R. Ritley, 2006-02-01 A lively deep personal look at some of the Old Testament's most powerful and intriguing women From Sarah who was unafraid to nudge God into action to Hagar whose courage and passion founded a nation to Judith a woman and warrior whose faith saved God's people readers will examine the stories of biblical women up close and personal As they to read between the lines readers will learn to use Bible stories to throw light on the stories of their own lives Each chapter will include questions for discussion and reflection making this an ideal parish study book or the perfect volume for Lenten meditation Singled Out Virginia Nicholson, 2008-10-29 Almost three quarters of a million British soldiers lost their lives during the First World War and many more were incapacitated by their wounds leaving behind a generation of women who raised to see marriage as the crown and joy of woman's life suddenly discovered that they were left without an escort to life's great feast Drawing upon a wealth of moving memoirs Singled Out tells the inspiring stories of these women the student weeping for a lost world as the Armistice bells pealed the socialite who dedicated her life to resurrecting the ancient past after her soldier love was killed the Bradford mill girl whose campaign to better the lot of the War spinsters was to make her a public figure and many others who deprived of their traditional roles reinvented themselves into something better Tracing their fates Nicholson shows that these women did indeed harbor secret sadness and many of them yearned for the comforts forever denied them physical intimacy the closeness of a loving relationship and children Some just endured but others challenged the conventions fought the system and found fulfillment outside of marriage From the mill girl turned activist to the debutante turned archeologist from the first woman stockbroker to the business girls and the Miss Jean Brodies this book memorializes a generation of young women who were forced by four of the bloodiest years in human history to stop depending on men for their income their identity and their future happiness Indeed Singled Out pays homage to this remarkable generation of women who changed by war in turn would change society *Into Dusk* Ruth Owen, 2014-03-03 Into Dusk is the powerful story of long lost siblings Jean Barry and Audrey The main character Jean is a middle aged woman who takes on a dramatic life of role play by assuming multiple identities She envisages the kind of person she once hoped to be and acts this out through her fantasy world of ideal characters Always immaculate in appearance she is highly critical of the apparent lack of care and moral shortcomings of others and yet fails to see the irony in her own questionable behaviour In an attempt to drive away her shame at not having fulfilled as she sees it her reproductive purpose in life Jean becomes despondent Since the death of her rational and kind husband Tom and her unrelenting anger at not having had children Jean aches with loneliness She spends her days occupied by menial tasks to

keep her from thinking about her distant younger brother Barry Jean's life had changed when she regretfully became estranged from him despite them being inseparable during their childhood Barry lives in a halfway house as a chef but when he goes to the hospital to work he is challenged by the tempting opportunity to revert back to a life of criminality drugs and alcoholism Their mutual friend Brenda is keen to reunite Jean and Barry but has lost touch with them both Will she be able to find them and reunite them or will time run out before they are reconciled Shame failure and disappointment are prominent motifs that are used throughout the text to engage with the reader whilst taking them on an emotional journey As the characters' flaws are slowly revealed the reader is challenged to decide who to support in this moral predicament
