

quite other than those designed. He upon whom misfortune and suffering came might acknowledge that it had descended upon him, and reconcile himself to his God, but he to whom prosperity came, surrounded by the mocking of an evil conscience, would be liable to indulge in self-righteous pride, and to regard himself as favoured by God because of his moral worth. Satisfaction in suffering, but self-righteousness in prosperity, would be apt to follow—and, as Max Müller observes, "It seems harder to find a man who can bear good fortune well than one who can bear misfortune well."<sup>1</sup>

Moreover, it offered little message of comfort to the innocent sufferer. For while by the denunciation of oppression it recognized the possibility of innocent suffering, it did not show this aspect to the sufferer. To him the suffering brought only the message of guilt. If he was conscious of his sin, he might accept his suffering with submission and repentance, but if he was not conscious of it, he would only be tortured with doubt as to what he had done. In the best known of "The Babylonian Job" the sufferer, who describes his agonies in detail, is conscious of his piety and uprightness. "I took thought only for prayers and supplications. Prayer was my rule, sacrifice my delight, the day of God's honouring was my heart's joy."<sup>2</sup> He can only picture himself with the thought that what he had taken to be well-pleasing to his god was for some wholly inscrutable reason offensive. "That which seemed good to myself is evil with God, and that which in one's heart is rejected is good with God. Who can understand the counsel of the gods in heaven? The plan of the gods full of darkness, who shall establish it? How shall pale-faced man understand the ways of the gods?" But this is merely distinguished from the view that suffering is the arbitrary dispensation of fate. It accepts the calamity with submission as somehow deserved, but demands only for the

Harold Henry Rowley, 1951      *Submission in suffering* Harold Henry Rowley, 1951      **The Function of Suffering in**  
**Philippians** L. Gregory Bloomquist, 1992-12-01 This closely argued and thoughtful book offers a fresh and nuanced understanding of the function of the suffering theme in Philippians A comprehensive survey of previous readings of Philippians is followed by a clear outline of the principles and practice of rhetorical criticism with particular reference to the study of letter structure The book concludes by considering in detail the shape and function of the theme of suffering in each of the rhetorical sections of the letter as identified by the author      *Christianity and Education in Modern China* Wong Man Kong, George Kam Wah Mak, 2024-12-11 In *Christianity and Education in Modern China* Wong Man Kong George Kam Wah Mak and other contributors demonstrate how Christianity served as a driving force in the development of modern education in China Each of the chapters offers new insights into Christian involvement in different issues concerning education in modern China The contributors examine how Christian missionaries and Chinese Christian educators interacted with China's social cultural and political contexts Also explored are the Christian legacies of higher education in mainland China and Taiwan as well as how the spirit of Christian higher education in modern China has been carried on in Asia This volume suggests that Western missionary and Chinese Christian perspectives of higher education were complementary with each other in modern China Timely and informative *Christianity and Education in Modern China* tells the stories of less known Christian educators development experts and researchers who indigenized global knowledge and skills to address Chinese problems Its masterful narratives and analytical details highlight the transformative influence of Christianity on Chinese educational sphere Joseph Tse Hei Lee Pace University in New York Rich and broad this interdisciplinary volume holds a prism to Protestant Christian higher education in modern China Extending also to the Hong Kong and Taiwan regions its twelve chapters offer many new insights across the whole spectrum of educational activity in Chinese society in the twentieth century A rewarding read Ryan Dunch University of Alberta      *Bible and Interpretation: The Collected Essays of James Barr* James Barr, 2013-03-28 The second of three volumes of James Barr's collected essays This volume focuses on biblical interpretation and the history of the discipline It also contains material on biblical fundamentalism      **Biblical Form Criticism in its Context** Martin J. Buss, 1999-02-01 This magnum opus is not another catalogue of the forms of biblical literature but a deeply reflected account of the significance of form itself Buss writes out of his experience in Western philosophy and the intricate involvement of biblical criticism in philosophical history Equally biblical criticism and the development of notions of form are related to social contexts whether from the side of the aristocracy tending towards generality or of the bourgeois tending towards particularity or of an inclusive society favouring a relational view Form criticism in Buss's conception is no mere formal exercise but the observation of interrelationships among thoughts and

moods linguistic regularities and the experiences and activities of life This work with its many examples from both Testaments will be fundamental for Old and New Testament scholars alike Submission in Suffering and Other Essays in Eastern Thought Harold Henry Rowley,1951 **Wisdom in Israel and in the Ancient Near East** ,2014-09-03 **World Christianity in Local Context** Stephen R. Goodwin,2011-11-03 Global Christianity in Local Context is the first volume of a unique collection of essays in honour of David A Kerr well known for his contributions in the areas of Christian Muslim dialogue Ecumenical Studies and Missions With contributions from recognized experts in these fields the book provides a platform for examining contemporary Christian Muslim relations and critical issues facing twenty first century Christianity In Volume 1 scholars and Church leaders offer insights into current trends in Local Theology and Missions from the contexts of Asia Africa Latin America and Europe **Morality and Universality** N.T. Potter,Mark Timmons,2012-12-06 In the past 25 years or so the issue of ethical universalizability has figured prominently in theoretical as well as practical ethics The term universalizability used in connection with ethical considerations was apparently first introduced in the mid 1950s by R M Hare to refer to what he characterized as a logical thesis about certain sorts of evaluative sentences Hare 1955 The term has since been used to cover a broad variety of ethical considerations including those associated with the ideas of impartiality consistency justice equality and reversibility as well as those raised in the familiar questions What if everyone did that and How would you like it if someone did that to you But this recent efflorescence of the use of the term universalizability is something that has deep historical roots and has been central in various forms to the thinking about morality of some of the greatest and most influential philosophers in the western tradition While the term is relatively new the ideas it is now used to express have a long history Most of these ideas and questions have been or can be formulated into a principle to be discussed criticized or defended As we discuss these ideas below this principle will be stated on a separate numbered line The concepts of justice and equality were closely linked in Greek thought These connections between these two concepts are apparent even in two authors who were hostile to the connection Plato and Aristotle Translingual Catholics Jin Lu,2025-02-15 Translingual Catholics explores the life experiences and theological writings of twentieth century Chinese Catholic intellectuals and their impact on global Catholic theology Weaving together archival resources in Chinese French and English Translingual Catholics examines the preconiliar theological contribution of Republican Era Chinese Catholics to global Catholicism and to the dialogue between Christianity and Chinese spiritual traditions Author Jin Lu sheds light on generations of multilingual Chinese Catholic intellectuals who participated in the elaboration of Catholic theology leading up to the Second Vatican Council This book situates the lives and works of these theologians in the intersecting global Catholic networks of the time especially the Jesuit enclave of Xujiahui in Shanghai the Benedictine Abbey of Saint Andr in Bruges Belgium the Jesuit Theologate in Lyon Fourviere and the ecumenical Cercle Saint Jean Baptiste in Paris By studying the interconnectedness of Chinese Catholic theologians working in multiple languages Lu demonstrates that inculturation is

necessarily a translingual process Through its groundbreaking archival research Translingual Catholics tells the story of these underappreciated intellectuals and uncovers significant contributions to Chinese and global Catholic theology
