Chinatown Gun Kun Lee,2013-01-24 This novel relates stories of new Chinese immigrants living in New York United States After China adopted the policy of reform and opened up to the outside world in the early 1980s large numbers of Chinese went abroad and settled in the United States a paradise they had dreamed of to go to Chinatown was chosen by most of these new immigrants as their settlement where they live and work Chinatown is a place in the high and low were mixed together The underworld stops at no evil nothing They carry on extortions and organize the criminal activity of illegal immigration and brutal and bloody fights and killings between factions The novel tells several new immigrant families each of them has different experience in China's mainland after coming to U S A in order to realize that American Dream many of them worked hard day and night full of entrepreneurial spirit and some started their own business from scratch They want to train their children to become a useful person enduring all kinds of hardships place hopes on them But in fact some children did not take their study seriously and some even went so far as to sink into degradation or even crimes Thus the American dream of some new immigrants shattered into pieces A family of Wang Ming's is an example among them Father's soul is hurt Son's body is injured so they have to get back to the hometown to cure their suffering This novel has stories that are vividly depicted intricately plotted and sometimes breathtaking *Arresting the Hockey Player* Willow Fox,2023-12-05 He never expected the girl whose heart he stole would get him put behind bars Everyone has secrets Mine should have come with a warning label May cause heartache and emotional trauma I've only ever been in love once She ripped my heart out when she dumped me and married another player in the league After a perfect night with Charlotte and an incredible first date my disastrous ex girlfriend shows up on my doorstep in the middle of the night I shouldn't let her in I ought to chase her away but it's the two foot blue eyed little boy that has me awestruck And he might be my son Professional hockey player yes Father I'm waiting on the paternity test to find out the results No one knows about him Not my best friends Not my team And certainly not my new girlfriend Charlotte She's perfect At least she seems that way until she calls the cops and gets me dragged off to jail And now I can't forgive her *Arresting the Hockey Player* is the third book in the Ice Dragons series but can be read as a standalone No cheating No cliffhanger HEA **Journeys to the Heart of Baltimore** Michael Olesker,2015-08-01 In *Journeys to the Heart of Baltimore* veteran journalist Michael Olesker writes of Baltimore's melting

pot in all its rollicking sentimental good natured and chaotic essence The stories come from neighborhood street corners and front stoops playgrounds and school rooms churches and synagogues and families gathered around late night kitchen tables The D'Alessandro political dynasty comes to life here and so do Lenny Moore and Artie Donovan of the legendary Baltimore Colts The old East Baltimore ethnic enclaves nurture youngsters named Barbara Mikulski and Ted Venetoulis and out of West Baltimore comes the future Afro American newspaper publisher Jake Oliver Journeys to the Heart of Baltimore is a delightful reminder of the nation's ethnic and racial mosaic home to a future governor named Martin O'Malley and a future U.S. Representative named Dutch Ruppersberger Boys from Baltimore's Little Italy like John Pica go off to fight a war in Italy when they know their allegiance is being tested And a city struggles through racial convulsions remembered by those such as John Steadman and Father Constantine Sitaris
