

Family tradition and genealogical history, upon which much of Sir Everard's discourse turned, is the very reverse of amber, which, itself a valuable substance, usually includes flies, straws, and other trifles; whereas these studies, being themselves very insignificant and trifling, do nevertheless serve to perpetuate a great deal of what is rare and valuable in ancient manners, and to record many curious and minute facts which could have been preserved and conveyed through no other medium.

**KJ Lindholm-Leary**

## **Substance And Manner Studies In Music And The Other Arts:**

*Substance and Manner* Audrey Davidson,1977      *The Medieval Postcolonial Jew, In and Out of Time* Miriamne Ara Krummel,2022-04-05 Confronts the fraught temporal dissonances that are written into the structure of sacred Jewish and Christian time      The Presence of Rome in Medieval and Early Modern Britain Andrew Wallace,2020-09-17 The ordinary The self The word The dead      **The Prioress's Tale** Geoffrey Chaucer,1987 Part Twenty Of all Chaucer's tales in the Canterbury Group The Prioress's Tale of the Virgin Mary and the murdered child ranks among the most popular and surely the most admired for its artistry Nonetheless it has encountered its fair share of somewhat hostile criticism on purely social and cultural grounds owing in part to a negative evaluation of the Prioress herself she is seen by some as a shallow person who does not recognize the harmful implications of her utterances in part to the anti Semitic cast of the tale Beverly Boyd's tough minded crisp approach to the tale enables her to present an overview of the great diversity of scholarship in both the sympathetic and hostile approaches to the work to examine its strongest ingredients the liturgical borrowings that form a kind of subtext and thus to offer a balanced view of one of Chaucer's most carefully crafted poems Her examination of the sources and analogues of Miracles of the Virgin of considerations of style and structure along with a full treatment of the textual tradition of the Prioress's Sequence and an unusually full corpus of explanatory notes taken together provide a rich and complete edition of the tale one that will prove to be of exceptional value for the teacher and the scholar      *Queering the Pitch* Philip Brett,Elizabeth Wood,Gary C Thomas,2013-02-01 When the first edition of *Queering the Pitch* was published in early 1994 it was immediately hailed as a landmark and defining work in the new field of Gay Musicology In light of the explosion of Gay Musicology since 1994 a new edition of *Queering the Pitch* is timely and needed In this new work the editors are including a landmark essay by Philip Brett on Gay Musicology its history and scope The essay itself has become a cause celebre and this will be its first full appearance in print Along with this new historical essay the editors are contributing a new introduction that outlines the changes that have occurred over the last decade as Gay Musicology has grown      The York Corpus Christi Plays Clifford Davidson,2011-10-01 The feast of Corpus Christi celebrated annually on Thursday after Trinity Sunday was devoted to the Eucharist and the normal practice was to have solemn processions through the city with the Host the consecrated wafer that was believed to have been transformed into the true body and blood of Jesus In this way the cultus Dei thus celebrated allowed the people to venerate the Eucharistic bread in order that they might be stimulated to devotion and brought symbolically even mystically into a relationship with the central moments of salvation history Perhaps it is logical therefore that pageants and plays were introduced in order to access yet another way of visualizing and participating in those events Thus the invisible things of the divine order from the creation of the world might be displayed The York Corpus Christi Plays contained in London British Library MS Add 35290 and comprising more than thirteen thousand lines of verse actually represent a unique survival of medieval theater They form the only complete play cycle

verifiably associated with the feast of Corpus Christi that is extant and was performed at a specific location in England

**Charles Ives** Gayle Sherwood Magee,2002 This is a comprehensively annotated guide to all the significant literature on the American composer Charles Ives 1874 1954 It includes English and foreign language books monographs articles chapters dissertations and masters theses

**Charles Ives** Gayle Sherwood Magee,2010-06-10 This research guide provides detailed information on over one thousand publications and websites concerning the American composer Charles Ives With informative annotations and nearly two hundred new entries this greatly expanded updated and revised guide offers a key survey of the field for interested readers and experienced researchers alike

**The Canterbury Tales** Geoffrey Chaucer,2005-04-07 At the Tabard Inn in Southwark a jovial group of pilgrims assembles including an unscrupulous Pardoner a noble minded Knight a ribald Miller the lusty Wife of Bath and Chaucer himself As they set out on their journey towards the shrine of Thomas a Becket in Canterbury each character agrees to tell a tale The twenty four tales that follow are by turns learned fantastic pious melancholy and lewd and together offer an unrivalled glimpse into the mind and spirit of medieval England

Olivier Messiaen Vincent Benitez,2007-11-13 Olivier Messiaen A Research and Information Guide is a unique bibliographical resource that presents the reader with the most significant and helpful resources on Olivier Messiaen one of the twentieth century s greatest composers published between 1930 and 2007 An introductory chapter offers a short biography of Messiaen a consideration of his musical style and works and a discussion of Messiaen studies Chapters 2 and 3 concentrate on the primary literature organized around manuscript collections articles and reviews pedagogical works lectures and librettos prefaces interviews correspondence and documentaries and filmed performances Chapters 4 through 9 focus on the secondary literature namely biographical and stylistic studies topical examinations discussions of particular works accounts of Messiaen in works devoted to other topics reviews of books and significant performances of Messiaen s music and examinations of source materials on the Internet A list of works and a selected discography conclude the book

*Divine Madness* Lars Elleström,2002 This book provides a theory that enables the concept of irony to be transferred from the literary to the visual and aural domains Topics include the historical roots of the concept of irony as modes of oral and literary expression and how irony relates to spatiality

*A Bibliography on the Relations of Literature and the Other Arts*,1979

**The Art of Teaching Music** Estelle R. Jorgensen,2024-06-06 The Art of Teaching Music takes up important aspects of the art of music teaching ranging from organization to serving as conductor to dealing with the disconnect between the ideal of university teaching and the reality in the classroom Writing for both established teachers and instructors on the rise Estelle R Jorgensen opens a conversation about the life and work of the music teacher The author regards music teaching as interrelated with the rest of lived life and her themes encompass pedagogical skills as well as matters of character disposition value personality and musicality She reflects on musicianship and practical aspects of teaching while drawing on a broad base of theory research and personal experience Although grounded in the practical

realities of music teaching Jorgensen urges music teachers to think and act artfully imaginatively hopefully and courageously toward creating a better world     Music, Books on Music, and Sound Recordings Library of Congress,1983     Short Studies in the Nature of Music Herbert Antcliffe,2025-06-01 Short Studies in the Nature of Music 1920 examines the origin and nature of music prompting lines of thought for greater analysis It touches on human nature the arts and their importance to human life and the sciences of psychology and sociology     **Literature Criticism from 1400 to 1800** ,2005

**Writings about John Cage** Richard Kostelanetz,1996 Distinguished composers performers and critics offer views of one of the most important figures in twentieth century music     *Directory of Renaissance Scholars in the United States* ,1982

Journal of the American Musicological Society American Musicological Society,1980     **Aspects of Early Music and Performance** Audrey Ekdahl Davidson,2008 This collection draws together twelve of the best essays related to early music some never before published by the influential musician and music scholar Audrey Ekdahl Davidson Davidson s insightful studies of the works of composers such as Palestrina John Dowland Henry Lawes and Hildegard of Bingen appear alongside equally impressive analyses of anonymously composed pieces including the Planctus Mariae from Cividale del Friuli in Italy the Ludus Danielis from the Beauvais Cathedral in France and the Danish vernacular work known as the Roskilde St John Passion Edited by literary scholar Clifford Davidson Aspects of Early Music and Performance also displays Audrey Davidson s skills as critic of English Renaissance texts with carefully considered examinations of works by Milton Sir Philip Sidney and George Herbert as well as an important reconsideration of the Alma redemptoris mater sung by Chaucer s little clergeon At one time a professional solo soprano and the founder and longtime director of her own early music group Davidson also writes compellingly about practical and theoretical issues related to the performance of early music especially vocal music Taken together these pieces will provide musicologists and performers as well as students of literature with important information and fresh insights into a diverse and compelling musical tradition and the cultural and religious conditions that helped shape it Publisher
