The Submariner's Dictionary Or Submariner's Compendium of Terms & Tar's Handbook of Naval Verbiage and Retired Guy's Re-familiarization Manual Ron Martini,2005 Submariners are a tight knit group of men bound together by training and experience and with a language all their own That language is perhaps a little vulgar but never intentionally demeaning and a little irreverent but still worldly This work is an attempt to preserve and explain some of these curious guys who so proudly wear a shiny metal pin that looks like a strange pair of fish on their left breast This process of accumulating this new language begins in Boot Camp and is added to with every change of duty station the sailor undergoes It is heard aboard the boats and unknowingly by family members who can t understand terms like head deck and overhead and who think SOS is a distress signal
Combat Divers Michael G. Welham,2023-01-19 The full visual history of the special forces combat diver from World War II to the present day Combat

divers are an elite within an elite Every special forces combat diver is required to pass selection twice first into the elite military unit and then a combat diving qualification The combat dive units themselves are tiny and the operations highly classified The role of a military diver is inevitably a lonely and a dangerous one whether clearing mines or striking from the sea against enemy held targets Fully illustrated with rare and unusual images *Combat Divers* reveals their little known yet fascinating operations from Dutch Special Forces combat divers covertly operating against Somali pirates to the actions of Soviet Spetsnaz divers in Swedish territorial waters during the Cold War It also examines how the most famous units such as the US Navy SEALs and the Royal Navy's SBS are currently operating and adapting to threats in a multitude of theatres *Combat Divers* gives an insight into specialist kit and vehicles presently used and equipment that is being developed and trialed throughout the world Covering a variety of kit from dry deck shelters to mini submarines and swimmer delivery vehicles former Royal Marines Commando Michael G Welham draws on his own extensive diving experience to reveal exactly how this equipment is used by special forces dive teams As their kit and equipment constantly evolve so does the nature of their work and even the team element *Combat Divers* also details the first female combat divers and includes their own first hand accounts about their groundbreaking roles within their respective units to create a fascinating history of these elite special forces operatives
