*Effective Group Work in Primary School Classrooms* Peter Kutnick, Peter Blatchford, 2013-06-22 This book offers a challenge to traditional approaches to classroom teaching and

pedagogy The SPRinG Social Pedagogic Research into Groupwork project part of a larger research programme on teaching and learning funded by the Economic and Social Research Council ESRC was developed to enhance the learning potential of pupils working in classroom groups by actively involving teachers in a programme designed to raise levels of group work during typical classroom learning activities Internationally the SPRinG project is the largest evaluation of effective group working methods in comparison to traditional teaching with findings that show raised levels of pupil achievement and a doubling of sustained active engagement in learning The opening chapters present arguments regarding the relationship of social interaction and children s cognitive development and examine theories that explain why social interactional processes should be integrated into primary school pedagogic practices Next the book describes the conceptual and methodological basis for the SPRinG studies especially its focus on the relational approach the type of involvement of teachers and classroom planning Further chapters present key results and describe the background and methods used to establish SPRinG based effects on pupil progress in mathematics literacy and science including both macro and micro assessments how the SPRinG approach affected pupil pupil interactions and teacher pupil interactions as measured by systematic on the spot observations and analyses of videotapes of groups working on specially designed tasks work and effects on pupil self completed measures of motivation and attitudes to group work The book also analyses reflections of teachers who have worked with SPRinG moving from theory to practice as well as adding insights associated with implementing SPRinG principles in schools Drawing upon developmental psychological socialpsychological and classroom research it develops a new and ambitious social pedagogic approach to classroom learning with a stress on group work which will be of interest to researchers teachers and policy makers This book includes contributions from Andrew Tolmie and Ed Baines who were also involved in the ScotSPRinG and SPRinG projects

Group Work Bradley T. Erford, 2018-04-17 The overriding theme of *Group Work Processes and Applications* is a focus on the specialized group work that counselors perform from a systemic perspective in a multicultural context This text briefly covers traditional theoretical approaches focusing more on the techniques and applications of the approaches but the core of the text involves the systemic approach to group work preparing group leaders to facilitate the systemic group process from planning the group through the four stages of group work forming and orienting transition working and termination The content is aligned with 2016 CACREP standards Numerous other techniques covered are linked with specific theoretical orientations PowerPoints and Instructor s manual are on the way and should be available in the next 2 3 months

**Solution-Focused Groupwork** John Sharry, 2007-10-25 *Solution Focused Groupwork* 2001 was a major contribution to the literature on groupwork It has been one of this author s most influential books The Second Edition contains much new material including the uses of problem talk an activity normally avoided by solution focused therapists Preparation for groups client motivation and collaboration are all explored in detail The role of or necessity for social time to be built into the therapy model is an interesting and novel idea Suggestions are made for client evaluation and for creative

exercises to enhance the group process All in all the result is a valuable and readable new edition Dr Alasdair J Macdonald Enlightening clearly written and helpfully presented The book echoes what Solution Focused Groupwork is all about being practical and optimistic about human potential David Jaques Author of Learning in Groups A fund of practical wisdom which will give confidence and encouragement to everyone trying to run groups along solution focused lines Bill O Connell Focus on Solutions Limited Birmingham John Sharry has drawn on a combination of extensive experience in running groups and a thorough understanding of current developments to produce an inspiring and practical guide to this powerful way of helping people to change I have recommended the first edition many times and have been sharing the good news of this new edition ever since I knew it was under way John Wheeler MA UKCP Registered Family Therapist Social Worker and Independent Trainer Sharry's book offers a persuasive alternative to traditional methods of group practice The new edition enhances the applicability of an already major contribution to solution focused practice It is obviously written from a real practitioner who understands the process and elements of group work He offers excellent case material throughout to help demonstrated the skills and values of this approach and does so in a readable and engaging manner suitable for students and professionals at all levels of expertise Professor Robert Blundo Ph D LCSW Strengths Collaborative Department of Social Work University of North Carolina Wilmington Wilmington NC U S A This slim tautly written volume disguises an enormously practical treasure store to help group facilitators Solution Focused Groupwork should be essential reading Barbara Wilson Family Mediation in Practice Solution Focused Groupwork Second Edition is a highly practical guide for all professionals who use groups to help people For those new to the solution focused approach it provides a clear step by step introduction while for more experienced practitioners it presents ideas and techniques which can be readily integrated into existing practice Using carefully selected case studies John Sharry takes readers through the various stages in the therapeutic process from getting started to the final session He also provides creative exercises for use in practice guidance on evaluating the outcomes of group work and a new model for group supervision A real strength of the book is in showing practitioners how to create a constructive positive and solution focused group culture and how to maintain this culture in spite of the challenges tensions and difficulties that naturally arise within groups John Sharry is a Principal Social Worker in the Department of Child and Family Psychiatry Mater Hospital and part time Director of the Brief Therapy Group Private Practice and Consultancy
