Awakening the Power Within Gordana Savic,2024-02-10 *Awakening the Power Within Unleash Your True Potential and Transform Your Life* I have previously written about the importance of inner strength in our lives When I started writing this book a year ago my intention was to share exactly that finding strength within oneself especially in difficult moments is crucial When a person discovers it and becomes aware of it it greatly helps them Equally

important is to show others that it is possible using one's own example of going through various challenges and life truths to expand one's strength. This means that others can improve their lives, ease situations, etc. using certain methods. A year later when it was completed, it helped me a lot in dealing with much more serious life obstacles. It is written from personal experience as a way of struggle, reflection, life experience, and collaboration with different mentors from various areas of life. The book consists of three sections. The first identifies obstacles to our personal development, the second deals with overcoming them, and the third is the place where we want to be for the well-being of ourselves and those around us. The journal complements the book, providing practical examples, self-reflection, introspection, and space for you to answer what concerns you. The text in the book not only provides solutions but also the mindset of overcoming challenges, self-improvement, thinking, working on oneself, seeing things from different perspectives. It gives guidelines on what to work on, overcome, where to focus and work, what to pay attention to, and the possibility of finding that strength. The sources from which you find them are within you, and it all comes down to merging within you. By awakening strength within oneself, each of us connects with our source, whether it's God, the Universe, divine force, energy, nature, or oneself. Ebook is now only available online. The printed version may come later.

Pranic Healing Luan Ferr, 2024-06-21 Discover the transformative power of pranic healing and dive into a universe where vital energy is the key to health and well-being. **Pranic Healing: The Power of Vital Energy** is the definitive guide for those wishing to explore the ancient and modern practices of manipulating prana, the life force that sustains life. In this book, the author reveals the secrets of energy healing from basic concepts to advanced techniques of energy cleansing, energizing, and stabilization. Ideal for beginners and experienced practitioners, this work offers a clear and accessible path for all who wish to improve their physical, emotional, and spiritual health. With engaging language and practical examples, you will learn to detect and remove energy blockages, restoring balance and promoting holistic well-being. Discover how meditation, pranic breathing, and the use of crystals can transform your life, providing a deeper connection with your own energy and the universe around you. Why choose this book? **Deep Understanding**: Dive into the world of prana and understand how it influences all aspects of your life. **Practical Application**: Easy-to-follow techniques that can be immediately applied to improve your health and well-being. **Holistic Approach**: An integrated vision that considers body, mind, and spirit, promoting complete and lasting healing. **Universal Access**: Regardless of your experience or beliefs, this book is an open invitation for all who seek personal transformation. If you are on a self-healing journey or wish to help others achieve a state of balance and harmony, **Pranic Healing: The Power of Vital Energy** is the resource you need. Join thousands of readers who have already discovered the benefits of pranic healing and start your energy transformation today.

The Enlightenment Process Judith Blackstone, 1997 This controversial book offers another view on spirituality, one which maintains that we simultaneously uncover our authentic selfhood and awaken our sense of universal connection as we experience the enlightenment process. Blackstone writes from the unique perspective of a psychotherapist who is also a

body work practitioner with a deep understanding of spiritual practice
