The Substance of Faith Oliver Lodge,2015-09-27 Excerpt from The Substance of Faith Allied With Science a Catechism for Parents and Teachers Every one who has to do with children at the present day directly or indirectly must in some form or another have felt the difficulty of instructing them in the details of religious faith without leaving them open to the assaults of doubt hereafter when they encounter the results of scientific inquiry Sometimes the old truths and the new truths seem to conflict and though every one must be aware that such internecine warfare between truths can be an appearance only the reconciliation is not easily perceived nor is the task simplified by the hostile attitude adopted towards each other by some of the upholders of orthodox Christianity It is sometimes said to be impossible for a teacher to educate a class subject to compulsory attendance in a spirit of wealth peace and Godliness without infringing the legitimate demands of somebody but the difficulty is caused chiefly by sectarian animosity which may take a variety of forms About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The substance of faith allied with science : a catechism for parents and teachers Oliver Joseph Lodge,1915 *The Substance of Faith Allied with Science: a Catechism for Parents and Teachers ...
