Subjects Expletives And The Epp:

Subjects, Expletives, and the EPP Peter Svenonius, 2002-09-19 This collection of previously unpublished articles examines Noam Chomsky's Extended Projection Principle and its relationship to subjects and expletive words like it that stand for other words. Re-examining Chomsky's proposition that each clause must have a subject, these articles represent the current state of the debate, particularly with respect to the theory's universal applicability across languages. Presenting an international and highly respected group of contributors, the volume explores these questions in a variety of languages including Italian, Finnish, Icelandic, and Hungarian.

Expletive and Referential Subject Pronouns in Medieval French Michael Zimmermann, 2014-09-12 Medieval French, usually analyzed as a null subject language, differs considerably from modern Romance null subject languages such as Spanish in the availability of non-expressed subject pronouns; specifically, it shows characteristics reminiscent of non-null rather than null subject languages such as the expression of expletive subject pronouns. The central goal of this book is to put forward an account of these differences. On the basis of the analysis of an extensive newly established data corpus, the development of the expression of both expletive and referential subject pronouns until the 17th c. is determined. Following a thorough discussion of previous approaches, an alternative approach is presented which builds on the analysis of Medieval French as a non-null subject language. The non-expression of subject pronouns licit in specific contexts in non-null subject languages is shown to be restricted to configurations generally involving left peripheral focalization. These configurations and concomitantly non-expressed subject pronouns are finally argued to be eventually lost for good in the wake of the initial observation by 17th c. writers of pertinent instructions campaigned for in highly influential works of language use.

Linguistic Variation: Structure and Interpretation Ludovico Franco, Paolo Lorusso, 2019-12-16 In this volume, scholars honor M. Rita Manzini for her contributions to the field of Generative Morphosyntax. The essays in this book celebrate her career by continuing to explore inter-area research in linguistics and by pursuing a broad comparative approach investigating and comparing different languages and dialects.

Null Subjects José A. Camacho, 2013-04-25 The null subject has always been central to linguistic theory because it tells us a great deal about the underlying structure of language in the human brain and about the interface between syntax and semantics. Null subjects exist in languages such as Italian, Chinese, Russian, and Greek where the subject of a sentence can be tacitly implied and is understood from the context. In this systematic overview of null subjects, José A. Camacho reviews the key notions of null subject analyses over the past thirty years and encompasses the most recent findings and developments. He examines a balance of data on a range of languages with null subjects and also explores how adults and children acquire the properties of null subjects. This book provides an accessible and original account of null subject phenomena, ideal for graduate students and academic researchers interested in syntax, semantics, and language typology.

Null Subjects in Generative Grammar Federica Cognola, Jan Casalicchio, 2018 This book considers the null subject phenomenon whereby some languages

lack an overtly realized referential subject in specific contexts It explores novel empirical data and new theoretical analyses covering the major approaches to null subjects in generative grammar and examines a wide range of languages from different families

Manual of Grammatical Interfaces in Romance Susann Fischer, Christoph Gabriel, 2016-09-12

Different components of grammar interact in non trivial ways It has been under debate what the actual range of interaction is and how we can most appropriately represent this in grammatical theory The volume provides a general overview of various topics in the linguistics of Romance languages by examining them through the interaction of grammatical components and functions as a state of the art report but at the same time as a manual of Romance languages

Phrase Structure Composition and Syntactic Dependencies Robert Frank, 2004-08 A theoretical linguistic study that combines Tree Adjoining Grammar TAG with the minimalist framework in the analysis of natural language syntax

Analysing English Sentences Andrew Radford, 2009-02-12 This book provides a concise introduction to work in syntactic theory drawing on the key concepts of Chomsky's Minimalist Program

Subject Inversion in Romance and the Theory of Universal Grammar Aafke Hulk Professor of French Linguistics University of Amsterdam, Jean-Yves Pollock Professor of English Linguistics Universite de Picardie a Amiens, 2001-08-27 The Romance Languages document remarkable variations in subject word order in different constructions and have various restrictions in their occurrence No consensus has emerged on what the parameters are for such variations This volume does not attempt to create a consensus but tries to represent and bring into dialogue the different sides of the debate

The Function of Function Words and Functional Categories Marcel den Dikken, Christina Tortora, 2005-01-01 LC number 2005048395

Contemporary Trends in Hispanic and Lusophone Linguistics Jonathan E. MacDonald, 2018-02-15 Contemporary Trends in Hispanic and Lusophone Linguistics offers a panorama of current research into multiple varieties of Spanish from several different regions Mexico Puerto Rico Spain Costa Rica Argentina Bolivia Peru Honduras Catalan Brazilian Portuguese as well as varieties in contact with English and Purpecha The first part of the volume focuses on the structural aspects and use of these languages in the areas of syntax semantics sociolinguistics diachrony phonetics phonology and morphology The second part discusses the effect of interacting multiple grammars namely first language acquisition second language acquisition varieties in contact and bilingualism As a whole the contributions in this volume provide a methodological balance between qualitative and quantitative approaches to Language and in this way represent contemporary trends in Hispanic and Lusophone linguistics

Contemporary Linguistic Parameters Antonio Fabregas, Jaume Mateu, Michael Putnam, 2015-11-19 Parameters have lain at the core of linguistic research in the generative tradition for decades The theoretical questions they have raised are deep and broad this reference text investigates how contemporary linguistics has best tried to answer them This book looks at how parameters might be properly defined and what their locus might be lexical information functional heads the computational system the phonological branch of the grammar What kind of data forms trigger acquisition of a parameter Are parameters necessary or

can we study languages without making reference to them The questions looked at are not just theoretical how can a theory of parameters be used to help understand second language acquisition and what contributions can it make to the study of language typology This is the right time to gather all this information dispersed in many different kinds of publications by single authors and groups into one comprehensive volume Syntax Andrew Carnie, 2021-04-13 The extensively updated fourth edition of the leading introductory textbook on theoretical syntax including an all new chapter and additional problem sets Now in its fourth edition Andrew Carnie's *Syntax A Generative Introduction* remains the leading introduction to the rules principles and processes that determine the structure of sentences in language Comprehensive yet accessible the text provides a well balanced student friendly introduction to syntactic theory Topics include phrase structure the lexicon binding theory case theory movement covert movement locality conditions ditransitives verbal inflection and auxiliaries ellipsis control theory non configurational languages and more Students are provided with numerous exercises and pedagogical features designed to strengthen comprehension review learning objectives test knowledge and highlight major issues in the field The fourth edition features revised material throughout including a new section on Chomsky's Merge and additional problem sets in every chapter while new examples throughout the text broaden the appeal and relatability of the text to a more diverse set of students The optional *The Syntax Workbook A Companion to Carnie's Syntax* has also been thoroughly revised and expanded to offer students the opportunity to practice the skills and concepts introduced in the primary text This classic textbook Presents authoritative and comprehensive coverage of basic intermediate and advanced topics Includes ample exercises and clear explanations using straightforward language Offers extensive online student and instructor resources including problem sets PowerPoint slides an updated instructor's manual author created videos online only chapters and other supplementary material Features a wealth of learning tools including learning objectives discussion questions and problems of varying levels of difficulty In the new fourth edition *Syntax A Generative Introduction* remains an essential textbook for beginning syntacticians perfect for undergraduate and graduate course in linguistics grammar language and second language teaching Available as a set with *The Syntax Workbook A Companion to Carnie's Syntax* 2nd Edition *Issues in Formal German(ic) Typology* Werner Abraham, C. Jan-Wouter Zwart, 2002-04-22 This book takes up a variety of general syntactic topics which either yield different solutions in German in particular or which lead to different conclusions for theory formation One of the main topics is the fact that languages that allow for extensive scrambling between the two verbal poles V₂ and V_{last} need to integrate discourse functions like thema and rhema into the grammatical description This is attempted in terms of Minimalism thus extending the functional domain Special attention is given to the asymmetrical scrambling behavior of indefinites vs definites and their semantic interpretation Related topics are Transitive expletive sentences types of existential sentences with either BE or HAVE the that trace phenomenon and its semantics negative polarity items ellipsis and gapping passivization double negation all of which have extensive effects both on

distributional behavior and semantic disambiguation reaching far beyond effects observable in English with its rigid unscramble word order

Aspects of Grammatical Architecture Alain Rouveret, 2018-01-19 This volume collects eleven papers written between 1991 and 2016 some of them unpublished which explore various aspects of the architecture of grammar in a minimalist perspective The phenomena that are brought to bear on the architectural issue come from a range of languages among them French European Portuguese Welsh German and English and include clitic placement expletive pronouns resumption causative structures copulative and existential constructions VP ellipsis as well as the distinction between the SVO VSO and V2 linguistic types This book sheds a new light on the division of labor between components and paves the way for further research on grammatical architecture

The Complementizer Phase Phoevos Panagiotidis, 2010 This book draws together nine original investigations by leading linguists and promising young scholars on the syntax of complementisers eg that in She said that she would and their phrases The chapters are divided into two parts each of which highlights aspects of the behaviour and function of complementisers The first part looks at how and when subjects or parts of subjects can and cannot move outside their canonical position in a sentence Each chapter examines and compares the relevance of a number of syntactic factors in languages such as English Italian Spanish Greek Brazilian Portuguese and Bavarian In the second part the focus turns to the nature and function of complementisers themselves with discussions drawing on evidence from Italian Italian dialects Hebrew and Dutch

Objects and Other Subjects William D. Davies, Stanley Dubinsky, 2012-12-06 The papers in this volume examine the current role of grammatical functions in transformational syntax in two ways i through largely theoretical considerations of their status and ii through detailed analyses for a wide variety of languages Taken together the chapters in this volume present a comprehensive view of how transformational syntax characterizes the elusive but often useful notions of subject and object examining how subject and object properties are distributed among various functional projections converging sometimes in particular languages

Building Predicates Justin Nuger, 2016-08-01 This volume provides a comprehensive analysis of the syntax of Palauan that will appeal to anyone interested in Austronesian languages or formal syntactic and morphological theory This volume proposes that words in Palauan are not drawn directly from a mental lexicon but are instead composed at least partially in the syntax Using original data from syntactic constructions not previously explored in the language the author entertains several competing theories of word formation and highlights the compatible and incompatible aspects of each through an exploration into new corners of Palauan syntax and morphology

Semantic and syntactic aspects of impersonality Peter Herbeck, Bernhard Pöll, Anne C. Wolfgruber, 2019-08-01 Peter Herbeck Bernhard Pöll Anne C Wolfgruber Foreword Hubert Haider On expletive semantically void and absent subjects Janayna Carvalho Incorporated subjects in Existential Impersonal Sentences in Brazilian Portuguese Th rhallur Eyth rsson Anton Karl Ingason Einar Freyr Sigur sson Flavors of reflexive arguments in Icelandic impersonals Sigr ur Sigurj nsd ttir Joan Maling From passive to active diachronic change in

impersonal constructions Anne C Wolfsgruber Impersonal interpretations of Medieval Romance se tracing initial contexts
Eduardo Amaral Wiltrud Mihatsch Incipient impersonal pronouns in colloquial Brazilian Portuguese based on pessoa pessoal
and povo The Structure of CP and IP Luigi Rizzi, 2004-06-17 The purpose of this edited volume is to study the structure of
the inflectional field and the left peripheral field of clauses often described as the systems of IP Inflection Phrase and CP
Complementizer Phrase

Thank you for reading **Subjects Expletives And The Epp**. As you may know, people have look hundreds times for their chosen novels like this Subjects Expletives And The Epp, but end up in infectious downloads. Rather than enjoying a good book with a cup of coffee in the afternoon, instead they are facing with some malicious virus inside their desktop computer.

Subjects Expletives And The Epp is available in our book collection an online access to it is set as public so you can get it instantly.

Our digital library saves in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the Subjects Expletives And The Epp is universally compatible with any devices to read

Subjects Expletives And The Epp Introduction

In today's digital age, the availability of Subjects Expletives And The Epp books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Subjects Expletives And The Epp books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Subjects Expletives And The Epp books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Subjects Expletives And The Epp versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Subjects Expletives And The Epp books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Subjects Expletives And The Epp books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Subjects Expletives And The Epp books and manuals is Open Library. Open Library

is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Subjects Expletives And The Epp books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Subjects Expletives And The Epp books and manuals for download and embark on your journey of knowledge?

FAQs About Subjects Expletives And The Epp Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Subjects Expletives And The Epp is one of the best book in our library for free trial. We provide copy of Subjects Expletives And The Epp in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Subjects Expletives And The Epp. Where to download Subjects Expletives And The Epp online for free? Are you looking for Subjects Expletives And The Epp PDF? This is definitely going to save you time and cash in something you should think about.
