Successfully Single How To Live Alone And Like It:

Successfully Single Betty Jane Wylie,1986 *Together Again* Betty Steele,1991-03-03 In this lively book Betty Steele argues that feminism has had its day that men and women once again are drawing towards one another seeking new understanding and reconciliation She writes that men and women today are admitting that they are looking for love and sex that spring from friendship a slow growth of trust and an affinity of the spirit which together can lead to a lifetime commitment Meanwhile mothers are realizing that motherhood on the run is a shabby excuse for the real thing that one hour or so a day of quality time with their children is not enough and is shortchanging the next generation Beyond its incisive analysis and documentation *Together Again* offers hope that bridges can be built between the sexes towards a happier healthier society in the 1990s *Pink Think: Becoming a Woman in Many Uneasy Lessons* Lynn Peril,2002-10-17 Vividly illustrated with photos of vintage paraphernalia this entertaining social history revisits the nostalgic past but only to offer a refreshing message to women who lived through those years as well as those who are coming of age now 45 b w illustrations of color *Single Women in Popular Culture* A. Taylor,2011-11-25 *Single Women in Popular Culture* demonstrates how single women continue to be figures of profound cultural anxiety Examining a wide range of popular media forms this is a timely insightful and politically engaged book exploring the ways in which postfeminism limits the representation of single women in popular culture *The Cocktail Parlor* Nicola Nice,2024-04-23 Winner of the Spirited Award for Best New Book on Drinks Culture History or Spirits James Beard Award Finalist in Beverage with Recipes An Imbibe Holiday Gift Guide Pick A Saveur Best Narrative Food Book of 2024 Meet the hostesses who have shaped cocktail history and learn how to make the drinks they loved Throughout American history women have helped propel what we know as classic cocktails the Martini the Manhattan the Old Fashioned and more into popular culture But often excluded from private clubs women exercised this influence from the home in their cocktail parlors In *The Cocktail Parlor* Dr Nicola Nice sociologist and spirits entrepreneur gives women their long overdue spotlight in cocktail history and shows how they still impact cocktail culture today Journeying through the decades this book profiles a diverse array of influential hostesses With each historic era comes iconic recipes featuring a total of 40 main cocktails and more than 100 variations that readers can make at home Whether its happy hour punch la Martha Washington or a Harlem Renaissance inspired Green Skirt readers will find that many of the ingredients and drinks they re familiar with today wouldn t be here without the hostesses who served them first **Seeking Love in Modern Britain** Zoe Strimpel,2020-03-05 *Seeking Love in Modern Britain* charts the emergence of the modern British single through an account of the dating industry that sprang up to serve men and women It shows how amid a period of unprecedented sexual and social change the single became a key unisex identity and lifestyle From around 1970 a growing cottage style matchmaking industry in Britain was offering the romantically solo a choice between computer dating firms such as Dateline or Computate introduction agencies and the lonely hearts pages of Private Eye Time Out and others Zoe

Strimpel reveals how this rapidly expanding landscape of services was catering to a new breed of single people and how by the late 1990s singleness had become the culturally mainstream wholly expected part of the romantic life cycle that it is today Refuting the widespread idea that the Internet invented modern dating this book uses an eclectic and engaging range of first person accounts and snapshots from the time to show that the story of contemporary romance mediated courtship and singleness began in a time long before Tinder

Alonement Francesca Specter, 2021-03-04 A Sunday Times Book of the Year A hugely generous and thoughtful book which reminds us of the distinction between loneliness on the one hand and solitude on the other and emphasises the dignity and adventure of a life lived on one's own terms ALAIN DE BOTTON A kind wise celebration of solo living a joyous invitation to make your own declaration of independence DAISY BUCHANAN Thoughtful and thought provoking it made me genuinely excited about spending time in my own company FELICITY CLOAKE How to be alone and absolutely own it by founder of the Alonement blog and podcast Francesca Specter Being alone has a serious branding issue We've only ever had negative language to talk about flying solo but what about when time spent alone is restorative and joyful What if it's something you crave What if it's even just an hour you've carved out for yourself in the middle of a hectic week Enter Alonement Francesca Specter's empowering new word to express valuing your own company and dedicating quality time to yourself whoever you are and whatever your relationship status Between shared homes social plans and smartphone addictions most of us don't know how to be alone yet our life long relationship with ourselves is the most important one we'll ever have A reformed extreme extrovert who struggled to spend even an hour on her own Francesca made the resolution in January 2019 to improve her solitude skills A year later facing months of lockdown as a household of one she valued those skills more than ever and began sharing her wisdom with others on how to cherish time alone Packed with practical tips insights from key experts and lessons from guests of the Alonement podcast including Alain de Botton Florence Given Konnie Huq Vick Hope and Camilla Thurlow Francesca reveals how we can all thrive alone whatever our circumstances and harness the untapped power of some meaningful time with me myself and I

Women and Work Christine Leiren Mower, Susanne Weil, 2010-08-11 While issues surrounding women and work may be more subtle today than in the past problems of workplace equity child rearing and domestic labor pose problems of balance that continue to evade solution as women today face substantial shifts in the meanings and practices of marriage work and reproduction amid a globalized economy The essays in Women and Work The Labors of Self Fashioning explore how nineteenth and twentieth century US and British writers represent the work of being women where work is defined broadly to encompass not only paid labor inside and outside the home but also the work of performing femininity and domesticity How did nineteenth and twentieth century US and British writers revise then contemporary social assumptions about who should be performing work and for what purpose How fully did these writers perceive the class implications of their arguments for taking jobs outside the home How does work both inside and outside the home contribute to female identity and conversely

how does it promote what legal theorist Kenji Yoshino terms the demands of covering women's strategic use of stereotypes of femininity and masculinity to succeed in the marketplace In articles appropriate for both upper level undergraduate and graduate students in literature and literary history women's studies feminist and gender studies contributors engage these questions covering both canonical and popular middlebrow nineteenth and twentieth century writers such as Gilman Cather Alcott Schreiner Wharton Le Sueur Gissing Wood Lewis and Mitchell Women and Work will also interest scholars concerned with this developing discourse *Living Alone Creatively* Stanley Ely, 2006-06 Millions of Americans are living fulfilling lives without partners today This book profiles twelve Singles be prepared to be inspired uplifted and validated by reading this book It shows the single lifestyle as contrary to popular opinion an opportunity to live a meaningful and fulfilling life Jean Zartner Author of *Upside of Being Single* Living alone does not mean being isolated as Stanley Ely illustrates in these fascinating interviews with a diverse group of people Here we get to know how single people stay connected and remain involved with their passions and interests Read their stories see how they create full lives and get ideas that you can use to enrich your own life Peter M Nardi Ph D Professor of Sociology and author Pitzer College If anyone has a lingering regret about not sharing his life with another Stanley Ely's true stories will dispel that cloud Anyone without a partner can use this book to find a way through the forest or reinforce the path already taken Pauline Graivier The Dallas Morning News columnist and personal communications consultant *A History of Women in 101 Objects* Annabelle Hirsch, 2024-03-05 Discover the hidden history of women and the world through this visual exploration of intimate objects and the surprising sometimes shocking stories behind them I adored this book Olivia Colman This is a neglected history Not a sweeping definitive exhaustive history of the world but something quieter more intimate and particular a single journey picked out in 101 objects through the fascinating manifold and too often overlooked histories of women With engaging prose compelling stories and a beautiful full page image of each object Annabelle Hirsch's book contains a curated and diverse compendium of women and their things uncovering the thoughts and feelings at the heart of women's daily lives The result is an intimate and stirring alternative history of humans in the world The objects date from prehistory to today and are assembled chronologically to show the evolution of how women were perceived by others how they perceived themselves how they fought for freedom Some like a sixteenth century glass dildo are objects of female pleasure some a thumbscrew of female subjugation These are artifacts of women celebrated by history and of women unfairly forgotten by it With variety and nuance *A History of Women in 101 Objects* cracks open the fissures of what we think we know in order to illuminate a much richer retelling What do handprints on early cave paintings tell us about the role of women in hunting How is a cell phone related to femicides What does Kim Kardashian's diamond ring have to do with Elena Ferrante Wide ranging subversive witty and superbly researched this is a book that upends all our assumptions about and presentations of the past proving that it has always been as complicated and fascinating as the women who peopled it [Happy Habits for Successful Women](#)

Valorie Burton, 2026-01-06 Happiness Doesn't Just Feel Good It Actually Leads to More Success Research shows happier women are more likely to succeed professionally enjoy deeper relationships improve their health and live longer Yet despite having more education money and opportunities than ever women's happiness has dropped while anxiety has risen So what's missing and how do you reclaim your joy In *Happy Habits for Successful Women* bestselling author Valorie Burton reveals that happiness isn't just a feel good emotion it's a key to your success She unpacks 13 research based happiness triggers practical choices that boost your joy now even amid packed schedules parenting marriage dating and world stress Through these habits you'll learn to Bounce back faster from stress and adversity Find greater satisfaction in your relationships Maximize career success and increase income Strengthen your immune system and mental health Live longer with more purpose and joy Join thousands of women who are breaking the cycle of burnout and choosing habits that lead to lasting happiness It's time to take control of your well being starting now Canadiana, 1986 *Gender, Age and Musical Creativity* Catherine Haworth, Lisa Colton, 2016-03-03 From the perennially young precocious figure of little orphan Annie to the physical and vocal ageing of the eighteenth century castrato interlinked cultural constructions of age and gender are central to the historical and contemporary depiction of creative activity and its audiences *Gender Age and Musical Creativity* takes an interdisciplinary approach to issues of identity and its representation examining intersections of age and gender in relation to music and musicians across a wide range of periods places and genres including female patronage in Renaissance Italy the working class brass band tradition of northern England twentieth century jazz and popular music cultures and the contemporary New Music scene Drawing together the work of musicologists and practitioners the collection offers new ways in which to conceptualise the complex links between age and gender in both individual and collective practice and their reception essays explore juvenilia and late style in composition and performance the role of public and private institutions in fostering and sustaining creative activity throughout the course of musical careers and the ways in which genres and scenes themselves age over time A woman's place? Ciara Meehan, 2023-02-28 This book explores representations of the domestic in Irish women's magazines Published in 1960s Ireland during a period of transformation they served as modern manuals for navigating everyday life Traditional themes dating marriage and motherhood dominated But editors also introduced conflicting voices to complicate the narrative Readers were prompted to reimagine their home life and traditional values were carefully subverted The domestic was shown to be a negotiable concept in the coverage of such issues as the body and reproductive rights working wives and equal pay Dominant societal perceptions of women were also challenged through the inclusion of those who were on the margins widows unmarried mothers and never married women This book considers the motivations of editors the role of readers and the influence of advertisers in shaping complex debates about women in society in 1960s Ireland No Stopping Us Now Gail Collins, 2019-10-15 The beloved New York Times columnist inspires women to embrace aging and look at it with a new sense of hope in this lively fascinating eye opening look at women

and aging in America Parade Magazine You re not getting older you re getting better or so promised the famous 1970 s ad for women s hair dye Americans have always had a complicated relationship with aging embrace it deny it defer it and women have been on the front lines of the battle willingly or not In her lively social history of American women and aging acclaimed New York Times columnist Gail Collins illustrates the ways in which age is an arbitrary concept that has swung back and forth over the centuries From Plymouth Rock when a woman was considered marriageable if civil and under fifty years of age to a few generations later when they were quietly retired to elderdom once they had passed the optimum age for reproduction to recent decades when freedom from striving in the workplace and caretaking at home is often celebrated to the first female nominee for president American attitudes towards age have been a moving target Gail Collins gives women reason to expect the best of their golden years **Vogue** ,1936 Canadian Books in Print ,1995 *Celebrating the Single Life* David Yount,2009-02-24 American society is no longer defined by marriage Today an increasing majority of American households are headed by single men and women Even those Americans who do marry spend at least half of their adult lives alone Living on one s own presents unique challenges depending on one s age health and circumstances So the script for successful single living calls for different strategies for young adults the recently divorced single parents and those widowed or experiencing single life in later adulthood Here Dr Yount considers each group s special needs and challenges and offers a guide for leading a productive rewarding and fulfilling single life Single living he contends requires some core abilities overcoming loneliness reaching out to others developing faith in oneself and self respect keeping up with daily activities and maintaining good health security and a sense of humor This book helps readers learn to celebrate their single status and to find contentment and peace while living on their own These days if you are unmarried and pining for romance you are in a small minority Until recently most Americans considered single life to be a temporary situation during which one would simply wait for a soul mate to come along Those who remained unwed were pitied as bachelors and spinsters No longer These days most single men and women find autonomy in negotiating their way through life by relying on their own resources with marriage remaining one option but not an imperative Even those who do marry are getting married later and those who divorce or are widowed often choose to stay single With this trend toward singlehood increasing affirming the single life and making a success of it becomes all the more important Yount offers advice for creating a gratifying and happy single life at any stage and provides insight into those things that can contribute to a satisfying single lifestyle He pinpoints areas that often get ignored by singles and proposes solutions to some of the pitfalls that can lead to loneliness or unhappiness Leading a fulfilling single life is not only possible it can in fact be rewarding in itself and Yount shows readers how to lead productive and creative lives as modern singles **New York Magazine** ,1985-12-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and

food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Quill & Quire** ,1986
