Homer the Helicopter Grand Canyon Adventures - eBook Julie W. Buscher,1997 *The Helicopter* J. Gordon Leishman,2007 *Cyberrotica* Anthony R. Hart,2008 *Cyberrotica* Julie's Tale is a story that tells of the main character Julie. She is an attractive and well educated woman who becomes lonely and isolated and by chance turns to the internet in an attempt to alleviate her desolation. Whilst using a chat room she meets two characters who begin to play a substantial part in not only the cyber world of the chat room but spills into the psyche of her daily life. The male character starts to induce feelings in Julie where she accepts his invitation to begin a new life in America. Whilst in America Julie is further initiated into believing she has made the right choice and suspects nothing when she leaves for another country to begin her training. When Julie arrives in this new country it soon becomes apparent that the life she was expecting to lead is far removed. Through the adversity she becomes friends with Anna a Swedish citizen who then accompanies Julie on the rest of the journey through the story. The two women soon learn they have become a commodity that will be used in the world of commerce to enable lucrative business dealings for the clients of the organisation to which they now belong. The story tells of their time in captivity where they learn more about the deception and where escape appears impossible but eventually there is the possibility of rescue.
