Textbooks & Serials in Print, 2003 ,2003 *New to the LSP classroom? A selection of monographs on successful practices* Martina Vránová,2023-05-23 As Languages for Specific Purposes have always been defined as student oriented the rationale behind this volume is to use the rather neglected niche of the other necessary agent of language instruction and thus focus on the LSP practitioner This turn towards the instructor has been motivated by the fact that a great number of LSP practitioners enter their jobs without previous expertise They lack LSP education or they may not even have a background in applied linguistics This motivation has proven valid as many of the volume's contributors have faced this particular situation in their professional lives For insights into the LSP field and guidelines on the best practices they must rely on their colleagues who offer to share their experience through workshops conferences or papers which is what this volume provides The primary goal of this volume is to present considerations of what challenges LSP practitioners face and should be prepared for in their jobs and to provide practice tested methodological guidelines on such demanding teaching techniques as blended and flipped learning or tandem learning All papers have been written by LSP practitioners and researchers in higher education Thus this volume provides both guidance and self reflection In other words it is written by experienced LSP practitioners for aspiring LSP practitioners about how they see themselves and what effort they make to meet the challenges of their jobs As proof that LSP practice is a global challenge papers have been collected from many European countries the USA Uruguay Even though most papers are naturally concerned with English being the lingua franca of today the collection also features guidelines for teaching Spanish French and Dutch for specific purposes Moreover the target disciplines these languages are taught for encompass business engineering sociology or medicine thus supporting the assumption of the universal character of problems LSP practitioners deal with **The Enrich English Coursebook 7**
