Sophie Giles,2015-01-15 Help your children to discover what they need to discover and understand what they need to know about starting and getting on well at school Great re usable stickers bring extra fun to every topic and encourage children to look at the pictures carefully learn from the characters and see how important success is in their own lives Use the gold stickers to praise and encourage your child s progress and the special wipe clean reward chart to record successes

Optimizing Student Success in School with the Other Three Rs Robert J. Sternberg,Rena F. Subotnik,2006-06-01 The Other Three R s model began as an American Psychological Association APA initiative sponsored by Robert J Sternberg IBM Professor of Psychology and Education at Yale University and Past President of the APA For both this initiative and this edited volume Sternberg assembled a diverse team of experts who identified reasoning resilience and responsibility as three learnable skills that when taken together have great potential for increasing academic success The authors of this volume present in detail their evidence based arguments for promoting TOTRs in schools as a way to optimize student success

Can Every School Succeed? Brian K. Creasman,Jesse Bacon,David Franklin,2018-03-13 The goal of Can Every School Succeed is to aid school leaders in the process of transforming today s schools The book is based on principles that the authors have developed as school leaders through their experience in transforming low performing schools into high achieving schools Many schools begin the transformation process only to fail because they do not identify and communicate the goals for change As schools continue to struggle with the many complexities that they face transformation is needed In response to this this book offers school leaders practical transformation principles that will ensure the transformation process is simple concise and remains focused on creating the best learning environment for students **Navigating High**
