Submission is for Husbands, Too Mark R. Littleton, 1988 **The Posture of Submission** Melissa Cade Sikes, 2024-04-19 You may be single separated divorced or widowed and think this topic has nothing to do with you Think again No matter your marital status everyone is called to a life of submission So ready yourself as you accept the twenty one day challenge to live a life of submission to God and experience the transforming power of Christ in your life Humility is the first step to submission When our motives of impure ambitions and pride are the driving force we can't see others above ourselves But when we put the needs of others above our own the goal of humility can easily be accomplished Melissa Sikes is a former award winning newspaper journalist teacher and coach She lives in North Carolina with her husband James and her two stepchildren *Submit Is Not a Four-Letter Word* Laura Provencio, 2020-01-22 This book is for women who have struggled with the word submit It is not a 4 letter word It is the answer to your daily problems in life and especially with your spouse Ultimately submitting releases you to enjoy the peace that God created for His relationship with you **The Fulfilled Family** John F. MacArthur, 2008-06-08 In a world of divorce casual sex and homosexual unions family once the bedrock of our culture is becoming a matter of uncertainty and argument From some quarters traditional roles for men and women are ridiculed And standing firm in a healthy well functioning family is harder than ever So how can you have a happy home How can you pass on strong morals to your children in a world going awry By following God's divine plan for family life writes Bible teacher pastor father and grandfather John MacArthur in this book There's no magic formula There's no gimmick It's not about how many times you do something or who is in charge of this or that or what kind of processes or methods you use It comes down to answering these questions Am I committed to obedience to the Spirit of God Am I committed to the controlling influences of the Word of God Am I going to live out a Christian life If you can answer yes to all of those questions then you are bound to have a successful fulfilled God honoring family life *Deliverance and Submission* Kelly H. Chong, 2020-03-17 South Korea is home to one of the most vibrant evangelical Protestant communities in the world This book investigates the meanings of and the reasons behind an intriguing aspect of contemporary South Korean evangelicalism the intense involvement of middle class women Drawing upon extensive ethnographic fieldwork in Seoul that explores the relevance of gender and women's experiences to Korean evangelicalism Kelly H Chong not only helps provide a clearer picture of the evangelical movement's success in South Korea but interrogates the global question of contemporary women's attraction to religious traditionalisms In highlighting the growing disjunction between the forces of social transformation that are rapidly liberalizing modern Korean society and a social system that continues to uphold key patriarchal structures on both societal and familial levels Chong relates women's religious involvement to the contradictions of South Korea's recent socio cultural changes and complex engagement with modernity By focusing on the ways in which women's religious participation constitutes both spiritually and institutionally an important part of their effort to negotiate

the problems and dilemmas of contemporary family and gender relations this book explores the contradictory significance of evangelical beliefs and practices for women which simultaneously opens up possibilities for gender negotiation resistance and for women's redomestication **Prayer Can Change Your Marriage** Ron Auch,1990 This is a revised and expanded edition by Ron Auch Divorce statistics are growing at an unprecedented rate And there appears to be no end in sight Families are being torn apart Lives are being shattered It's happening in the world It's happening in the Church But there is a solution

Murrow,2008-05-06 Help for women to understand men s spiritual needs why today s church doesn t meet them and how to successfully point them to God Women don t understand men s spiritual needs but they want to and desperately need to know what they can do and should not do to keep their men engaged at church In the follow up to his bestselling Why Men Hate Going to Church author David Murrow speaks directly to women to help them understand the real reasons men resist Christianity He offers a way of talking about faith that intrigues men instead of repels them and then challenges them to bring more risk and adventure to their own walk with the Lord *Stray Wives* Mary Beth Sievens,2008-03 Whereas my husband Enoch Darling has at sundry times used me in so improper and cruel a manner as to destroy my happiness and endanger my life and whereas he has not provided for me as a husband ought but expended his time and money unadvisedly at taverns I hereby notify the public that I am obliged to leave him Phebe Darling January 13 1796 Hundreds of provocative notices such as this one ran in New England newspapers between 1790 and 1830 These elopement notices advertisements paid for by husbands and occasionally wives to announce their spouses desertions as well as the personal details of their marital conflicts testify to the difficulties that many couples experienced and raise questions about the nature of the marital relationship in early national New England *Stray Wives* examines marriage family gender and the law through the lens of these elopement notices In conjunction with legal treatises court records and prescriptive literature Mary Beth Sievens highlights the often tenuous relationships among marriage law marital ideals and lived experience in the early Republic an era of exceptional cultural and economic change Elopement notices allowed couples to negotiate the meaning of these changes through contests over issues such as gender roles consumption economic support and property ownership Sievens reveals the ambiguous often contested nature of marital law showing that husbands superior status and wives dependence were fluid and negotiable subject to the differing interpretations of legal commentators community members and spouses themselves **Shakespeare's Comic Commonwealths** Camille Wells Slights,1993-01-01 Challenging the traditional view that Shakespeare s early comedies are about the experience of romantic love and constitute a genre called romantic comedy Camille Wells Slights demonstrates that they dramatize individual action in the context of social dynamics reflecting and commenting on the culture in which they originated Shakespeare s Comic Commonwealths sheds new light on ten Shakespearean comedies *The Comedy of Errors* *The Taming of the Shrew* *The Two Gentlemen of Verona* *Love s Labor s Lost* *A Midsummer Night s Dream* *The Merchant of Venice* *The Merry Wives of Windsor* *Much Ado about Nothing* *As You Like It* and *Twelfth Night* In a diversity of comic forms from rollicking farce to tragicomedy these plays offer varying perspectives on the forces that make and mar human communities Dramatizing tensions between savagery and civilization autonomy and dependence and isolation and community Shakespeare s comedies both reflect and comment on the society that produces them Slights eschews viewing these comedies as endorsements of the prevailing ideologies of sixteenth century England or as subversions of that hierarchical patriarchal culture They can be most fruitfully understood as imaginative forms that

present cultural practices institutions and beliefs as human constructions susceptible to critical scrutiny While exposing the injustice and brutality as well as the assurances and satisfactions of social experiences Shakespeare s comedies represent people as inescapably social beings By combining historical scholarship with formal analysis and incorporating insights from social anthropology and feminist theory Shakespeare s Comic Commonwealths offers new readings of Shakespeare s early comedies and analyses the interaction between the plays and the social structures and processes of early modern England

The Holy Vote Sarah Diefendorf,2023-02-07 Based on two years of ethnographic fieldwork at a megachurch sociologist Sarah Diefendorf investigates the ways in which evangelicals are working to grow as an institution during a time of cultural shifts that are leading young people to leave the faith In order to grow the church needs to reapproach topics long understood as external threats to the organization such as feminism gender equality racial inclusivity and queerness topics that Diefendorf classifies as the imagined secular in the mind of evangelicals She finds that the church s ways of reworking their messages to appear more welcoming still uphold already privileged identities *How God Thinks* David

Review *The Oxford History of Hinduism: The Goddess* Mandakranta Bose, 2018-05-30 The Oxford History of Hinduism The Goddess provides a critical exposition of the Hindu idea of the divine feminine or Dev conceived as a singularity expressed in many forms With the theological principles examined in the opening chapters the book proceeds to describe and expound historically how individual manifestations of Dev have been imagined in Hindu religious culture and their impact upon Hindu social life In this quest the contributors draw upon the history and philosophy of major Hindu ideologies such as the Puranic T ntric and Vaiava belief systems A particular distinction of the book is its attention not only to the major goddesses from the earliest period of Hindu religious history but also to goddesses of later origin in many cases of regional provenance and influence Viewed through the lens of worship practices legend and literature belief in goddesses is discovered as the formative impulse of much of public and private life The influence of the goddess culture is especially powerful on women s life often paradoxically situating women between veneration and subjection This apparent contradiction arises from the humanization of goddesses while acknowledging their divinity which is central to Hindu beliefs In addition to studying the social and theological aspect of the goddess ideology the contributors take anthropological sociological and literary approaches to delineate the emotional force of the goddess figure that claims intense human attachments and shapes personal and communal lives **James, 1-2 Peter, Jude, Revelation** M. Robert Mulholland, Jr., Grant R. Osborne, 2011 The Cornerstone Biblical Commentary series provides up to date evangelical scholarship on the Old and New Testaments Each volume is designed to equip pastors and Christian leaders with exegetical and theological knowledge to better understand and apply God s Word by presenting the message of each passage as well as an overview of other issues surrounding the text The commentary series has been structured to help readers understand the meaning of Scripture passage by passage through the entire Bible The New Living Translation is an authoritative Bible translation rendered faithfully into today s English from the ancient texts by 90 leading Bible scholars The NLT s scholarship and clarity breathe life into even the most difficult to understand Bible passages but even more powerful are stories of how people s lives are changing as the words speak directly to their hearts That s why we call it The Truth Made Clear About the authors of this volume Grant R Osborne PhD University of Aberdeen is Professor of New Testament at Trinity Evangelical Divinity School He has authored and edited numerous books including The Hermeneutical Spiral and many commentaries on the New Testament M Robert Mulholland Jr ThD Harvard Divinity School is vice president of Asbury Seminary and an expert in New Testament and Christian Origins and spiritual formation His several books include The Deeper Journey and contributions to the Dictionary of Jesus and the Gospels He is also a frequent speaker at Bible and spiritual renewal conferences **My So-Called Life as a Submissive Wife** Sara Horn, 2013-08-01 Can a modern wife be submissive to her husband In her highly anticipated sequel to My So Called Life as a Proverbs 31 Wife author Sara Horn takes on one of the most widely debated subjects for a Christian wife marital submission What does biblical submission look like for wives today And why is

submission viewed as such a dirty word by so many women and men in our culture including Christians Can a happily married couple live out the biblical model of submission and be the better for it Horn takes on a one year experiment to seek answers to these questions and to explore what it means to be submissive as a wife and helper to her husband The answers and her discoveries may surprise you This unique entertaining and thought provoking personal account will challenge women to throw out their preconceived notions of what a submissive wife looks like and seek fresh leading from God for their lives and marriages today No Ordinary Marriage Tim Savage,2012-05-31 One of the greatest social tragedies of our day is the underperformance of marriage not only marriages that end in divorce but also those which while remaining intact become painfully strained and emotionally scarred Surely there must be hope for something better for something more With profound insight and vivid illustrations marriage counselor Tim Savage helps us to realize the unlimited potential of marriage to discover how the glory of God can infuse our unions increase our joy and make us bright lights in a troubled world **King**

Biblical Foundations for Manhood and Womanhood Wayne Grudem,2002-10-04 For years a debate has raged over how to define true masculinity and true femininity While there is agreement that men and women share equally in the privilege of being made in God s image some views of manhood and womanhood blur God given gender distinctions Wayne Grudem assembled a team of distinguished writers to show how egalitarian views destroy God s ideal for your relationships marriage and life purposes The contributors to this book include John Piper Pastor of Bethlehem Baptist Church Minneapolis Minnesota Bruce A Ware Senior Associate Dean of the School of Theology and Professor of Christian Theology at The Southern Baptist Theological Seminary Richard W Hove Director of Campus Crusade for Christ at Duke University Daniel Doriani Dean of the Faculty and Professor of New Testament at Covenant Theological Seminary Daniel R Heimbach Professor of Christian Ethics at Southeastern Baptist Theological Seminary Peter Jones Professor of New Testament at Westminster Theological Seminary in California These writers explore key issues including the interchangeability of male female roles the meaning of submission and the historical novelty of egalitarian interpretations of Scripture This book will demonstrate how

some views of manhood and womanhood tamper with our understanding of God's character and why the extremes of male domination and feminism destroy the beauty of our sexual differences differences that celebrate the excellence of men and women as God created us
