**Sufi Saints and State Power** Sarah F. D. Ansari, 1992 **Routledge Handbook of Autocratization in South Asia** Sten Widmalm, 2021-12-30 This handbook offers a comprehensive analysis of the processes and actors contributing to autocratization in South Asia. It provides an enhanced understanding of the interconnectedness of the different states in the region and how that may be related to autocratization. The book analyzes issues of state power, the support for political parties, questions relating to economic actors and sustainable economic development, the role of civil society, questions of equality and political culture, political mobilization, the role of education and the media, as well as topical issues such as the Covid pandemic, environmental issues, migration and military and international security. Structured in five sections, contributions by international experts describe and explain outcomes at the national level in India, Pakistan, Bangladesh, and Sri Lanka. The final section analyzes conditions for democracy and autocratization and how they are affected by the interplay of political forces at the international level in this region: India building an ethnic state, Pakistan the decline of civil liberties, Bangladesh towards one party rule, Sri Lanka the resilience of the ethnic state. How to comprehend autocratization in South Asia: three broad perspectives. This innovative handbook is the first to describe and to explain ongoing trends of autocratization in South Asia, demonstrating that drivers of political change also work across boundaries. It is an important reference work for students and researchers of South Asian Studies, Asian Studies, Area Studies, and Political Science. Loin des habituels lieux communs sur les guerres ethniques, ce livre a pour but de montrer comment une société essentiellement rurale et non industrielle a connu une mutation accrue et par la guerre. En particulier, l'échec des projets modernistes communiste et islamiste a permis l'émergence en 1994 du mouvement des Talebans qui ont su capitaliser la lassitude de la population pour instaurer un état fondamentaliste dominé par les religieux. Le nouveau pouvoir par un illusoire retour au passé tente aujourd'hui d'imposer un ordre moral puritain, une société rigide donnant une forme inédite aux processus de modernisation qui inéluctablement s'affirment.

**Forthcoming Books** Rose Arny, 1992. Muhammad Iqbal's Romanticism of Power Stephan Popp, 2004. English Summary. This book is a research on the Persian poetry of Muhammad Iqbal whom Pakistan chose as its national poet. It specifies the position of these poems between tradition and modernity as well as the appeal of these poems to Iqbal's contemporaries. Based on structural text analysis, aesthetics of reception and the semiotics of Umberto Eco, it proves that the message of the poems in *Message of the East* and *Persian Psalms* is clearly romantic. This romanticism is an adaptation of national romanticism and can be named a pan-Islamic romanticism of power as opposed to nature romanticism. The traditional forms of the poems turn out to be mere tools to render this message plausible. Using traditional rhetorics in order to convey a thoroughly modern content, Iqbal succeeded in attaching the Muslims of India to the discourses of pan-Islamism and self-governance and in motivating them for joining India's independence movement.

German Description: Dieses Buch untersucht die Position der persischen Lyrik des pakistanischen Nationaldichters Muhammad Iqbal zwischen Tradition und Moderne und versucht die Wirkungsweise dieser Gedichte darzustellen. Es legt auf der Basis von strukturalistischer Textanalyse, Rezeptionsästhetik und Umberto Ecos Semiotik dar, dass die Botschaft der beiden Gedichtbände *Message of the East* und *Persian Psalms* sehr eindeutig nationalromantisch, genauer umma romantisch ist und die traditionellen Formen nur dazu dienen, diese Botschaft dem indisch-islamischen Leser plausibel zu machen. Mit dieser Poesie hat Iqbal die Muslime Indiens an die Diskurse des Panislamismus und der Selbstbestimmung angeschlossen und sie zur Mitarbeit an der Unabhängigkeit Indiens motiviert.
