effective communication practices If you like this book write a review *Effective Interviewing of Children* Michael Zwiers, Patrick J. Morrisette, 2013-08-21 Interviews comprise the majority of professionals interactions with children In order to conduct effective interviews professionals must possess effective communication skills as well as knowledge of growth and developmental issues data collection and analysis Though this is an important area of study there has yet to be a book that effectively addresses this topic In most cases students studying to become clinicians are forced to rely on the observations of practicing professionals to learn child focused interview techniques *Effective Interviewing of Children* is unique in that it is the only comprehensive resource for information on child focused interviews The authors differentiate between child and adult focused interviews present an integrated account of the literature on child focused interviews and offer techniques and suggestions for addressing developmental differences Chapters address a wide range of topics including child and professional variables effective use of language children with special needs ethics in interviewing research interviews and diagnostic clinical interviews Aimed at upper level undergraduate and graduate students this book is essential for clinically oriented programs such as mental health counseling social work psychology and marriage and family therapy The book is also of interest to practicing professionals who seek to expand their knowledge of child focused interview techniques *The Art of Communication* Randy Fujishin, 2022-07-22 This dynamic skills based introduction to personal communication provides students with the keys to improving their personal academic and professional lives through the power of human interaction and expression The fourth edition includes new content on virtual communication scenarios inclusive language conflict resolution and leadership development With a distinctively encouraging and conversational approach Fujishin explains the basic communication skills necessary for numerous contexts including public speaking small group interpersonal intercultural leadership interviewing and technology based communication *Successful Interviewing* Mike Levy, 1998 Are you rarely in control of interview situations you find yourself in Do you find that it is you who has done all of the talking and learnt little from the other person Have you made bad recruitment decisions because of poor interviewing techniques Do you want to be certain of achieving your objectives following an interview *Effective Interviewing and Information Gathering* Thomas Diamante, 2013-05-15 This book is an invaluable instructional field manual for you or any professional who needs to obtain and interpret information gathered directly by and from people without recourse to a technological intermediary such as online search In the role of interviewer interrogator or evaluator there are many opportunities to get it wrong As advanced as our information gathering technology may be it is still impossible to get inside the head of an interviewee by conducting a Google search so hit them with the tactics spelled out in this book instead in order to protect yourself from being sent in the wrong direction Inside you ll learn practical information regarding all aspects of obtaining and evaluating information This book serves as a tool kit that helps build the skills necessary for conducting good interviews and extracting information that is critical for the enterprise in which the interviewer is engaged As you progress through the book you will acquire an

understanding of research based behavioral techniques that bolster the success rate of interviews In addition the legal factors you need to be aware of prior to conducting an interview for hiring purposes are spelled out Finally you ll acquire the skills necessary to help you evaluate interview information so that decisions made are based on evidence Effective Interviewing Skills Participant Workbook Tracey A. Swift,Ivan T. Robertson,2000-04-07 Many organisations now use a combination of selection methods to assist selection decisions but the traditional selection interview still dominates the selection process However it appears that few organisations have established standards for selection procedures with many using a range of selection methods in a very ad hoc fashion This training pack has been designed to assist managers to review their current approach to interviewing and to draw on an accumulation of research evidence about interviewing in determining a corporate policy within their company *The Red Cross Courier* ,1929 Keys to Successful Interviewing Stewart Harral,1954
