

THE 12-STEPS

1 We admitted we were powerless over alcohol; that our lives had become unmanageable.

2 Humbly asked Him to remove our shortcomings.

3 Came to believe that a Power greater than ourselves could restore us to sanity.

4 Made a list of all persons we had harmed, and became willing to make amends to them all.

5 Made a decision to turn our will and our lives over to the care of God as we understood Him.

6 Made direct amends to such people wherever possible, except when to do so would injure them or others.

7 Made a searching and fearless moral inventory of ourselves.

8 Continued to take personal inventory and when we were wrong promptly admitted it.

9 Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.

10 Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.

11 Were entirely ready to have God remove all these defects of character.

12 Having had a spiritual awakening as the result of these Steps, we tried to carry this message to alcoholics and practice these principles in all our affairs.

processes and globalization and transnationalism *Forever Suspect* Saher Selod, 2018-06-28 The declaration of a War on Terror in the aftermath of the September 11 2001 terrorist attacks brought sweeping changes to the American criminal justice and national security systems as well as a massive shift in the American public opinion of both individual Muslims and the Islamic religion generally Since that time sociologist Saher Selod argues Muslim Americans have experienced higher levels of racism in their everyday lives In *Forever Suspect* Selod shows how a specific American religious identity has acquired racial meanings resulting in the hyper surveillance of Muslim citizens Drawing on forty eight in depth interviews with South Asian and Arab Muslim Americans she investigates how Muslim Americans are subjected to racialized surveillance in both an institutional context by the state and a social context by their neighbors and co workers *Forever Suspect* underscores how this newly racialized religious identity changes the social location of Arabs and South Asians on the racial hierarchy further away from whiteness and compromises their status as American citizens **The Spectacular Few** Mark S. Hamm, 2013-03-11 Mark Hamm is without doubt the world s leading expert on prison radicalization Based on decades of research this book presents a nuanced and sophisticated picture Beautifully written it is the most complete and the most empirically rigorous account of this phenomenon to date A must read for anyone interested in homegrown radicalization Peter Neumann Director of the International Centre for the Study of Radicalisation ICSR King s College London The Madrid train bombers shoe bomber Richard Reid al Qaeda in Iraq and the 9 11 attacks all were led by men radicalized behind bars Today s prisons are hotbeds for personal transformation toward terrorist beliefs and actions due to the increasingly chaotic nature of prison life caused by mass incarceration In *The Spectacular Few* Mark Hamm a former prison warden demonstrates how prisoners use criminal cunning collective resistance and nihilism to incite terrorism Drawing from a wide range of sources *The Spectacular Few* imagines the texture of prisoners lives Hamm covers their criminal thinking styles the social networks that influenced them and personal turning points that set them on the pathway to violent extremism Hamm argues that in order to understand terrorism today we must come to terms with how prisoners are treated behind bars Mark S Hamm is a former prison warden from Arizona and currently Professor of Criminology at Indiana State University and a Senior Research Fellow at the Terrorism Center John Jay College of Criminal Justice The City University of New York His books include *Terrorism as Crime From Oklahoma City to Al Qaeda* and *Beyond* NYU Press 2007 *Alternative Criminology* series **The Saturday Review of Politics, Literature, Science and Art** ,1900 Popular Science ,2005-09 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better Muslims In Australia Nahid Kabir, 2013-01-11 *Muslims in Australia* investigates the basis of Australian society s fear of Muslims by tracing their history since the Afghan settlement in 1860 The author investigates how events such as September 11 and Bali terrorist attacks reinforce suspicion and fear giving an insight

into what it means to be a Muslim in contemporary Australia and how the actions of militant Islamic groups have impacted upon Muslims in general in Western society *Roots of violent radicalisation* Great Britain: Parliament: House of Commons: Home Affairs Committee,2012-02-06 In this report the Home Affairs Committee concludes that the internet is one of the most significant vehicles for promoting violent radicalism more so than prisons universities or places of worship although direct personal contact with radicals is in many cases also a significant factor Although there are statutory powers under the Terrorism Act 2006 for law enforcement agencies to order unlawful material to be removed from the internet the Committee recommends that internet service providers themselves should be more active in monitoring the material they host with appropriate guidance advice and support from the Government The Government should work with internet providers to develop a code of practice for the removal of material which promotes violent extremism There should be more support for civil society groups who want to challenge on line extremist material In addition the Committee highlights the need for better liaison and information sharing between prison authorities the police the UK Border Agency and other relevant authorities following the release of prisoners who have been convicted of terrorist offences or who are otherwise considered to be at risk of violent radicalisation the importance of reviewing the list of proscribed organisations the prospect of de proscription could create an incentive for organisations to renounce their support for violence the threat from the far right so far not an organised threat The current name of the counter radicalisation strategy Prevent should be changed to Engage to reflect a more supportive partnership based approach to working with those at risk of radicalisation The Parliamentary Debates (Hansard).
