## **Successful Project Managers Leading Your Team To Success:**

**Successful Project Managers** Jeffrey K. Pinto, Om Prakash Kharbanda, 1995-01-01 A successful project manager is one who can motivate team members to work together by contributing equally and amicably to the project's success. This book shows managers how to do this and more by providing tips and exercises for effective team building, time management, meeting management, and the management of diverse personalities within the workgroup. A must read for anyone with project management responsibilities. **Steps to Successful Project Management**, 2005 **Project Management**

**Casebook: Instructor's Manual**, 2016-03-01 Each of the cases provides new and unique challenges that have been mastered by the practice of project management. Readers will be able to apply the knowledge learned from this casebook in their work. The cases enable readers to see how and why projects are used in a wide variety of organizational settings in contemporary life. Readers are exposed to both successful and not so successful project management practices. The case study approach encourages reader participation and active learning and provides the opportunity to learn something of the real world of project management. It is essential in the curricula of project management training for both undergraduate and graduate students as well as for continuing education, consulting, and in-house company training programs. The cases were chosen for their importance in discussing the fundamentals of project management. Most contain descriptions of actual projects and each is followed by a series of questions to guide readers' analysis of the article to maximize the learning process.
