## **Success Of Caroline Jones Advertising Inc:**

**The Success of Caroline Jones Advertising, Inc** Robert Fleming, 1996 Chronicles how Caroline Jones a successful African American built her own agency and offers a behind the scenes look at how an ad campaign is developed

**Pioneering African-American Women in the Advertising Business** Judy Davis, 2016-12-08 Much has been written about the men and women who shaped the field of advertising some of whom became legends in the industry However the contributions of African American women to the advertising business have largely been omitted from these accounts Yet evidence reveals some trailblazing African American women who launched their careers during the 1960s Mad Men era and went on to achieve prominent careers This unique book chronicles the nature and significance of these women s accomplishments examines the opportunities and challenges they experienced and explores how they coped with the extensive inequities common in the advertising profession Using a biographical narrative approach this book examines the careers of these important African American women who not only achieved managerial positions in major mainstream advertising agencies but also established successful agencies bearing their own names Based on their words and memories this study reveals experiences which are intriguing triumphant bittersweet and sometimes tragic These women s stories comprise a vital part of the historical narrative on women and African Americans in advertising and will be instructive not only to scholars of advertising and marketing history but to future generations of advertising professionals

**Contemporary Black Biography** Ashyia N. Henderson, 2001-08 This extraordinary reference series provides biographical profiles of important persons of African heritage whether they are personalities from the news selected 20th century notables or individuals who are not yet household names Each volume of Contemporary Black Biography contains 55 full length biographies Name occupation nationality and subject indexes are included in each volume **Ad Women** Juliann Sivulka, 2012-12-27 Following three key periods in the history of American advertising which represent eras of major social change this work describes how the recognition of women as primary consumers has resulted in the hiring of more women to promote products for this target audience
