**Racing Form** ,1941-04-05      **The Bright Jubilees** S. A. Abakwue,2015-02-06 The Bright Jubilees is the book of four different plays For example we have Fat Frogs and Juicy Toads Fat Frog is a metaphor for a wealthy man And a Juicy Toad is the metaphor for a superrich woman The Great Crusade is a radical change An ex Islamist a Boko Haram became a great evangelist taking the whole America by storm The next play is A Case to Kill Africans Here we have a variety of the global conspiracies And the last play is A Wayo Governor Wayo means a trickster or a major crook The imaginary Wayo Governor did all his wayo politics in his wayo Kobokobo land      *Not By a Long Shot* T.D. Thornton,2007-08-05 The great myth of horse racing is that the game is the regal and royal Sport of Kings It isn t Not by a long shot Anyone who doubts this need look no further than Suffolk Downs a once proud racecourse graced in its glory years by boisterous throngs and champions such as Seabiscuit Now the blue collar East Boston track is one of many that have fallen on hard times These days Sufferin Downs is where grizzled Thoroughbreds come to end their careers hopeful young jockeys aspire against daunting odds to begin them and diehard fans cheer curse and gamble on the entire fascinating spectacle These bit players are not just cogs of a single struggling horse track They are the unseen supporting cast for a 15 billion betting industry In fifteen years as a racing reporter and press box personality T D Thornton gained access to remote corners of racetrack life off limits to the general public He got to know the raucously Runyonesque characters and the quirky personalities of the horses he learned the tricks of the trade from trainers owners and jockeys he witnessed the tragedies and small triumphs of racing lives lived below the radar One recent season he finally decided to write it all down Not by a Long Shot is a deeply textured portrait of an industry where even the best in the business lose 75 percent of the time      **Good News for Common Goods** Wes Markofski,2023 What is the relationship between evangelical Christianity and democracy in America In Good News for Common Goods sociologist Wes Markofski explores how multicultural evangelicals across the United States are addressing race poverty inequality politics and religious and cultural difference in America s increasingly plural and polarized public arena Based on extensive original research on multicultural evangelicals active in faith based community organizing community development political advocacy and public service organizations across the country including over 90 in depth interviews with racially diverse evangelical and non evangelical activists community leaders and neighborhood residents Markofski shows how the varieties of public religion practiced by evangelical Christians are not always bad news for non evangelicals people of color and those advancing ethical democracy in the United States Markofski argues that multicultural evangelicals can and do work with others across race class religious and political lines to achieve common good solutions to public problems and that they can do so without abandoning their own distinctive convictions and identities or demanding that others do so Just as ethical democracy calls for a more reflexive evangelicalism it also calls for a more reflexive secularism and progressivism
