Subregionalism And World Order:

Subregionalism and World Order Glenn D. Hook, Ian Kearns, 1999-08-31 Subregionalism and World Order brings together the work of a diverse range of area specialists in its treatment of sub regional cooperation schemes Sub regional projects covered include the Central European Free Trade Area the Black Sea Economic Scheme Ecowas in West Africa Mercosur The Association of Caribbean States Chilean strategies of subregional cooperation the Greater China project Asean and the East Asian Economic Caucus This is the first volume of its kind to embrace such a geographically diverse treatment of the subregional system Through comparison of the various schemes it also seeks to mount a case for a new IPE perspective in the understanding of subregional cooperation

Microregionalism and World Order S. Breslin, G. Hook, 2016-01-19 Microregionalism and World Order is a pioneering work on the least understood aspect of regionalism Leading specialists analyze the form microregionalism takes in different parts of the world including the Americas Asia Pacific and Africa By illustrating the complex relationship amongst the political economic and social dimensions of microregionalism the book seeks to contribute to the theoretical debate on regionalism as well as to provide new empirical insights

Sub-regionalism and International River Basins Soavapa Ngampramuan, Christian Ploberger, 2020-06-17 This book investigates the origins and dynamics of sub regional phenomena based on international river basins namely the Mekong and Danube rivers It emphasizes the integration process of the Greater Mekong Sub region and the European Strategy for the Danube Region which are located in two different geopolitical and structural settings one in Southeast Asia in the regional context of the Association of Southeast Asian Nations ASEAN and the other in Central and Eastern Europe within the regional context of the EU By comparing two unique case studies within different structural settings additional and valuable insights into the occurrence and formation of sub regional integration processes are provided enabling an evaluation of similarities and differences Understanding sub regional integration dynamics requires not only looking upward to the regional and even the global level but indeed looking downwards to the local level After all sub regional integration processes are generally described as bottom up processes based on local interests and expectations Despite the growing number of sub regional projects sub regionalism remains inadequately studied in the field of political science and as such this book offers unique contributions to the understanding of sub regional integration processes Consequently it will be of interest to readers who are interested in regional and sub regional integration processes as well as those with a specific interest in both the EU and ASEAN geographic regions

Raimo Väyrynen: A Pioneer in International Relations, Scholarship and Policy-Making Raimo Väyrynen, 2023-01-03 This book provides a broad overview of Professor Raimo Väyrynen's academic work his role in international research organizations and his contributions to policy debates It offers an interesting review of important political issues during the time span of half a century from disarmament in Europe to the changing relationship between state sovereignty and transnational forces Väyrynen has dealt with the changing agenda of

peace and international relations security and the arms race and the world economy This book provides comprehensive analyses of the regional and systemic structure of international relations with the emphasis on conflicts and warfare between nations It argues that while states even smaller ones still matter transnational issues are increasingly important Taking a historical perspective the articles suggest that large scale violence and arms races have been recurrent and cyclical phenomena in international relations These events reflect the deep seated inequalities in the political and economic systems which moreover vary considerably between regions The publication is important reading for any researcher as well as students policy makers and the science oriented public at large Traces the changing agenda of international relations from disarmament and the world economy to the changing relationship between state sovereignty and transnational forces Provides analyses of the regional and systemic structure in international relations with the emphasis on conflicts and warfare Argues that large scale violence and the arms race have been recurrent and cyclical phenomena in international relations Reviews important political issues from peace and conflict in Europe to the changing power relationship in the world

The Dynamics of Black Sea Subregionalism Panagiota Manoli, 2016-03-23 Conflict and cooperation are two dynamics that have shaped the political economy and international relations around the Black Sea since the early nineties Despite the negative structural environment and the persistence of a high security dilemma cooperative efforts among Black Sea actors primarily state elites but increasingly non state actors have been advancing even though slowly Representing a new development in the study of contemporary regionalism Panagiota Manoli examines the process of institutionalized subregional cooperation and casts new light on the factors influencing the reconfiguration of subregional structures in the region Focusing on the primary initiative in the region Black Sea Economic Cooperation BSEC Manoli traces how subregionalism has evolved since the early nineties and what has been driving and conditioning this process Questioning whether there is a definitive nature to subregionalism Manoli then discusses Black Sea subregionalism within the European integration process examining the impact of the European Union Contributing to the conceptualization of the subregional phenomenon this book should be read by scholars and policy makers alike unclear on how local elements interface with extra regional forces in the shaping of a subregion

International Organisation in World Politics David Armstrong, Lorna Lloyd, John Redmond, 2017-03-14 Since the end of the Cold War international organisations have assumed a greater importance on the world stage The United Nations has played a key role in all of the major security issues during this period increasingly called upon to address other global problems such as poverty and international crime while the European Union has created a single currency and moved towards the adoption of a constitution The growing significance of the World Trade Organisation and other economic institutions has led some to talk of the emergence of a structure of global governance and international non governmental organisations and social movements are now widely seen as forming a kind of global civil society that both challenges and participates in these developments Building on the success of the previous edition Versailles

to Maastricht International Organisation in the Twentieth Century this book is a valuable introduction to the complex history of modern international organisation David Armstrong Lorna Lloyd and John Redmond Pay close attention to the League of Nations the UN and the EU Offer chapters on the new regionalism global governance and international regimes and global civil society Adopt a thematic and analytical approach to the subject Provide a concise factual account of the rise of the international organisation

New Regionalisms in the Global Political Economy Shaun Breslin,2002 Following the financial crisis at the end of the twentieth century regionalisms in the global political economy have evolved in a number of ways This informative book brings together the leading scholars in the field to provide cutting edge analyses of contemporary regions and regionalist projects Providing an innovative integration of theoretical issues with sophisticated analyses of a wide range of international case studies the chapters systematically consider the relationship between globalization financial crisis and regional projects In combination the contributions to this volume provide the widest possible base within the literature for a truly comparative study of contemporary regionalism

The New Political Economy of United States-Caribbean Relations Tony Heron,2017-07-05 This informative book brings a fresh perspective to the continuing debate about globalization and regionalization in the global political economy and the ways in which state policy in both developed and developing countries shapes the patterns of economic integration and competitiveness among participating countries and firms Focusing on the United States and the Caribbean the book traces the advent and subsequent growth of production sharing between outsourcing textile apparel firms and assembly operations located in specially designated export processing zones This case study allows a number of broad conclusions to be reached regarding the political economy of production sharing that will inform the work of those in the fields of international and comparative political economy development studies and business and management

Comparative Regionalism Fred H. Lawson,2017-03-02 Regionalism has regained momentum in the post Cold War era New economic groupings continue to spring up across the globe while older regional organizations have strengthened their institutional bases and broadened their scope Explaining the reinvigoration of regionalism requires comparative analyses that not only highlight the commonalities that characterize various regional experiments but also account for the differential outcomes and divergent trajectories such projects exhibit This collection of seminal articles on regionalism advances theoretical concepts that can stimulate useful comparisons along with scholarly surveys of important instances of regionalism in the contemporary world Besides classic studies of the European Union the volume includes authoritative overviews and case studies of regionalist projects in East Asia Sub Saharan Africa Latin America the Middle East and Central Eurasia An introductory essay situates these articles in the context of the five decade long research program on regional integration theory

Japan and Okinawa Glen D. Hook,Richard Siddle,2003-08-29 Japan and Okinawa provides an up to date coherent and theoretically informed examination of Okinawa from the perspective of political economy and society It combines a focus on structure and subjectivity as a way to analyze Okinawa Okinawans and their relationship

with global regional and national structures The book draws on a range of disciplines to provide new insights into both the contemporary and historical place of Okinawa and the Okinawans The first half of the book examines Okinawa as part of the global regional and national structures which impose constraints as well as offer opportunities to Okinawa Leading specialists examine in detail topics such as Okinawa as a frontier region Okinawa s Free Trade Zones and response to globalization and Okinawa as part of the Japanese construction state being particularly concerned with how Okinawa can chart its own course The second half focuses on questions of identity and subjectivity examining the multitude of vibrant cultural practices that breathe life into the meaning of being Okinawan and inform their social and political responses to structural constraints The originality of this book can be found in its elucidation of how the structural constraints of Okinawa s precarious position in the world the region and as part of Japan impact on subjectivity For many Okinawans in the past as now acceptance and rationalization of their dependency has made them collaborators in their own subordination At the same time however they have demonstrated a capacity to give voice to a separate identity inscribing cultural practices marking them as different from mainland Japanese *China, Japan and Regional Leadership in East Asia* Christopher M.

Dent, 2010-01-01 *China Japan and Regional Leadership in East Asia* is a compilation which provides a necessary and welcome update to the Asian regionalism debates of the last decade bringing together notable experts in Asian area studies and comparative foreign policy to provide many new insights essential reading both for practitioners of Asian studies and those concerned with the role of comparative regionalism in modern international relations Marc Lanteigne *East Asia* *An International Quarterly* this book is strongly recommended reading for everyone interested in Japan China relations leadership and East Asia It proves that looking at complex issues from a variety of angles does bring a much deeper understanding I thoroughly enjoyed it Marie S derberg *Journal of Japanese Studies* This book addresses one of the most intriguing but also under researched issues of the future of the Asian strategic landscape who will lead the region and replace US leadership Japan and China and what kind of leadership do we have to expect The authors come to the conclusion that it is a matrix or combination of leadership options rather than a single leadership type depending on issue domains governance structure and geospatial scales The conclusions by Christopher Dent admirably draw the theoretical and empirical issues together Reinhard Drifte *Pacific Affairs* This book considers themes evidence and ideas relating to the prospects for regional leadership in East Asia with particular reference to China and Japan assuming regional leader actor roles Key issues discussed by the list of distinguished contributors include the extent to which there is an East Asian region to lead China Japan relations different aspects of Japan and China s positions in the East Asia region how the seemingly inexorable rise of China is being addressed within the region how China and Japan have explored paths of regional leadership through certain regional and multilateral organisations and frameworks the position of certain intermediary powers i e the United States and Korea with regards to regional leadership diplomacy in East Asia Invaluably the concluding chapter brings

together the main findings of the book and presents new analytical approaches for studying the nature of and prospects for leadership in East Asia China Japan and Regional Leadership in East Asia will be essential reading for upper level undergraduate and postgraduate students and researchers of international relations regional studies international political economy and economics as well as Asian and development studies Asian Regional Governance Kanishka Jayasuriya,2004-07-31 Jayasuriya looks at the changing global and domestic political economies shaping the new regionalism in Asia and examines the relationship between regional domestic political and economic structures and forms of regional governance Well known contributors in the field focus on the impact of globalization on Asian regionalism new security challenges monetary cooperation sovereignty democratization industry policy and China s engagement with southeast Asia Providing a detailed overview of the conceptual foundations of regional governance this text is an indispensable resource for all who want to understand the emerging dynamics of regionalism in the Asia Pacific Japan's International Relations Glenn D. Hook,2001 This detailed and lucid volume is an essential resource for students of Asian Studies and International Politics **Regionalism and Uneven Development in Southern Africa** Fredrik Söderbaum,Ian Taylor,2018-05-08 This title was first published in 2003 This volume advances our understanding of how Southern Africa is currently being reconfigured critically examining what has been marketed as the flagship of the Spatial Development Initiative programme in Southern Africa the Maputo Development Corridor MDC By examining a variety of cross cutting levels of governance and development and by focusing on the nexus between the formal and informal processes that stake out the MDC this volume contributes to a detailed understanding of what is perhaps the most important current experiment in regionalism in Africa By engaging regional processes on the micro level and on the ground there is a special emphasis on how local communities regard and respond to the Corridor initiative All chapters in the volume are the result of extensive fieldwork in both Mozambique and South Africa and the contributions are drawn from the region and beyond including Botswana Mozambique Zimbabwe South Africa Sweden and the United States *Exploring the New South American Regionalism (NSAR)* Ernesto Vivares,2016-04-15 The events and processes that have taken place in the last decade in South America have given way to one of the most interesting regional phenomena under a global crisis and within a changing world order From the traditional status of Washington s backyard and reign of economic and political stability South America has increasingly turned into a region marked by a heterodox development in the light of other dominant regional tendencies of development the European Union NAFTA and the Asia Pacific The political economic nature of the new South American regionalism NSAR is far from echoing the dominant interpretations about it which reflects the major regional projects today Given the reach and scope of the existing literature on the topic of the NSAR there is an important gap concerning its academic exploration in relation to its nature of development political economic complexity challenges and orientations In this sense this book explores from a wider and pluralist political economic perspective the developmental dimensions of the NSAR within a changing hemispheric

and world order in transformation It analyses a set of specific debates regionalism in the Americas then and now social and economic development and regional integration and organized crime intelligence and defence An in depth and critical reflection on the complex and heterogeneous path of regionalization taking place in South America from different perspectives and in key issues of regional development

The Political Economy of Japanese Globalisation Harukiyo Hasegawa, Glenn D. Hook, 2004-08-02 The Political Economy of Japanese Globalisation reveals the key dimensions of Japanese globalisation today by analysing both its inward and outward manifestations This is the first book to examine fully the issue of globalisation in relation to Japan Organised in three parts The Political Economy of Japanese Globalisation reveals the meanings and implications of the study of Japan s globalization in the context of on going debates about globalisation in general The book demonstrates how despite the passing of the Japanese model Japan can still provide significant insights into the meaning of this phenomenon The first part of the book examines globalization in politics and international relations Japan s particular position in globalization its recent role in the East Asian political economy and the relative identities of Japan and Europe Part two looks at the economy and business at the heart of Japanese globalization Japan s globalization in Asia as part of oriental capitalism its recent financial reforms the US globalization in Japan Japan s impact on Germany and the meaning of Japanization and globalization The third part of the book assesses the social issues in Japan in the context of globalization highlighting the positive political impact of globalization seen in the way externally generated pressures have brought into focus universal values such as citizenship human rights and democracy Providing a clear analysis of the political economy of Japanese globalization in one volume The Political Economy of Japanese Globalization is a major resource for postgraduates and researchers in Japanese studies Asian studies international relations international political economy as well as for all those dealing with Japan professionally

The Global Community Yearbook of International Law and Jurisprudence 2014 (Volume 1) Giuliana Ziccardi Capaldo, 2015-09-15 The 2014 edition of The Global Community Yearbook both updates readers on the important work of long standing international tribunals and introduces readers to more novel topics in international law This edition includes expert introductory essays by prominent scholars in the realm of international law on topics as diverse and current as the intervention of the United States and coalition partners in territories under the control of the Islamic State of Iraq and the Levant ISIL to the weak area in the institutional and normative framework of the Revised Treaty of Chaguaramas

New Regionalism and the European Union Alex Warleigh-Lack, Nick Robinson, Ben Rosamond, 2011-06-01 The debates on regionalism have been polarized between European Union EU scholars and non EU scholars with the assumption being that regionalism within the EU and other regions of the world are quite distinct with little to be learnt from dialogue with each other This book challenges such assumptions and calls for a genuine debate between scholars of regionalism This book demonstrates that more can and needs to be learned about regional integration all over the world through comparison and reflection on specific regional trends Beginning with a theoretically driven introduction leading experts in the field are brought together to offer a series of case studies on regional integration within Latin America Africa Asia North America and Europe In Part III the authors investigate the links between the EU and selected other regional organisations and processes exploring the dynamics through which these interregional relations are developing and the implications they have for the study of contemporary regionalism regionalisation both inside and beyond the continent of Europe The conclusions set out a challenging research agenda for comparative studies in the field Addressing one of the under explored aspects of EU studies the EU s coexistence with other pan continental regional organisations in the European continent this book will be of interest to students and scholars of regionalism IPE European Studies and international politics

Contested Ideas of Regionalism in Asia Baogang He, 2016-09-13 Deepening regionalism in Asia demands new leadership Strong elites who are committed to a supranational identity are a minimum requirement of successful regionalism Regional leaders are increasingly seen as a new set of leaders in Europe Currently Asian regional leaders largely come from the diplomacy community or trade and economic sectors Yet further regionalization demands a new type of leadership from civil society and citizens In this context it is important to cultivate new regional leadership through the development of regional citizenship This book examines contested ideas of regionalism in Asia with a particular focus on two competing ideas of pan Asianism and Pacificism It also identifies a new trend and contestation the fundamental shift from a civilization understanding of regionalism to a technocratic and functional understanding of regionalism in the form of regulatory regionalism It also examines the other contested imaginations of regionalism in Asia including elitist versus participatory approaches to regionalism and democracy centric versus nationalism centric approaches to regionalism
