can't wait to read all about them. The author packs this short story with plenty of action and suspense. Do yourself a big favor and be sure to read the entire series. The only drawback I want to read more of this fantastical world building and I want to read it now. Okay, the author really got me on this one; this one surprised the heck out of me. This world and the characters in it are fascinating, and I want more, more, more. I love all the surprises. Falconer and its residents give us good or bad \_\_\_\_.
