Love Stephanie May Wilson, 2024-04-30 As women we're often told that we're entitled or unrealistic when we want to create a life we love We start hearing this message from a very early age and by the time we're old enough to know what we want we've also been taught to doubt our instincts and to see selfishness in all our longings This book is the antidote to those voices and the way forward Writer speaker and podcaster Stephanie May Wilson has helped thousands of women shrug off the pressure of what they think their lives are supposed to look like and take on the next big decision or life transition with intentionality and confidence Create a Life You Love is a warm passionate guide on how you can rediscover your own authority and build a life you're finally excited to live You'll learn how to Define yourself on your own terms by setting aside societal pressures that tell you who you're supposed to be Feel empowered to make your next big decisions with confidence and clarity Build security and peace in both who you are and the season you're in Through stories exercises and hard won wisdom Create a Life You Love will help you untangle your own expectations from the expectations of others and get inspired to at last pursue a life that you're excited to wake up to each day **Tools for Creating a Life You Love** Colleen Ann

Nilson, 2017-06-05 Human life is a gift The human mind is a powerful tool we each have to create what we want with the gift

of our human experience What sets a master craftsman apart is their expert use of the tools of their craft To use the tool of your mind as an expert you need to understand how it works and practice using the tool to gain control Through my study and practice I have put together tools and a process to help you to practice using the tool of your mind every minute to improve your mastery Expert practical use of ideas such as mindfulness meditation visualization and learning to choose with awareness and self control will change your experience of life Many people go through life reacting to lifes situations then wondering why they find themselves in the same painful situations over and over again Feeling overwhelmed frustrated and angry many people feel victimized and out of control This process helps you get control of your thoughts feelings and behaviors so you are empowered to be the master craftsman of your life The first step is getting to know yourself You need to gain awareness of both the conscious and subconscious aspects of your mind You need to know how your thoughts feelings attitudes beliefs and behaviors work together to create your experience Once you have gained awareness you get to choose what you want to create Then just as an athlete trains his body you train your mind for control and mastery Change may not be easy but it is possible You are the hero of your own adventure If you become your best self the world will be a better place Your life is a terrible thing to waste
