Dickerson, 2001 Recovering the Black Female Body recognizes the pressing need to highlight through scholarship the vibrant energy of African American women's attempts to wrest control of the physical and symbolic construction of their bodies away from the distortions of others **Reader's Guide to Literature in English** Mark Hawkins-Dady, 2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study Biography in Theory Wilhelm Hemecker, Edward Saunders, 2017-08-07 This textbook is an anthology of significant theoretical discussions of biography as a genre and as a literary historical practice Covering the 18th to the 21st centuries the reader includes programmatic texts by authors such as Herder Carlyle Dilthey Proust Freud Kracauer Woolf and Bourdieu Each text is accompanied by a commentary placing its contribution in critical context Ideal for use in undergraduate seminars this reader may also be of interest for academic researchers in the areas of literary studies and history aiming to get an overview of historical questions in biographical theory This revised and updated English language edition also includes new translations of texts by J G Herder and Stefan Zweig as well as an introductory discussion on the possibility of a theory of biography Note Due to copyright reasons the chapter Sade Fourier Loyola Extract 1971 pp 175 177 by Roland Barthes could not be included in the ebook

Autobiography & Postmodernism Kathleen M. Ashley, Leigh Gilmore, Gerald Peters, 1994 Exploring the connections between autobiography and postmodernism this book addresses self representation in a variety of literatures Native American British Chicana immigrant and lesbian among others in genres as diverse as poetry naming confession photography and the manifesto The essays examine how different writers respond to the culturally specific pressures of genre how these constraints are negotiated and what self representation reveals about the politics of identity **Lesbian Texts and Contexts** Karla Jay, Joanne Glasgow, 1990-06 Lesbian writers include some of the most innovative and adventurous writers of this century but only recently have they been given their due attention in terms of critical study This book is the first anthology to discuss the subject of lesbianism as it relates to the critical interaction among readers writers and literary critics It explores lesbian texts in terms of identification meaning and interpretation and examines the complex entanglements of identity voice intersubjectivity textualities and sexualities A wonderful exploration of the varieties of life choices lesbians can and do make This book once again proves that telling the truth about yourself is a revolutionary act Rita Mae Brown They will probably drum Karla Jay and Joanne Glasgow out of the academy for this one A college text that is witty literate interesting and can be read for fun What's the world coming to Lesbian Texts and Contexts dry title wonderful book

Barbara Grier Editor Naiad Press To call this collection much needed or eagerly awaited would be the understatement of the year It s thrilling ot think of the new readings of classic texts the new directions for theory and maybe best of all the new range of literary encounters in the classroom that will be enabled by this radical intervention on the critical scene Eve Kosofsky Sedgwick Duke University Excellent challenging sexy never boring Outweek Feminisms Robyn R. Warhol, Diane Price Herndl, 1997 In the landmark 1991 edition of *Feminisms* Robyn Warhol and Diane Price Herndl assembled the most comprehensive collection of American and British feminist literary criticism ever to be published In this revised edition the editors have updated the volume in keeping with the expanded parameters of feminist literary discourse With the inclusion of more than two dozen new essays along with a major reorganization of the sections in which they appear Warhol and Price Herndl have again established the measure for representing the latest developments in the field of feminist literary theory Believing that the feminist movement can only move forward where difference commands attention not dismissal or negativism they have continued the original collection s mission of providing a multiplicity of perspectives and approaches This anthology contains three new sections Conflict Gaze and Practice and includes more selections by and about women of color and lesbians Aimed at academics and the general public alike this collection is an indispensable guide to the range of practice on campus today in the field of feminist literary criticism *The Mother / Daughter Plot* Marianne Hirsch, 1989-10-22 Mothers and daughters the female figures neglected by classic psychoanalysis and submerged in traditional narrative are at the center of this book The novels of nineteenth and twentieth century women writers from the Western European and North American traditions reveal that the story of motherhood remains the unspeakable plot of Western culture Focusing on the feminine and more controversially on the maternal this book alters our perception of both the familial structures basic to traditional narrative the Oedipus story and the narrative structures basic to traditional representations of the family Freud s family romance Confronting psychoanalytic theories of subject formation with narrative theories Marianne Hirsch traces the emergence and transformation of female family romance patterns from Jane Austen to Marguerite Duras **The Princeton Encyclopedia of Poetry and Poetics** Stephen Cushman, Clare Cavanagh, Jahan Ramazani, Paul Rouzer, 2012-08-26 The most important poetry reference for more than four decades now fully updated for the twenty first century Through three editions over more than four decades The Princeton Encyclopedia of Poetry and Poetics has built an unrivaled reputation as the most comprehensive and authoritative reference for students scholars and poets on all aspects of its subject history movements genres prosody rhetorical devices critical terms and more Now this landmark work has been thoroughly revised and updated for the twenty first century Compiled by an entirely new team of editors the fourth edition the first new edition in almost twenty years reflects recent changes in literary and cultural studies providing up to date coverage and giving greater attention to the international aspects of poetry all while preserving the best of the previous volumes At well over a million words and more than 1 000 entries the Encyclopedia has unparalleled breadth and

depth Entries range in length from brief paragraphs to major essays of 15 000 words offering a more thorough treatment including expert synthesis and indispensable bibliographies than conventional handbooks or dictionaries This is a book that no reader or writer of poetry will want to be without Thoroughly revised and updated by a new editorial team for twenty first century students scholars and poets More than 250 new entries cover recent terms movements and related topics Broader international coverage includes articles on the poetries of more than 110 nations regions and languages Expanded coverage of poetries of the non Western and developing worlds Updated bibliographies and cross references New easier to use page design Fully indexed for the first time

Motherhood in Literature and Culture Gill Rye,Victoria Browne,Adalgisa Giorgio,Emily Jeremiah,Abigail Lee Six,2017-06-26 Motherhood remains a complex and contested issue in feminist research as well as public discussion This interdisciplinary volume explores cultural representations of motherhood in various contemporary European contexts including France Italy Germany Portugal Spain and the UK and it considers how such representations affect the ways in which different individuals and groups negotiate motherhood as both institution and lived experience It has a particular focus on literature but it also includes essays that examine representations of motherhood in philosophy art social policy and film The book s driving contention is that through intersecting with other fields and disciplines literature and the study of literature have an important role to play in nuancing dialogues around motherhood by offering challenging insights and imaginative responses to complex problems and experiences This is demonstrated throughout the volume which covers a range of topics including discursive and visual depictions of pregnancy and birth the impact of new reproductive technologies on changing family configurations the relationship between mothering and citizenship the shaping of policy imperatives regarding mothering and disability and the difficult realities of miscarriage child death violence and infanticide The collection expands and complicates hegemonic notions of motherhood as the authors map and analyse shifting conceptions of maternal subjectivity and embodiment explore some of the constraining and or enabling contexts in which mothering takes place and ask searching questions about what it means to be a mother in Europe today It will be of interest not only to those working in gender women s and feminist studies but also to scholars in literary and cultural studies and those researching in sociology criminology politics psychology medical ethics midwifery and related fields

Judith Butler in Conversation Bronwyn Davies,2013-10-31 How has Judith Butler s writing contributed to thought in the Social Sciences and the Humanities The participants in this project draw on various aspects of Butler s conceptual work and they question how it has opened up the possibilities of thought in areas of study as diverse as theatre studies education and narrative therapy In a format that demands careful listening and response the scholars in this book interact with Butler her writing and each other Within this dynamic space they take up Butler s body of work and carry it in new and exciting directions Their conversations and writing are in turn funny exciting surprising and moving

RePresenting Bisexualities Maria Pramaggiore,Donald E. Hall,1996-07-01 Is bisexuality coming out in America Bisexual characters are surfacing on

popular television shows and in film Newsweek proclaims that a new sexual identity is emerging But amidst this burgeoning acknowledgment of bisexuality is there an understanding of what it means to be bisexual in a monosexual culture RePresenting Bisexualities seeks to answer these questions integrating a recognition of bisexual desire with new theories of gender and sexuality Despite the breakthroughs in gender studies and queer studies of recent years bisexuality has remained largely unexamined Problematic sexual images are usually attributed either to homosexual or heterosexual desire while bisexual readings remain unexplored The essays found in RePresenting Bisexualities discuss fluid sexualities through a variety of readings from the fence covering texts from Emily Dickinson to Nine Inch Nails Each author contributes to the collection a unique view of sexual fluidity and transgressive desire Taken together these essays provide the most comprehensive bisexual theory reader to date

Post-fascist Fantasies Julia Hell, 1997 Employing an approach informed by Slavoj Žižek's work on the Communist's sublime body and by British psychoanalytic feminism's concern with feminine subjectivity Hell first examines the antifascist works by exiled authors and authors tied to the resistance movement She then strives to understand the role of Christa Wolf the GDR's most prominent author in the GDR's effort to reconstruct symbolic power after the Nazi period

When Sex Became Gender Shira Tarrant, 2013-05-13 When Sex Became Gender is a study of post World War II feminist theory from the viewpoint of intellectual history The key theme is that ideas about the social construction of gender have its origins in the feminist theorists of the postwar period and that these early ideas about gender became a key foundational paradigm for both second and third wave feminist thought These conceptual foundations were created by a cohort of extraordinarily imaginative and bold academic women While discussing the famous feminist scholars Simone de Beauvoir Margaret Mead the book also hinges on the work of scholars who are lesser known to American audiences Mirra Komarovsky Viola Klein and Ruth Herschberger The postwar years have been an overlooked period in the development of feminist theory and philosophy and Tarrant makes a compelling case for this era being the turning point in the study of gender

Reading Architectural History Dana Arnold, 2003-09-02 Architectural history is more than just the study of buildings Architecture of the past and present remains an essential emblem of a distinctive social system and set of cultural values and as a result it has been the subject of study of a variety of disciplines But what is architectural history and how should we read it Reading Architectural History examines the historiographic and socio cultural implications of the mapping of British architectural history with particular reference to eighteenth and nineteenth century Britain Discursive essays consider a range of writings from biographical and social histories to visual surveys and guidebooks to examine the narrative structures of histories of architecture and their impact on perception and understanding of the architecture of the past Alongside this each chapter cites canonical histories juxtaposed with a range of social and cultural theorists to reveal that these writings are richer than we have perhaps recognised and that architectural production in this period can be interrogated in the same way as that from more recent past and can be read in a variety of ways The essays and texts

combine to form an essential course reader for methods and critical approaches to architectural history and more generally as examples of the kind of evidence used in the formation of architectural histories while also offering a thematic introduction to architecture in Britain and its social and cultural meaning

Feminist Sociology Barbara Laslett, Barrie Thorne, 1997 This collection of thirteen life stories recaptures the history of a political and intellectual movement that created feminist sociology as a field of inquiry As the editors introduction notes the life history is a crucial tool for sociological thought Life histories can be a bridge between individual experience and codified knowledge between human agency and social structure Life histories can enhance social theory by revealing categories of meaning usually submerged in the conventions of social science The authors in this volume all sociologists who have had great impact upon the field in which they write show how personal relationships experiences of inequality and professional conflict and camaraderie interweave with the formation of social theory political movements and intellectual thought The book makes a powerful impression upon anyone who has struggled with the relationship between social theory and everyday life Accessible lively articles that combine personal narrative with sociological theory Contributors are some of the leading voices in feminist sociology
