The Addictive Personality Understanding Compulsion In Our Lives:

The Addictive Personality Craig Nakken,1988-09-01 The Addictive Personality Craig Nakken,2009-09-29 Craig Nakken brings new depth and dimension to our understanding of how an individual becomes an addict Since its publication in 1988 The Addictive Personality has helped people understand the process of addiction Now through this second edition author Craig Nakken brings new depth and dimension to our understanding of how an individual becomes an addict Going beyond the definition that limits dependency to the realm of alcohol and other drugs Nakken uncovers the common denominator of all addiction and describes how the process is progressive Through research and practical experience Nakken sheds new light on Genetic factors tied to addiction Cultural influences on addictive behavior The progressive nature of the disease and Steps to a successful recovery The author examines how addictions start how society pushes people toward addiction and what happens inside those who become addicted This new edition will help anyone seeking a better understanding of the addictive process and its impact on our lives **The Self Psychology of Addiction and its**

Treatment Richard B. Ulman,Harry Paul,2013-04-03 In the time of Freud the typical psychoanalytic patient was afflicted with neurotic disorders however the modern day psychotherapy patient often suffers instead from a variety of addictive disorders As the treatment of neurotic disorders based on unconscious conflicts cannot be applied to treatment of addictive disorders psychoanalysis has been unable to keep pace with the changes in the type of patient seeking help To address the shift and respond to contemporary patients needs Ulman and Paul present a thorough discussion of addiction that studies and analyzes treatment options Their honest and unique work provides new ideas that will help gain access to the fantasy worlds of addicted patients The Self Psychology of Addiction and Its Treatment emphasizes clinical approaches in the treatment of challenging narcissistic patients struggling with the five major forms of addiction Ulman and Paul focus on six specific case studies that are illustrative of the five forms of addiction They use the representative subjects to develop a self psychological model that helps to answer the pertinent questions regarding the origins and pathway of addiction This comprehensive book links addiction and trauma in an original manner that creates a greater understanding of addiction and its foundations than any clinical or theoretical model to date **The Sociology of American Drug Use** Charles E.

Faupel,Gregory Weaver,Jay Corzine,2014 Thoroughly revised and updated in its third edition The Sociology of American Drug Use presents a broader sociological perspective on drug use in American society than any other text The authors all sociologically trained criminologists include extensive coverage of various methods and statistics for measuring drug use a topic that is particularly relevant for sociology students The book opens with an examination of the construction of drug use as a social problem setting the stage for the rest of the text The first section addresses basic conceptual methodological and theoretical issues in the study of drug use while the second section analyzes its various social correlates demographic institutional health economic cultural and subcultural and violent and criminal The final section focuses on societal reaction

to drug use with discussions of prohibition decriminalization and legalization policy options and drug treatment drug education and drug testing New to the Third Edition Increased material on legal drugs like salvia and an expanded discussion of the recreational use of prescription drugs including the misuse of such drugs as Adderall OxyContin and Vicodin among college students New and updated Drug Controversies boxes Updated information on the pharmaceutical industry and an expanded discussion of the drug approval process with a new flowchart More in depth discussion of cartels and the current drug violence along the U S Mexican border Greater emphasis on cross cultural issues and perspectives including new material on crime and the American dream drug trafficking to the U S and opium production in Afghanistan and the European roots of harm reduction An expanded discussion of the role of the media and more material on family as a social institution An updated and streamlined glossary and bibliography
