The Albatross Muff:

The Albatross Muff Barbara Hanrahan, 1986 **The Albatross Muff** Barbara Hanrahan, 1977 **The Cambridge Guide to Women's Writing in English** Lorna Sage, 1999-09-30 This Guide aims to consolidate and epitomise the re-reading of women's writing that has gone on in the last twenty-five years. This is an opportunity for stock-taking a timely project when so much writing has been rediscovered, reclaimed and republished. There are entries on writers, on individual texts and on general terms, genres and movements, all printed in a single alphabetical sequence. The earliest written documents in medieval English, the visionary writings of Julian of Norwich and Margery Kempe, are covered in an historical and geographical sweep that takes us up to the present day. The book reflects the spread of literacy, the history of colonisation and the development of post-colonial cultures, using and changing the English language. The entries are written by contributors from all the countries covered. The result is a work of reference with a unique feeling for the vitality, wealth and diversity of women's writing.

The Albatross Nina Wan, 2023-04-26 The albatross is just about the rarest thing in golf: two shots on a par 5. A hole in one anywhere on the course is just a random event, a fluke. It's not your own doing. But an albatross? It's a thing of beauty. One. Two. It must be very deliberate, very thoughtful, one superb shot followed by another. You can say it's got to take a degree of belief. You've got to really want it and aim for it and try for it. When Primrose makes an unplanned detour into a dilapidated suburban golf course called Whistles, she has no idea that the past will come rushing back at her, bringing every detail of her life into stark focus. At 36, her marriage is teetering from illness and infidelity. A visit from her commanding brother-in-law looms ominously on the horizon. And by a twist of fate, Peter, the boy she loved twenty years ago, is now living across the street. Primrose cannot escape the increasing demands to make a choice between her first love and her marriage, duty and desire, fear and freedom. Slowly, the grounds of Whistles, and a sport she proves to be terrible at, become her meditation and cure. From a sparkling new Australian voice, *The Albatross* is a big-hearted, beautifully written and utterly engaging novel about first love, second chances and the most elusive shot in golf. Praise for *The Albatross*: *The Albatross* is a sinewy, compelling vine of a novel, twining into unanticipated crevices and captivating the reader until the very last page. Brilliant. This is a spectacularly good book, funny, tense, observant and equipped with a truly memorable heroine, Annabel Crabb. Nina Wan's shining debut has captivated both my mind and heart. It is such an important novel that should be widely read. It has been days since I have finished this book, but Primrose Li remains alive to me, and I know she will live on in many more readers to come. Hannah Bent, bestselling author of *When Things Are Alive*, *They Hum*. The first thing you want to do when you finish *The Albatross* is find the nearest rooftop and shout, Primrose. It's an understatement to call her the narrator of this smart, beguiling novel. Its warmth and humour are her warmth and humour, as are its disquieting undertones. This is a study in the art of the swerve: into Primrose's marriage, into her past, into brilliant discussions of potential and belonging, and the everyday question of being happy or not. There are secrets beneath all this, and the final mix is that rare book that

manages to be both surprising and subtle a quality that s utterly Primrosian VPLA Unpublished Manuscript Prize judges report

Albatross Graham Barwell,2013-10-15 At length did cross an Albatross Through the fog it came As if it had been a Christian soul We hailed it in God s name The introduction of the albatross in Samuel Taylor Coleridge s *The Rime of the Ancient Mariner* remains one of the most well known references to this majestic seabird in Western culture In *Albatross* Graham Barwell goes beyond Coleridge to examine the role the bird plays in the lives of a wide variety of peoples and societies from the early views of north Atlantic mariners to modern encounters by writers artists and filmmakers Exploring how the bird has been celebrated in proverbs folk stories art and ceremonies Barwell shows how people marvel at the way the albatross soars through the air covering awe inspiring distances with little effort thanks to its impressive wingspan He surveys the many approaches people have taken to thinking about the albatross over the past two hundred years from those who devoted their lives to these birds to those who hunted them for food and sport and discusses its place in the human imagination Concluding with a reflection on the bird s changing significance in the modern world Barwell considers threats to its continued existence and its prospects for the future With one hundred illustrations from nature film and popular culture *Albatross* is an absorbing look at these beautiful birds

Rewriting God Elaine Lindsay,2021-11-22 Women are rarely if ever mentioned in commentaries upon Australian Christianity and spirituality Only exceptional women are recognized as authorities on religious matters Why is this so Does it matter Don t people from the same religious tradition share similar experiences of the divine regardless of their gender *Rewriting God* asks whether women have been writing about the divine and whether their insights are different from those contained in malestream accounts of Australian Christianity and spirituality An analysis of the writings of popular theologians and religious commentators over the last twenty years suggests that the most popular form of spirituality among Australian theologians is Desert Spirituality An analysis of women s autobiographical writings however suggests that the desert is irrelevant to many women s spiritual experiences This book through a close investigation of the fictions of Thea Astley Elizabeth Jolley and Barbara Hanrahan attempts to posit alternative forms of women s spirituality and to signal ways in which this spirituality is already being expressed From the evidence gathered here it becomes obvious that traditional expressions of Australian Christianity and spirituality are gender specific and that they have functioned to deny women s religious experiences and to silence their claims to equality in the sight and service of the divine It becomes obvious too that women have been developing their own forms of religious expression and that these may be expected to supplant gradually withering images of Desert Spirituality Whether this new imagery will strengthen Australian Christianity or whether it merely marks a decline in the authority of Christianity remains a moot point

Transnational Jean Rhys Juliana Lopoukhine,Frédéric Regard,Kerry-Jane Wallart,2020-12-10 This volume investigates the frameworks that can be applied to reading Caribbean author Jean Rhys While *Wide Sargasso Sea* famously displays overt forms of literary influences Jean Rhys s entire oeuvre is so fraught with connections to other texts and textual

practices across geographical boundaries that her classification as a cosmopolitan modernist writer is due for reassessment Transnational Jean Rhys argues against the relative isolationism that is sometimes associated with Rhys s writing by demonstrating both how she was influenced by a wide range of foreign especially French authors and how her influence was in turn disseminated in myriad directions Including an interview with Black Atlantic novelist Caryl Phillips this collection charts new territories in the influences on of an author known for her dislike of literary coteries but whose literary communality has been underestimated **Barbara Hanrahan** Annette Stewart,2010 Barbara Hanrahan wrote It is a struggle to be me to accept ME and my spiritual purpose This authoritative biography illuminates the life of a great Australian writer and artist The story starts with Barbara Hanrahan s childhood in Adelaide travels with her to swinging London of the 1960s and recounts her remarkable achievements in Britain and Australia in the following decades Like the artists she most admired among them William Blake Frida Kahlo and D H Lawrence Barbara Hanrahan dedicated herself uncompromisingly to the life of the mind and spirit producing a body of work that remains challenging and rewarding Annette Stewart has drawn on a wealth of unpublished material including the artist s letters photographs prints and diaries as well as interviews with her friends and her partner the sculptor Jo Steele Barbara Hanrahan is beautifully illustrated with a number of Hanrahan s artworks some of which have not been published before and many photographs from her life
