THE LIBERATING POWER OF COMEDY

RON JENKINS

Subversive Laughter The Liberating Power Of Comedy

David Baud

Subversive Laughter The Liberating Power Of Comedy:

Laughter in the Middle Ages and Early Modern Times Albrecht Classen, 2010-09-22 Despite popular opinions of the dark Middle Ages and a gloomy early modern age many people laughed smiled giggled chuckled entertained and ridiculed each other This volume demonstrates how important laughter had been at times and how diverse the situations proved to be in which people laughed and this from late antiquity to the eighteenth century The contributions examine a wide gamut of significant cases of laughter in literary texts historical documents and art works where laughter determined the relationship among people In fact laughter emerges as a kaleidoscopic phenomenon reflecting divine joy bitter hatred and contempt satirical perspectives and parodic intentions In some examples protagonists laughed out of sheer happiness and delight in others because they felt anxiety and insecurity It is much more difficult to detect premodern sculptures of laughing figures but they also existed Laughter reflected a variety of concerns interests and intentions and the collective approach in this volume to laughter in the past opens many new windows to the history of mentality social and religious conditions gender relationships and power structures

A Cultural History of Comedy in the Modern Age Louise Peacock, 2021-12-30 Drawing together contributions by scholars from a variety of fields including theater film and television sociology and visual culture this volume explores the range and diversity of comedic performance and comic forms in the modern age It covers a range of forms and examples from 1920 to the present day including plays film television comedy live comedy and comedy on social media It argues that the period covered was marked by an explosion of comic forms and a flowering of comic creativity across a range of media From the communal watching of silent films at the start of the period to the use of Twitter and other online platforms to share and comment on comedy technology has brought about significant changes in its form consumption and social effects As comic forms have shifted and developed so too have attitudes to what comedy can and cannot do This study considers its role in entertainment and in provoking consideration of a range of social and political topics Each chapter takes a different theme as its focus form theory praxis identities the body politics and power laughter and ethics These eight different approaches to comedy add up to an extensive synoptic coverage of the subject

Clowns, Fools and Picaros David Robb, 2007 By its very nature the clown as represented in art is an interdisciplinary phenomenon In whichever artform it appears fiction drama film photography or fine art it carries the symbolic association of its usage in popular culture be it ritual festivities street theatre or circus The clown like its extended family of fools jesters picaros and tricksters has a variety of functions all focussed around its status and image of being other Frequently a marginalized figure it provides the foil for the shortcomings of dominant discourse or the absurdities of human behaviour Clowns Fools and Picaros represents the latest research on the clown bringing together for the first time studies from four continents Europe America Africa and Asia It attempts to ascertain commonalities overlaps and differences between artistic expressions of the clownesque from these various continents and genres and above all to examine the role of the clown in our cultures today This volume is of interest

for scholars of political and comic drama film and visual art as well as scholars of comparative literature and anthropology

Black Humor and the White Terror Béla Bodó, 2023-04-06 This book examines political humor as a reaction to the lost war the post war chaos and antisemitic violence in Hungary between 1918 and 1922 While there is an increased body of literature on Jewish humor as a form of resistance and a means of resilience during the Holocaust only a handful of studies have addressed Jewish humor as a reaction to physical attacks and increased discrimination in Europe during and after the First World War The majority of studies have approached the issue of Jewish humor from an anthropological cultural or linguistic perspective they have been interested in the humor of lower or lower middle class Jews in the East European shtetles before 1914 On the other hand this study follows a historical and political approach to the same topic and focuses on the reaction of urban middle class and culturally assimilated Jews to recent events to the disintegration of the Dual Monarchy the collapse of law and order increased violence the reversal of Jewish emancipation and the rise of new and more pernicious antisemitic prejudices The study sees humor not only as a form of entertainment and jokes as literature and a product of popular culture but also as a heuristic device to understand the world and make sense of recent changes as well as a means to defend one's social position individual and group identity strike back at the enemy and last but not least to gain the support and change the hearts and minds of non Jews and neutral bystanders Unlike previous scholarly works on Jewish resistance during the Holocaust this study sees Budapest Jewish humor after WWI as a joint adventure as a product of urban and Hungarian culture in which Jewish not only played an important role but also cofounded Finally the book addressed the issue of continuity in Hungarian history the twisted road to Auschwitz whether urban Jewish humor as a form of escapism helped to desensitize the future victims of the Holocaust to the approaching danger or it continued to play the same defensive and positive role in the interwar period as it had done in the immediate aftermath of the Great War Only Joking Jimmy Carr, Lucy Greeves, 2006-09-21 Britain's hottest young comedian presents a seriously funny up close look at joking matters from the social origins of laughter to the art and craft of humor to why we can never remember the punch line featuring over 300 jokes As the host of the hit game show *Distraction* now in its third season on Comedy Central and one of the premier stand up acts working today award winning comedian Jimmy Carr has won over millions of fans around the world with his trademark rapier wit laced with exquisitely economical and perfectly timed one liners *The Guardian* For this book he teams up with friend and fellow comedy writer Lucy Greeves to take an in depth look at where humor comes from and how it works through exploring its purest form the joke *Only Joking* begins with the mechanism of laughter how it happens and why even infants do it then delves into the power of the punch line exploring the basics of all jokes from the use of shock and surprise to advanced stand up techniques such as the pull back reveal Carr and Greeves go on to explore taboo humor jokes that bomb and the psychology of finding something funny They look into the long standing connection between politics and humor and discuss the survival prospects for contentious jokes in the current political climate Throughout the book they

conjure up a supporting cast of colorful joke enthusiasts from Sigmund Freud to Lenny Bruce and discuss their influence on the jokes we tell today Surveying across national ethnic and gender divides this rollicking analysis of why joking will always be close to the human heart is an irresistible exploration of humor that makes clear why we need a good laugh now more than ever

The Legacy of the Wisecrack Eddie Tafoya, 2009 Despite the claim of many a Borscht Belt comic that he is a practitioner of the world's second oldest profession stand up comedy is a young and distinctly American literary form It was not until the last decades of the nineteenth century when enabled by unprecedented prosperity and the right to free expression that monologists began appearing in American vaudeville halls Yet even though it has since become an entertainment industry mainstay stand up comedy has received precious little scholarly attention The Legacy of the Wisecrack Stand up Comedy as the Great American Literary Form looks at the theory of stand up comedy its literary dimensions and its distinctly American qualities as it provides a detailed history of the forces that shaped it The study concludes with a look at the works of specific comedians such as Steven Wright whose three decades of performances comprise a single picaresque tale and Richard Pryor whose 1982 masterpiece Richard Pryor Live on the Sunset Strip serves as modern America's answer to Dante Alighieri's epic poem Inferno The result is one of the first serious treatments of stand up comedy as a literary form

The Routledge Companion to Commedia dell'Arte Judith Chaffee, Oliver Crick, 2014-11-20 From Commedia dell'Arte came archetypal characters that are still with us today such as Harlequin and Pantalone and the rediscovered craft of writing comic dramas and masked theatre From it came the forces that helped create and influence Opera Ballet Pantomime Shakespeare Moliere Lopes de Vega Goldoni Meyerhold and even the glove puppet Mr Punch The Routledge Companion to Commedia dell'Arte is a wide ranging volume written by over 50 experts that traces the history characteristics and development of this fascinating yet elusive theatre form In synthesizing the elements of Commedia this book introduces the history of the Sartori mask studio presents a comparison between Gozzi and Goldoni's complicated and adversarial approaches to theatre invites discussions on Commedia's relevance to Shakespeare and illuminates re-interpretations of Commedia in modern times The authors are drawn from actors mask makers pedagogues directors trainers and academics all of whom add unique insights into this most delightful of theatre styles Notable contributions include Donato Sartori on the 20th century Sartori mask Rob Henke on form and freedom Anna Cottis on Carlo Boso Didi Hopkins on One Man Two Guvnors Kenneth Richards on acting companies Antonio Fava on Pulcinella Joan Schirle on Carlo Mazzone Clementi and women in Commedia and M A Katritzky on images Olly Crick is a performer trainer and director having trained in Commedia under Barry Grantham and Carlo Boso He is founder of The Fabulous Old Spot Theatre Company Judith Chaffee is Associate Professor of Theatre at Boston University and Head of Movement Training for Actors She trained in Commedia with Antonio Fava Julie Goell Stanley Allen Sherman and Carlos Garcia Estevez

Of Beggars and Buddhas Katherine A. Bowie, 2017-02-21 An exploration of subversive ribald variations of the most important story in

Theravada Buddhism *Dario Fo* Tony Mitchell, 2014-01-08 The first and only full length critical study of Dario Fo the 1997 Nobel Prize for Literature Winner This book now extensively rewritten and updated remains the only full length critical study to cover various phases of Dario Fo s theatrical career It looks at Fo s political influences and also the influence on his work of various theatrical motifs including the great clown traditions which stretch back to the middle ages The political work of Dario Fo and his wife collaborator Franca Rame is charted from the 1960s up to the present to give the reader clear insight into this playwright performer s unique literary and theatrical strengths Each of Fo s plays and productions is discussed at length and the author has included an extensive and updated bibliography which includes full production details quotes and writings about Fo Always a popular performer in his native Italy Fo has been one of the world s most performed dramatists In the author s words he is the people s court jester

Children Dancing in Bali Jonathan McIntosh, 2025-05-01 The question of power and agency between children and adults within the context of traditional Balinese dance remains multilayered While adults exercise authority over children in formal settings an alternative dynamic exists outside the confines of traditional performance contexts where children operate as artistic agents In this illuminating ethnographic study of Balinese dance traditions Jonathan McIntosh examines how children navigate the nexus of practice performance and power through the medium of Balinese culture From structured dance classes to gatherings that embrace popular music *Children Dancing in Bali* spotlights the creative potential of Balinese performance practices to negotiate identity and society

Posttraumatic Growth Richard G. Tedeschi, Crystal L. Park, Lawrence G. Calhoun, 1998-03 That which does not kill us makes us stronger Nietzsche The phenomenon of positive personal change following devastating events has been recognized since ancient times but given little attention by contemporary psychologists and psychiatrists who have tended to focus on the negative consequences of stress In recent years evidence from diverse fields has converged to suggest the reality and pervasive importance of the processes the editors sum up as posttraumatic growth This volume offers the first comprehensive overview of these processes The authors address a variety of traumas among them bereavement physical disability terminal illness combat rape and natural disasters following which experiences of growth have been reported How can sufferers from posttraumatic stress disorder best be helped What does resilience in the face of high risk mean Which personality characteristics facilitate growth To what extent is personality change possible in adulthood How can concepts like happiness and self actualization be operationalized What role do changing belief systems schemas or assumptive worlds play in positive adaptation Is stress inoculation possible How do spiritual beliefs become central for many people struck by trauma and how are posttraumatic growth and recovery from substance abuse or the crises of serious physical illnesses linked Such questions have concerned not only the recently defined and expanding group of traumatologists but also therapists of all sorts personality and social psychologists developmental and cognitive researchers specialists in health psychology and behavioral medicine and those who study religion and mental health Overcoming the challenges of life s

worst experiences can catalyze new opportunities for individual and social development Learning about persons who discover or create the perception of positive change in their lives may shed light on the problems of those who continue to suffer Posttraumatic Growth will stimulate dialogue among personality and social psychologists and clinicians and influence the theoretical foundations and clinical agendas of investigators and practitioners alike

Cheeky Fictions Susanne Reichl, Mark Stein, 2005 Examining postcolonial transcultural practice from a range of disciplinary and methodological perspectives this study seeks to analyse laughter and the postcolonial in their complexity It gathers a group of international specialists in postcolonial transcultural studies to analyse the functions of humour in a wide range of cultural texts

Everyday Occupations Kamala Visweswaran, 2013-04-18 Everyday Occupations engages visual culture and the ethnography of space satire and parody poetry and political critique to examine militarization as it is wielded as a cultural and political tool and as it is experienced as a material form of violence and symbolic domination

Farce Jessica Milner Davis, 2017-07-05 Farce has always been relegated to the lowest rung of the ladder of dramatic genres Distinctions between farce and more literary comic forms remain clouded even in the light of contemporary efforts to rehabilitate this type of comedy Is farce really nothing more than slapstick the putting out of candles kicking down of tables falling over joynt stools as Thomas Shadwell characterized it in the seventeenth century Or was his contemporary Nahum Tate correct when he declared triumphantly that there are no rules to be prescribed for that sort of wit no patterns to copy and tis altogether the creature of imagination Davis shows farce to be an essential component in both the comedic and tragic traditions Farce sets out to explore the territory of what makes farce distinct as a comic genre Its lowly origins date back to the classic Graeco Roman theatre but when formal drama was reborn by the process of elaboration of ritual within the mediaeval Church the French term farce became synonymous with a recognizable style of comic performance Taking a wide range of farces from the briefest and most basic of fair ground mountebank performances to fully fledged five act structures from the late nineteenth century the book reveals the patterns of comic plot and counter plot that are common to all The result is a novel classification of farce plots which serves to clarify the differences between farce and more literary comic forms and to show how quickly farce can shade into other styles of humor The key is a careful balance between a revolt against order and propriety and a kind of Realpolitik which ultimately restores the social conventions under attack A complex array of devices in such things as framing plot characterization timing and acting style maintain the delicate balance Contemporary examples from the London stage bring the discussion u

Funny Peculiar Mikita Brottman, 2013-04-15 Why are jokes funny Why do we laugh In *Funny Peculiar* Mikita Brottman demurs from recent scholarship that takes laughter and the broader domain of humor and the comical as a liberating social force and an endearing aspect of self expression For Brottman there is nothing funny about laughter which is less connected to mirth and feelings of good will than to a nexus of darker emotions fear aggression shame anxiety Brottman rethinks not only the mechanisms of humor but also the relation of humor to the body

and the senses To this end she provides an engrossing account of the life and work of Gershon Legman exiled author publisher and sexologist Alfred Kinsey s first bibliographer and legendary compiler of the dirty joke Like Freud Legman was convinced of the impossibility of understanding humor apart from sex and Brottman shows how his two massive works on the subject Rationale of the Dirty Joke and No Laughing Matter provide a framework for understanding the ambivalent and often hostile impulses that underlie the comic impulse in its various guises In lively and enlivening chapters she traverses dirty jokes the figure of the evil clown in popular culture the current popularity of humor therapy changing fashions in stand up comedy and the connection between humor and horror Brottman s sparkling prose laced with wit does not obscure the seriousness of Funny Peculiar It is a thoughtful and wide ranging elaboration of the Freudian claim that joking in point of fact is no laughing matter

The Politics of Joking Jana Kopelent Rehak,Susanna Trnka,2018-10-25 This book engages anthropologically with humor as political expression It reveals how humor is in many instances central to human efforts to cope with political struggle and significant to understanding power dynamics in socio political life The chapters examine humor and joking activities across a diverse range of geographic areas and cultural contexts The contributors consider humor as it is constituted in political anxiety aggression and power and when it becomes a tool to resist repair reconcile or make a moral claim Collectively they demonstrate that humor can provide a powerful critique a non violent form of political protest and the space for restoration of human dignity

No Kidding! Donald McManus,2003 This work examines the way the clown has been used as a serious character by important playwrights and directors in twentieth century theater Experiments with Clown by Jean Cocteau Vsevolod Meyerhold Bertolt Brecht Samuel Beckett Giorgio Strehler Dario Fo and Roberto Begnini are examined

Strategies of Humor in Post-Unification German Literature, Film, and Other Media Jill Twark,2011-01-18 The fourteen chapters in this anthology feature original analyses of contemporary German language literary texts films political cartoons cabaret and other types of performance The artworks display a wide spectrum of humor modes such as irony satire the grotesque Jewish humor and slapstick as responses to unification with the accompanying euphoria but also alienation and dislocation Kerstin Hensel s L rchenau Christoph Hein s Landnahme and vignette collections by Jakob Hein Antrag auf st ndige Ausreise und andere Mythen der DDR and Wladimir Kaminer Es gab keinen Sex im Sozialismus are interpreted as examples of the grotesque The popular films Lola rennt Sonnenallee Herr Lehmann NVA Alles auf Zucker and Mein F hrer Die wirklich wahrste Wahrheit ber Adolf Hitler are reexamined through the lens of traditional and more recent humor or comic book theories The contributors focus on how each artwork enriches four prominent postwall German cultural trends post unification identity reconstruction Vergangenheitsbew ltigung including Hitler humor New German Popular Literature Christian Kracht s ironic subtexts and immigrant perspectives a third voice in the East West binary reflected here pointedly in Eulenspiegel cartoons To date no other scholarly work provides as comprehensive an overview of the diverse strategies of humor used in the past two decades in German speaking countries

Will Rogers and His America Gary Clayton Anderson, 2023-01-19 Born on a farm in the Cherokee Nation near present Oologah Oklahoma in 1879 Will Rogers shared his rural agricultural beginnings with many Americans at the turn of the century But Rogers brought his small town talents to a national audience becoming a mainstay of early American mass culture Although Rogers is remembered today for his success in vaudeville and the nascent American film industry history has largely forgotten his considerable influence as a political commentator an aspect of Rogers s life that Gary Clayton Anderson explores at length in this brief but complete biography Rogers s contributions to early American mass culture the catalog of powerful personages that he counted among his friends and his extensive writings about the political issues of the day make Rogers an ideal figure through which to explore the American interwar period High school and college students will relate well to Rogers whose political opinions evolved as he gained exposure to people places organizations and ideas beyond rural Oklahoma Rogers s conflicted relationship with his indigenous American heritage also provides a window on the history of race relations in America This paperback edition includes a new afterword by the author along with study and discussion questions for every chapter

The Changing Room Laurence Senelick, 2002-09-11 The answers to these questions and much much more are to be found in *The Changing Room* which traces the origins and variations of theatrical cross dressing through the ages and across cultures It examines tribal rituals and shamanic practices in the Balkans and Chinese Tibet the gender bending elements of Greek and early Christian religion the homosexual appeal of the boy actor on the traditional stage of China Japan and England the origins of the dame comedian the principal boy the glamour drag artiste and the male impersonator artists such as David Bowie Boy George Charles Ludlam Dame Edna Everage Lily Savage Candy Darling Julian Clary and the New York Dolls Lavishly illustrated with unusual and rare pictures this is the first ever cross cultural study of theatrical transvestism It is a must for anyone interested in cross dressing theatre and gender
