The Handsome Man Brad Casey, 2020-04-28 When life is upended what do you do Do you remain as you were trapped in a form of stasis Or do you accept your losses and move forward These questions and more are the heart of The Handsome Man These linked stories follow several years of the life of a young man as he is drawn around the world from Toronto to Montreal New York Ohio New Mexico British Columbia Berlin Rome and northern Ontario along the way meeting hippies healers drinkers movie stars old friends and welcoming strangers He isn't travelling however he's running away But as far and fast as he runs the world won't let him disappear and each new encounter and every lost soul he meets along this journey brings him closer and closer to certain truths he'd locked away how to trust how to live in this world and most of all how to love again Praise for The Handsome Man I admire the emotional openness tenderness and deeply uncynical tone of The Handsome Man a novel in stories that feels unlike anything else I've read recently Brad Casey's fiction debut is a gem that celebrates little blips of happiness and small elusive moments of genuine human connection Guillaume Morissette author of New Tab and The Original Face if you want a book with amazing and brilliant prose short stories that are long in their implications look no further this wonderful book is what you are looking for this is beautiful writing with full orchestration and minimalist accents enjoy bill bissett
