*Visions of Dystopia in China's New Historical Novels* Jeffrey C. Kinkley, 2014-11-18 The depiction of personal and collective suffering in modern Chinese novels differs significantly from standard Communist accounts and many Eastern and Western historical narratives Writers such as Yu Hua Su Tong Wang Anyi Mo Yan Han Shaogong Ge Fei Li Rui and Zhang Wei skew and scramble common conceptions of China's modern development deploying avant garde narrative techniques from Latin American and Euro American modernism to project a surprisingly un-Chinese dystopian vision and critical view of human culture and ethics The epic narratives of modern Chinese fiction make rich use of magical realism surrealism and unusual treatments of historical time Also featuring graphic depictions of sex and violence as well as dark raunchy comedy these novels reflect China's recent history re-presenting the overthrow of the monarchy in the early twentieth century and the resulting chaos of revolution and war the recurring miseries perpetrated by class warfare during the dictatorship of Mao Zedong and the social dislocations caused by China's industrialization and rise as a global power This book casts China's highbrow historical novels from the late 1980s to the first decade of the twenty first century as a distinctively Chinese contribution to the form of the global dystopian novel and consequently to global thinking about the interrelations of utopia and dystopia

**McOndo Revisited** Thomas Nulley-Valdés, 2023-07-25 The Pan Hispanic short story anthology *McOndo* Grijalbo Mondadori Barcelona 1996 edited by the Chileans Alberto Fuguet and Sergio Gmez was envisaged as a forceful contestation of local and global horizons of expectation in Latin American literature still fixated with exoticized and politicized narratives most especially in the magical realist style By drawing on as well as developing a range of theoretical and methodological approaches from World Literature scholarship *McOndo Revisited* reconsiders the literary political and publishing ecologies which gave rise to this anthology This rich context as well as numerous author interviews informs a holistic analysis of its controversial prologue short stories authors and reception As the first comprehensive monograph dedicated to the *McOndo* anthology *McOndo Revisited* rectifies numerous misreadings and reclaims its primarily artistic intentions Its analysis zooms back and forth from the macro to the micro perspective analyzing the artistic trajectories of the authors involved through a complex evaluation of the Latin American literature world as well as individual authors' habitus Considered by many a commercial and critical failure *McOndo Revisited* sheds light on this controversial anthology and demonstrates its role in historicizing the Latin American Literature World and indeed becoming a generation defining anthology even if through a most paradoxical fashion
