*The harsh voice*, by rebecca west Rebecca West,1935      *The Harsh Voice, Four Short Novels*, by Rebecca West. [5th Impression.]. Rebecca West (pseud. de Civily Isabel Fairfield, Mme Henry Maxwell Andrews.),1937      *The Harsh Voice* Dame Rebecca West,1982      *The Harsh Voice, Etc* Rebecca West,1956      The Harsh Voice Rebecca West,1953      **The Harsh Voice** Rebecca West (írói név),1956      **The harsh Voice** Rebecca West,1935      *The Harsh Voice* Rebecca West,1943      The Harsh Voice Rebecca West,1983      **Voice Disorders and their Management** Margaret Fawcus,2013-11-11 Since this book was first published four years ago there has been a considerable upsurge of interest in the field of both normal and abnormal voice production Tangible evidence of this lies in the publication of the Journal of Voice in the United States and in the UK the formation of the British Voice Association This organization has attracted an increasing membership from professionals involved in all aspects of voice care and use actors and singers laryngologists and speech therapists teachers and phoneticians The Association holds regular study days holds an annual two day symposium and publishes a Newsletter which attracts entries from this broad spectrum of professionals We have also seen an increase in the number of specialist voice clinics and in the two final chapters in this book a contrast is presented between such a specialist setting and the more typical clinic that operates in the majority of general hospitals This last chapter now contains a breakdown of voice referrals over an eight year period which must represent a unique published study in this country There still remains however little research into the management of voice disorders There is clearly a need for more efficacy studies into specific treatment methods and the single case study designs developed in the field of aphasia would seem to be appropriate here      *Voice Quality* John H. Esling,Scott R. Moisik,Allison Benner,Lise Crevier-Buchman,2019-06-20 The first description of voice quality production in forty years this book provides a new framework for its study The Laryngeal Articulator Model Informed by instrumental examinations of the laryngeal articulatory mechanism it revises our understanding of articulatory postures to explain the actions vibrations and resonances generated in the epilarynx and pharynx It focuses on the long term auditory articulatory component of accent in the languages of the world explaining how voice quality relates to segmental and syllabic sounds Phonetic illustrations of phonation types and of laryngeal and oral vocal tract articulatory postures are provided Extensive video and audio material is available on a companion website The book presents computational simulations the laryngeal and voice quality foundations of infant speech acquisition speech voice disorders and surgeries that entail compensatory laryngeal articulator adjustment and an exploration of the role of voice quality in sound change and of the larynx in the evolution of speech      *Mastering Fear* Robert Maurer,Michelle Gifford,2016-01-25 From the author of One Small Step Can Change Your Life science backed guidance on how to overcome anxiety and reduce stress for greater personal success Achieving and sustaining success is difficult Why do some people struggle to get started or stay the course Why do others seem to sabotage their hard earned victories What makes some

people stumble and fall when they seem to possess the requisite skills to soar Most importantly what can be done to change these patterns and their outcomes Based on years of research Mastering Fear answers these questions and many more with its surprising perspective on stress fear and the single most important skill necessary to achieve maximum results Studies worldwide have tracked the lives of hundreds of individuals over decades in search of the foundations of excellence Dr Robert Maurer has culled and refined this data dispelling current myths and revealing practical strategies to maximize passion and performance in any individual team or organization In Mastering Fear you will discover that Stress can t be cured because stress as we know it does not exist Fear plays a crucial role in undermining or driving all success There is one skill you absolutely must see in others before you can trust them You may already possess the single most critical skill for achieving and sustaining success in all key areas of life
