Successful College Writing Kathleen T. McWhorter, 2017-10-12 With Kathleen T. McWhorter's unique visual approach and more support for reading than any other text of its kind, *Successful College Writing* moves first-year composition students whatever their level of preparedness toward success in college writing. The seventh edition includes even more help for students learning to read critically, including a new Just in Time Guide to Reading and Responding and new How Writers Read boxes in almost every chapter. Newly redesigned based on student input and in accordance with principles of accessible design, *Successful College Writing*'s supportive visual approach is evident in graphic organizers, flowcharts, and Guided Writing Assignments that provide hands-on writing activities and practical step-by-step instruction for drafting and revising. Instructors are supported by an Instructor's Annotated Edition that includes answers to all the activities, PowerPoint slides outlining the instructional content, an instructor's resource manual with a section on teaching courses that integrate developmental students into first-year writing classrooms, and an expanded Launchpad full of activities built to enhance the book's content online, including reading comprehension quizzes, diagnostic quizzes, and much more. *Successful College Writing* Kathleen T. McWhorter, 2012-01-16 Because so many first-year writing students lack the basic skills the course demands, reading specialist McWhorter gives them steady guidance through the challenges they face in academic work. *Successful College Writing* offers extensive instruction in active and critical reading, practical advice on study and college survival skills, step-by-step strategies for writing and research, detailed coverage of the nine rhetorical patterns of development, and 61 readings that provide strong rhetorical models, as well as an easy-to-use handbook in the complete edition. McWhorter's unique visual approach to learning uses graphic organizers, revision flowcharts, and other visual tools to help students analyze texts and write their own essays. Her unique attention to varieties of learning styles also helps empower students, allowing them to identify their strengths and learning preferences.
