Scandal and Reform Lawrence W. Sherman, 2023-04-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1978 Power of Scandal P. Johannes Ehrat, SJ,2011-03-05 Are there events that are inherently scandalous Power of Scandal finds that the very idea of scandal is derived not from an event but from public opinion which in turn is construed by media narratives Scandal is powerful because of its ability to challenge institutions by destabilizing their legitimacy The media plays an integral role in the creation of scandal because it interprets real events as purposeful actions for the public Examining the ubiquity of scandals in today s mass media Johannes Ehrat s conclusions are fresh and surprising Ehrat applies classic semiotic and pragmatic thought to contemporary media issues mainly moralist discourse from sex abuse cases to the phenomenon of televangelism Arguing that sociological and communications studies of scandal have ignored the media s constructed nature Ehrat focuses on how meaningful public narrative is produced By examining the parallel worlds of media and public opinion Power of Scandal uses an alternative heuristic for understanding mass communication that is both rigorous and sophisticated

A Subject of Scandal and Concern John Osborne, 1959 Scandalous Times Alex Ling, 2020-10-15 We live in scandalous times Every day some new controversy demands our attention our emotional investment and ultimately our judgment Many of these routine transgressions will be understood in revelatory terms as peeling back the multiple layers of artifice and spin to reveal an underlying and oftentimes disturbing truth Otherswill be recognized as calculated marketing exercises that simply present the strategic face of contemporary capitalism Yet these ordinary scandals can themselves be seen to be largely derivative of another altogether more fundamental and fundamentally rare form of disruption Such is the real scandal that accompanies instances of authentic creation Building on the philosophy of Alain Badiou Scandalous Times not only argues the case for such real scandal but also shows how it is today being abrogated and substituted through the increasing production of novel forms of state sanctioned controversy From Duchamp to Donald Trump Scandalous Times explores the ways in which areas from art and advertising to politics and social media have come to actively contribute to this static fabrication of controversy all the while arguing for the need to rethink creativity as a radical exception to the state and Political Scandal, Corruption, and Legitimacy in the Age of Social Media Demirhan, not its proxy Kamil, Cak?r-Demirhan, Derya, 2016-12-21 The way in which social media is utilized has changed over the years making it a growing forum for political discussion Due to this analyzing relationships between social media and politics can lead to an increased awareness of current political affairs Political Scandal Corruption and Legitimacy in the Age of Social Media is an essential research source for the latest information on national and international political propaganda and opinions spread by

Cohen,1996 Never has the Victorian novel appeared so perverse as it does in these pages and never has its perversity seemed so fundamental to its accomplishment By viewing this fiction alongside the most alarming public scandals of the day Cohen exposes both the scandalousness of this literature and its sexiness In narratives ranging from Great Expectations to the Boulton and Park sodomy scandal of 1870 71 from Eliot s and Trollope s novels about scandalous women to Oscar Wilde s writing and his trials for homosexuality Cohen shows how in each instance sexuality appears couched in coded terms He identifies an assortment of cunning narrative techniques used to insinuate sex into Victorian writing demonstrating that even as such narratives air the scandalous subject they emphasize its unspeakable nature Written with an eye toward the sex scandals that still whet the appetites of consumers of news and novels this work is suggestive about our own modes of imagining sexuality today and how we arrived at them BOOK JACKET
