The Adoption Of Innovation By Local Government:

The Adoption of Innovation by Local Government Richard D. Bingham, Thomas P. McNaught, 1976 Se investiga los resultados de la adopción de innovaciones por la admon Local en ee Uu Viviendas del sector publico escuelas bibliotecas y funciones generales del gobierno municipal

The Dynamics on Innovation Adoption in U.S. Municipalities Woosong Jeong, 2013 Research on government innovation has focused on identifying factors that contribute to higher levels of innovation adoption Even though various factors have been tested as contributors to high levels of innovation adoption the independent variables have been predominantly contextual and community characteristics Previous empirical studies shed little light on chief executive officers CEOs attitudes values and behavior Result has also varied with the type of innovation examined This research examined the effect of CEOs attitudes and behaviors and institutional motivations on the adoption of sustainability practices in their municipalities First this study explored the relationship between the adoption level of sustainability practices in local government and CEOs entrepreneurial attitudes i e risk taking proactiveness and innovativeness and discovery skills i e associating questioning experimenting observing and networking that have not been examined in prior research on local government innovation Second the study explored the impact of organizational intention to change and isomorphic pressures i e coercive mimetic and normative pressures and the availability and limit of organizational resources on the early adoption of innovations in local governments Third the study examines how CEOs entrepreneurial attitudes and discovery skills and institutional motivations account for high and low sustaining levels of innovation over time by tracking how much their governments have adopted innovations from the past to the present Lastly this study explores their path effects CEOs entrepreneurial attitudes discovery skills and isomorphic pressures on sustainability innovation adoption This is an empirical study that draws on a survey research of 134 CEOs who have influence over innovation adoption in their local governments For collecting data the study identified 264 municipalities over 10 000 in population that have responded to four surveys on innovative practices conducted by the International City County Management Association ICMA in past eight years the Reinventing local government survey 2003 E government survey 2004 Strategic practice 2006 and the Sustainability survey 2010 This study combined the information about the adoption of innovations from four surveys with CEOs responses in the current survey Socio economic data and information about variations in form of government were also included in the data set This study sheds light on the discovery skills and institutional isomorphic pressures that influence the adoption of different types of innovations in local governments This research contributes to a better understanding of the role of administrative leadership and organizational isomorphism in the dynamic of innovation adoption which could lead to improvements in change management of organizations

Innovations in Local Government - 2006 Gayle Avant, 2006 A compilation of submittals for the 2006 J Robert Havlick Award for Innovation in Local Government and the Thomas H Muehlenbeck Award for Excellence in Local Government Award is

sponsored by The Innovation Groups Handbook of Innovation in Public Services Stephen P. Osborne, Louise Brown, 2013-01-01 Innovation is a core issue for public services and is a key element of public services reform particularly in this age of austerity where policymakers urge the need to innovate to do more with less This comprehensive and accessible Handbook explores the potential for creating efficient and effective public services Leading researchers from across the globe review the state of the art in research on innovation in public services providing an overview of key issues from a multi disciplinary perspective Topics explored include context for innovation in public services and public service reform managerial change challenges ICT and e government and collaboration and networks The theory is underpinned by seven wide ranging case studies of innovation in practice Taking the field forward and providing a baseline for future research this highly unique and original Handbook will prove essential reading for academics researchers students policymakers and practitioners across the fields of innovation public policy social policy and public management *Innovation and Entrepreneurship in State and Local Government* Michael Harris, Rhonda Kinney, 2004-01-01 Americans today recognize and celebrate leadership genius in the management of private companies At the same time the American public remains deeply skeptical of government's ability to address real economic and social challenges The contributors to this timely and important volume increase our understanding of the potential incentives for and barriers to creative problem solving in the public sector Drawing on case studies of state and local government as well as theoretical literature on private sector management these scholars reveal both the problems and the possibilities in governmental decision making **ECEG 2014 Proceedings of the 14th European Conference on e-Government** Alexandru Ionas, 2014-12-06 **Modern Public Information Technology Systems: Issues and Challenges** Garson, G. David, 2007-03-31 Examines the most important dimensions of managing IT in the public sector and explores the impact of IT on governmental accountability and distribution of power the implications of privatization as an IT business model and the global governance of IT *State and Local Government Administration* Rabin, 1985-07-30 Addressing the major issues of state and local government administration this introductory core textbook is ideal for courses in State and Local Government Administration State Government Municipal Government Labor Relations Public Budgeting and Decision Making Policy Making and Personnel Administration Offering reliable up to date information this text provides a thorough understanding of state and local government administration and its current general trends Written by leading experts in their respective fields this work contains in depth authoritative examinations of four crucial areas organization and management including management structures at various levels of government such as counties and special districts and leadership functions budgeting decision making and financial management discussing state budgeting functions and limitations and internal and external control mechanisms policy making and policy implementation demonstrating patterns within the executive and legislative branches as well as alternatives to municipal service delivery and the integration of human services management within delivery systems and personnel administration and labor relations

covering organizational training employee benefits unionism and collective bargaining Now advanced undergraduate and graduate level public administration and political science students public administrators and managers and professionals in government agencies and institutes can meet the demands of this rapidly changing field with this outstanding text Book jacket *Proceedings of the 3rd Borobudur International Symposium on Humanities and Social Science 2021 (BIS-HSS 2021)* Muji Setiyo, Agus Setiawan, Veni Soraya Dewi, Fitriana Yuliasuti, Chrisna Bagus Edhita Praja, Lintang

Muliawanti, Zulfikar Bagus Pambuko, 2023-02-10 This is an open access book Still related to the big theme of reinforcement the SDG s at the previous conference we try to invite academics and researchers in the world to participate in the 3rd Borobudur International Symposium 2021 3rd BIS 2021 As we know The COVID 19 pandemic and its impact on all 17 SDGs have demonstrated that what began as a health catastrophe swiftly transformed into a human and socioeconomic crisis In September 2019 the UN Secretary General urged all sectors of society to mobilize for a decade of action on three fronts global action to ensure increased leadership increased resources and smarter solutions for the Sustainable Development Goals local action to embed the necessary transitions into governments policies budgets institutions and regulatory frameworks and international action to ensure greater leadership increased resources and smarter solutions for the Sustainable Development Goals Especially in 3rd BIS 2021 we brought up Decade of Action towards Environmental Issues Advancing the Innovation to Recover our Planet as main theme The conference will be held on Wednesday December 15 2021 in Magelang Central Java Indonesia Scope includes Art Linguistics Communication Economics Education Government Studies Health Administration Hospitality International Relations Law Pharmacy Political Studies Psychology Public Health Religious Studies Sociology Health Sciences **Government Response to Disruptive Innovation: Perspectives and Examinations** Edwards, III, Sam B., Masterson, James R., 2023-05-15

With the increasing pace of disruptive innovation the world in general and governments in particular are experiencing challenges in adapting their systems to these new technologies While the focus is on disruptive industries these innovations also disrupt how governments regulate industries and technologies The regulatory and policy choices governments and other regulatory bodies make have a profound impact on the industry by decreasing or magnifying uncertainty Many of these disruptive technologies offer opportunities and challenges to the way governments interact in their communities Government Response to Disruptive Innovation Perspectives and Examinations presents research and case studies on government responses to disruptive innovations from a wide array of countries It addresses the effects on the development of these innovations as a result of responses governments make Covering topics such as citizen partnerships communication technology development and government action this premier reference source is a dynamic resource for legal professionals activists government officials sociologists business leaders and executives students and educators of higher education librarians researchers and academicians

The Adoption Of Innovation By Local Government: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. The Adoption Of Innovation By Local Government : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. The Adoption Of Innovation By Local Government : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
