Success And The Christian The Cost And Criteria Of Spiritual Maturity:

Success and the Christian A. W. Tozer, 2006-11-30 Success and the Christian is a compilation of A W Tozer sermons on the subject matter of spiritual maturity both its cost and criteria for the believer The overall purpose of this collection is to promote the personal heart religion among God s people something Tozer consistently emphasized Knowing God deeply and intimately brings purpose and meaning to life and should be the Christian s highest goal So what holds us back from authentic spiritual success A W Tozer contends that it is the excess baggage that most Christians carry that prevents them from going further with God In this insightful and prophetic book Tozer shows how we can recognize and clear away the stumbling blocks that keep us from a dynamic relationship with our Savior Education Is Discipleship: So Who's Really Discipling Your Kids? Dr. Christy Anderson, 2016-06-05 This book demonstrates how and why biblical discipleship has been abandoned by a significant majority of Christian parents and church leaders A catastrophic failure to fulfill the Great Commission to make disciples who can effectively pass on the Good News sound doctrine and a biblical worldview to future generations is the result The adoption of secular philosophies of education age segregation the creation of adolescence the formation of youth ministry the adoption of a teen subculture and a fundamental rejection of practical aspects of the doctrine of sola Scriptura are at the heart of the problem Warnings from Christians who wrote on this topic over the past 150 years have now become a manifest reality with devastating results The only way to overcome this discipleship cataclysm is to go back to a biblical philosophy of education both in the home and in the church **No Love So Sure** Paul Francis Lanier, 2003-10 People who Shaped the Church Todd Temple, Kim Twitchell, 2000 People Who Shaped the Church examines in detail the lives of Christians who profoundly shaped the church of the twentieth century Accounts of faith and faithfulness in adversity demonstrate the sovereignty of God From Brother Andrew to Mother Theresa from Billy Sunday to Bill Hybels readers will be inspired by these lives and their impact on the church **The Popular Encyclopedia of Christian Counseling** Tim Clinton, Ron Hawkins, 2011-09-01 Seasoned counselors and professors Tim Clinton and Ron Hawkins provide a landmark reference that offers a capstone definition of the emerging profession and ministry of the Christian counselor Appropriate for professional counselors lay counselors pastors students and teachers it includes nearly 300 entries by nearly 100 top Christian counselors At approximately 500 pages this practical guide focuses on functional aspects of Christian counseling and explores such important topics as Christian counseling as a profession ministry and lay ministry Spiritual and theological roots Social emotional and relational issues Skills and essentials in Christian helping Ethical and legal considerations Intake assessment diagnosis and treatment planning Premarital counseling family therapy and substance abuse Counselors will also find up to date information on solution based brief therapy cognitive therapy and biblical truth and trauma and crisis intervention An essential resource for maintaining a broad and up to date perspective on helping others **Paperbound Books in Print 1995** Reed Reference Publishing, R5ference Reed, 1995-12 Bulletin of
