Clinician-Researchers in Psychotherapy Jill D. Paquin,2020-05-21 Clinical researchers who have an active clinical practice are rare Therapists who conduct therapy research are rarer still Why is this the case And why is the study of the practice often so far from the actual practice If the practice and research worlds of therapy are to be bridged might clinician researchers professionals who do both play an important role in this process A career engaged both with providing therapy and researching therapy is unique This book combines original empirical work theory and first person scholarly narratives authored by clinical mental health professionals in the early middle and later stages of their careers as they highlight the rewards challenges and potent areas of synergy they experience as clinician researchers This book was originally published as a special issue of Counselling Psychology Quarterly

Establishing and Maintaining a Successful Professional Practice Mark H. Lewin,1978 Private Practice Handbook Charles H. Browning,1982-12 **The Business of Therapy: How to Run a Successful Private Practice** Pauline Hodson,2012-09-16 Creating a comfortable consulting room grappling with the thorny question of money finding clients paperwork legal issues boundaries and confidentiality Pauline Hodson analyses both the psychological and practical issues which need to be addressed when setting up a private practice Once your practice is established it is important to be able to anticipate and think about situations that impinge on the therapy illness holidays neighbours pets and children which if not paid attention to can destroy the safe environment necessary for effective and sensitive work to take place The Business of Therapy gives both detailed anecdotes and a jargon free overview of the theory and practice of the work of therapists It is a much needed handbook for all those who work with clients in the privacy of a consulting room and for all those who are curious about what therapy actually involves This book is a valuable resource for psychotherapists and counsellors for graduates setting up in private practice for established practitioners and for those planning retirement With a foreword by Susie Orbach Counsellors from a psychodynamic and psychoanalytical background will feel very at home with

the contents I found it a thoroughly enjoyable read it actually made me laugh out loud on a couple of occasions Therapy Today review February 2013 This book is a marvel This book gives an engaging and practical insight into what is usually the very private world of private practice Susanna Abse CEO The Tavistock Centre for Couple Relationships London UK The book takes seriously the needs of therapists throughout their professional life the need for developing support systems and care of the therapist s well being looking after their bodies as well as minds In the Foreword Susie Orbach describes the book as a gift to the profession and I agree Oxford Psychotherapy Bulletin Although addressed primarily to psychotherapists and counsellors practically every page of this book applies equally to the practice of complementary medicine acupuncture osteopathy and so on and it is essential reading for these practitioners John Hamwee Acupuncturist and author of Energy Medicine and Acupuncture for New Practitioners This book gives me an intriguing bird s eye view from inside the room of how and why the process works Lisa Jayne Bloomer Lisa Jayne Art Studio UK Written with admirable concision and with the page turning delights of a fine novel this book will be a joy for seasoned colleagues and a life saver for students and for those newly qualified The Business of Therapy How to Succeed in Private Practice leaves all other contenders in the dust Professor Brett Kahr Centre for Child Mental Health in London and Roehampton University UK I wish this marvellous book had come my way earlier It s an essential read for any therapeutic practitioner but particularly for those in their first years in the profession or who are still in training It s a pleasure to recommend it Carol Leader Psychoanalytic Psychotherapist BPC and UKCP
