and his Orchestra

## SUCH SWEET THUNDER

(Dedicated to  
the Shakespearean Festival,  
Stratford, Ontario)

COLUMBIA

STEREO

One of the many surprising things about a suite by Duke Ellington based upon Shakespeare is that the news of this ambitious undertaking has not really surprised anybody. So seasoned are Ellington admirers to his talents, so prepared are they for the unexpected, that the announcements of this suite were greeted with enthusiasm, curiosity, and impatience, but seldom with surprise. It is, of course, idle to speculate upon what might have happened if Ellington and Shakespeare had been contemporaries, but there is no doubt that Duke, who calls himself an "amateur playwright," is a very professional showman. And there is also no doubt that the Bard had rhythm in his soul. The artistic meeting of two great creative men has achieved the results we all hoped for: a new major work by Duke Ellington.

While it is true that Duke visited the Hathaway cottage during his first tour of England in 1933, the spark that ignited Ellington's desire to create a work based upon Shakespeare's characters was his successful appearance at the Stratford Shakespearean Festival in Stratford, Ontario. Thrilled not only by the performances he witnessed there but by the warm welcome extended to him and his band by visitors to the Festival, Duke began to think, then threaten to write a suite. Another major work, his *A Drum Is A Woman*, was then being completed and took precedence over other composition. But once started, the new suite survived one nighters and was rushed to completion in time for the Music for Moderns concert at Town Hall in April 1957. Those who heard *Such Sweet Thunder* introduced will remember its unanimous public and critical acceptance that April Sunday. They will also remember that Duke had not had time to compose the final number in the suite. That number was recorded four days later and is the final selection of this recording.

In Act IV, Scene I, of *A Midsummer Night's Dream* appear the lines: "I never heard so musical a discord, such sweet thunder." Be it Ellington or Shakespeare who leads you to listen to what Duke describes as his "attempt to parallel the vignettes of some of the Shakespearean characters in miniature—sometimes to the point of caricature," such sweet thunder it most certainly is.

*Something to Live For* Walter van de Leur, 2002-01-31 Duke Ellington was one of jazz's greatest figures, a composer and bandleader of unparalleled importance and influence. But little attention has been given to his chief musical collaborator, Billy Strayhorn, who created hundreds of compositions and arrangements for his musical partner and without whom the sound of Ellington's orchestra would have been very different. Now, in Walter van de Leur's provocative new book *Something To Live For*, Billy Strayhorn steps out from Ellington's shadow and into the spotlight. Van de Leur argues that far from being merely a follower of Ellington, or his alter ego, Strayhorn brought a radically new and visionary way of writing to the Ellington orchestra. Making extensive use for the first time of over 3,000 autograph scores, Van de Leur separates Strayhorn from Ellington, establishes who wrote what, and clearly distinguishes between their distinctive musical styles. Both Strayhorn's and Ellington's oeuvres, writes Van de Leur, though historically intertwined, nevertheless form coherent, separate musical entities, especially in terms of harmonic, melodic, and structural design. Indeed, *Something to Live For* allows us to see the characteristic features of Strayhorn's compositions and arrangements, his musical fingerprints, and to analyze and evaluate his music on its own terms. The book also makes clear that Strayhorn's contribution to the band was much larger and more original than has been previously acknowledged. Based on a decade of research and offering detailed analyses of over 70 musical examples, *Something to Live For* casts new light and will surely arouse intense debate on two of the most important composers in the history of jazz.

*The Ellington Century* David Schiff, 2012-01-07 *The Ellington Century* is a wonderful journey through the world of music and art. If you are already an aficionado of Ellington's music, you will enjoy the author's informative and detailed analysis of the composer's work and musical influences. If you are less familiar, this book puts Ellington's music in perspective with the great classical composers of the twentieth century. David Schiff's remarkable insight into the historical and musical parallels between these composers is a delight to read, and his references are vast, from Schoenberg's *Pierrot Lunaire* and Stravinsky's *Agon* to television's *Sesame Street*. Schiff writes with a sense of humor and an enthusiasm for Ellington's music that comes out on every page. George Manahan, Music Director, American Composers Orchestra. David Schiff points us forward, observing that Ellington's music asks us to see with our ears and hear with our eyes.

Writing as a composer and scholar he has a gift for making complex ideas strikingly clear His insights move across a huge terrain of twentieth century culture as he builds bridges in his musical and cultural analysis where many have not seen a connection Yet each musical work each artist is given his or her equal due In this sense he has met the spiritual and cultural challenge of Ellington's life work Marty Ehrlich Composer Instrumentalist Associate Professor of Improvisation and Contemporary Music Hampshire College
