter and ecology as well as efforts to imagine forms of relationality beyond settler colonial and imperialist epistemologies Reflecting the interdisciplinary breadth of the field this collection of seventy essays by scholars across the social sciences and the humanities weaves together methodologies from science and technology studies affect theory and queer historiographies as well as Black Studies Latinx Studies Asian American and Indigenous Studies Taken together these essays move alongside the distinct histories and myriad solidarities of the fields to construct the much awaited *Keywords for Gender and Sexuality Studies* Real and Imagined Women Rajeswari Sunder Rajan, 2003-09-02 First published in 1993 Routledge is an imprint of Taylor Francis an informa company *An Introduction to Syntax* Robert D. Van Valin, 2001-04-26 This introduction to syntactic theory and analysis presents syntactic phenomena from a wide range of

languages and explains to students the major typological issues that syntactic theories must address It includes a number of exercises

The Question of Women in Chinese Feminism Tani Barlow,2004-03-25 Barlow documents the history of woman as a category in twentieth century Chinese history tracing the question of gender through various phases in the literary career of Ding Ling a major modern Chinese writer

Women Writing Trauma in Literature Laura Alexander,2022-10-17 This collection features studies on trauma literary theory and psychoanalysis in women s writing It examines the ways in which literature helps to heal the wounded self and it particularly concentrates attention on the way women explain the traumatic experiences of war violence or displacement Covering a global range of women writers this book focuses on the psychoanalytic role of literature in helping recover the voices buried by intense pain and suffering and to help those voices be heard Literature brings the unconscious into being and focus reconfiguring life through narration These essays look at the relationship between traumatic experience and literary form

Beyond Equality and Difference Gisela Bock,Susan James,2005-09-23 The essays examine the interaction of the rights of equality and the rights of difference and the meaning and use of the two concepts in the context of gender relations both past and present

Irony, Misogyny and Interpretation Tom Grimwood,2012-12-04 What is it to claim that misogyny might be ironic Why is it that in the works of Nietzsche Kierkegaard and Schopenhauer the possibility of irony constantly interferes with a conclusive ethical judgement over the meaning of their misogyny How do we hold our interpretations of such ambiguous texts ethically accountable This book brings together the driving concerns of hermeneutics feminist philosophy and the history of philosophy in dealing with the problem of irony It develops a thematic account of the concept of irony as a philosophical form of interpretation and explores this through close readings of three key sites of controversy regarding the relationship between irony and misogyny Schopenhauer s On Women Kierkegaard s In Vino Veritas and Nietzsche s Woman and Child Far from a distraction from or excuse for misogyny the book argues that ironic ambiguity is a formative aspect of all three texts and explores the different ways in which the authority of Schopenhauer Kierkegaard and Nietzsche are constructed in terms of the problem of irony

Women Shaping Theology Mary Ann Hinsdale,2006 In the 2004 Madeleva Lecture Mary Ann Hinsdale uses the lens of her own life experience to tell the story of how visionary and prophetic women set in motion the important institutional structures that have allowed women to shape Catholic theology in North America over the past fifty years She pays particular attention to issues and problems facing women theologians in the Catholic Church today such as the implications of the changing demographics of women theologians women s impact on the theological establishment the reception of feminism and feminist theology by the hierarchy and the unmet intercultural challenges posed by those on the margins as well as women theologians response to them Coming at the beginning of a new papacy Hinsdale s compelling narrative is especially timely for a consideration of the future of women in the Catholic Church

BOOK JACKET **The English Woman's Journal** ,1862 *Social Practices* Theodore R. Schatzki,1996-09-13 This book addresses key topics in social theory such as the basic

structures of social life the character of human activity and the nature of individuality Drawing on the work of Wittgenstein the author develops an account of social existence that argues that social practices are the fundamental phenomenon in social life This approach offers new insight into the social formation of individuals surpassing and critiquing the existing practice theories of Bourdieu Giddens Lyotard and Oakeshott

Irigaray Rachel Jones,2011-04-25 The work of French Philosopher Luce Irigaray has exerted a profound influence on feminist thinking of recent decades and provides a far reaching challenge to western philosophy s entrenched patriarchal norms This book guides the reader through Irigaray s critical and creative transformation of western thought Through detailed analysis of her most important text *Speculum of the Other Woman* Rachel Jones carefully examines Irigaray s transformative readings of such icons of the western tradition as Plato Descartes Kant and Hegel She shows that these readings underpin Irigaray s claim that western philosophy has been dependent on the forgetting of both sexual difference and of our singular beginnings in birth In response Irigaray seeks to recover a positive account of sexual difference which would release woman from her traditional position as the other of the subject and allow her to speak as a subject in her own right In a sensitive reading of Irigaray s work Jones shows why this distinctively feminist project necessarily involves the transformation of the fundamental terms of western metaphysics By foregrounding Irigaray s approach to questions of otherness and alterity she concludes that for Irigaray cultivating an ethics of sexual difference is the condition of ethical relations in general Lucidly and persuasively written this book will be an invaluable resource for students and scholars seeking to understand Irigaray s original contribution to philosophical and feminist thought

Woman's Club Work and Programs; Or, First Aid to Club Women Caroline French Benton,2023-10-04 Caroline French Benton s *Woman s Club Work and Programs Or First Aid to Club Women* serves as a comprehensive guide for women involved in club activities during the early 20th century The book provides detailed instructions on organizing and managing clubs suggesting program ideas and offering insights into the evolving role of women in society Benton s writing style is informative and practical reflecting the progressive mindset of the era The literary context of the book lies in the growing women s club movement where women sought intellectual stimulation and social reform Benton s work stands out as a valuable resource for club women looking to enhance their organizational skills and contribute meaningfully to their communities As a seasoned clubwoman herself Benton brings firsthand experience and passion to her writing making *Woman s Club Work and Programs* a valuable tool for women seeking to make a difference in their localities I highly recommend this book to anyone interested in women s history social movements or community engagement

Report of the National Woman's Christian Temperance Union ... Annual Meeting Woman's Christian Temperance Union,1908

Myth and materiality in a woman's world Lynn Abrams,2013-07-19 Shetland has a history unique in Europe for over the past two centuries it was a place where women dominated the family economy and the cultural

imagination Women ran households and crofts without men They maintained families and communities because men were absent And they constructed in their minds an identity of themselves as liberated long before organised feminism was invented And yet Shetland is a place which was made by the most masculine of societies those of the Picts Scots and above all the Vikings and its contemporary identity still draws on the heroic exploits and sagas of medieval Norsemen This book examines how against this tradition Shetland became a female place and offers answers as to how in this most isolated island community the inhabitants transgressed and reversed their traditional gender roles Reconstructing this woman s world from fragments of cultural experience captured in written and oral sources this book will appeal to scholars in the fields of social and cultural history social anthropology gender and women s studies

Women Photographers and Feminist Aesthetics

Claire Raymond,2017-04-21 Women Photographers and Feminist Aesthetics makes the case for a feminist aesthetics in photography by analysing key works of twenty two women photographers including cis and trans woman photographers Claire Raymond provides close readings of key photographs spanning the history of photography from nineteenth century Europe to twenty first century Africa and Asia She offers original interpretations of well known photographers such as Diane Arbus Sally Mann and Carrie Mae Weems analysing their work in relation to gender class and race The book also pays close attention to the way in which indigenous North Americans have been represented through photography and the ways in which contemporary Native American women photographers respond to this history Developing the argument that through aesthetic force emerges the truly political the book moves beyond polarization of the aesthetic and the cultural Instead photographic works are read for their subversive political and cultural force as it emerges through the aesthetics of the image This book is ideal for students of Photography Art History Art and Visual Culture and Gender

The Oxford

Handbook of Gender and Politics Georgina Waylen,2013-04-04 The Oxford Handbook of Gender and Politics brings to political science an accessible and comprehensive overview of the key contributions of gender scholars to the study of politics and it shows how these contributions produce a richer understanding of politics and societies

Limits of Liberation Elina Vuola,2002-09-19 How far are the real lives of millions of poor women really catered for in liberation and feminist theologies Vuola argues here that traditional liberation theology s notion of praxis as in L Boff and E Dussel is limited by its essentialist notion of poor and its neglect of the issue of poor women s reproductive rights Classical feminist theologies on the other hand are fraught with their own essentialist notions women s experience Both discourses are inadequate to deal with poor women s suffering widespread maternal mortality high rates of botched illegal abortions and an overall lack of reproductive rights As a response to this lack Vuola nurtures a form of Latin American feminist liberation theology that addresses directly the suffering and death of these millions of women
