**The Twelve Years of Christmas** Rochelle Doan Craig, 2011-10 The Twelve Years of Christmas is not just a Christmas story. It's a journal of the first twelve years of one family's past events happily recounted to all in those dreaded ghastly annual Christmas form letters. Newlyweds Rochelle and Tom Craig moved to a farm in a friendly rural community to raise a crop of children. The family traveled and camped as often as Tom could be dragged away for it. After seventeen years of child rearing, Rochelle returned to part-time elementary school teaching. She soon switched to full-time teaching with numerous grades and totally new subjects. Shortly thereafter, she began the dreaded Christmas card form letters, a practice that she mocks in *The Twelve Years of Christmas*. The letters cover the years between 1984 and 1995, explaining the changes in the lives of the Craig family and their pets. Rochelle also discusses the family's love of travel and the ever-present threat of marital collapse, mostly due to the annual family practice of putting up the winter window insulating film, the Christmas tree, and the snow fence together. This version of rural family life describes the fortunes, few misfortunes, many ups and downs, and in between, of each year, all tied up with lots of love and good humor.

*Reeling in the Years* Tim Bergling, 2004 *Reeling in the Years* illustrates the wide range of emotions at work in younger/older gay male relationships, from fear and loathing to love and happiness. Beneath the bitchy asides, passionate relationships, rock-solid friendships, and hateful distrust, men struggle to answer the question: Can older gay men really be friends with younger gay men? In their own words, hundreds of men discuss what it's like to be 16, 28, 40, or 70, examining myth and reality about age and aging from different attitudes and perspectives. Jacket
