Jeavons, 2013-01-22 This book has been written from my holiday journals and it is my thoughts and opinions that have been expressed throughout the book I have enjoyed all my holiday adventures in Thailand and throughout our several trips have always enjoyed the company and friendship of the people that we travelled with Our friends and family mean the world to me and to be able to share a holiday with someone that you care for is a privilege and each and every holiday holds a special place in my heart as does each person that we have shared a holiday or more with Along the way we have learned some history and some interesting facts about Thailand and its people and culture we have made friends that we treasure and we have lost a special friend in Soonee who passed away this year Soonee will be sadly missed no longer a familiar sight on Patong Beach but we will never forget her she may be gone but not forgotten There are so many more adventures that Raymond and I have had but I have not included them in this book as well as adventures to other Asian places this is not because they were not as important or special but simply lack of space and time My friends and family thank you for allowing me the pleasure of your company in our adventures to our holiday paradise and I look forward to enjoying many more holidays with each and everyone of you The British National Bibliography Arthur James Wells, 2007
