BOOK JACKET [The Passionate Liberal: The Political and Legal Ideas of Jerome Frank](#) W.E. Volkmer,2012-12-06 Jerome Frank was one of the most important spokesmen for the generation of liberal intellectuals who came to maturity during the period of Franklin Roosevelt s New Deal He was never a major figure in public life and thus never became a symbol of the period as did President Roosevelt Henry Wallace Harry Hopkins or others whose positions made their views acces sible to the entire reading and listening public While these men represented the popular view of the New Deal with its dedication to the elimination of the economic misery which beset the nation during the nineteen thirties Frank may be the New Deal figure who most accurately summarized the intellectual currents of the period As is the case with all thinkers most of the ideas Frank presented in his books articles speeches and in actual practice in governmental service were drawn from the works of other men He brought together many diverse strains of thought contributed some of his own ideas and wove these to gether into a pattern which typifies the intellectual atmosphere that was the New Deal

[Innocent Victims](#) Scott Whisnant,2017-02-21 The riveting true account of a grisly crime and the unprecedented three murder trials faced by Fort Bragg soldier Tim Hennis On Mother s Day 1985 the bodies of Kathryn Eastburn and her two young daughters were found in their Fayetteville North Carolina home Katie an air force captain s wife had been raped and stabbed to death Kara and Erin s throats had been slit Their toddler sister Jana was the only survivor of a bloody killing spree that terrified a community still reeling from the conviction six years prior of Dr Jeffrey MacDonald for the savage slayings of his pregnant wife and two daughters The Cumberland County Sheriff s Department soon focused its investigation on US Army soldier Tim Hennis Detectives and local prosecutors built their case on circumstantial evidence and a jury convicted Hennis and

sentenced him to death But his defense team refused to give up Piece by piece they discredited the state s case exposing false testimony concealed evidence and prosecutorial misconduct At a second trial Hennis was found not guilty and released from death row But an even more stunning turn of events was yet to come Twenty five years after the murders the North Carolina State Bureau of Investigation tested a crucial piece of DNA evidence from the crime scene The shocking results led to an unprecedented third trial to determine Tim Hennis s guilt or innocence From the initial discovery of the horrifying scene at 367 Summer Hill Road to the controversial change of jurisdiction that allowed Hennis to be prosecuted for an astonishing third time author Scott Whisnant chronicles every development in this intricate disturbing and still evolving case Has the mystery of who killed Katie Kara and Erin Eastburn been solved beyond a reasonable doubt Read Innocent Victims and decide for yourself

In 1925 Leonard Rhinelander the youngest son of a wealthy New York society family sued to end his marriage to Alice Jones a former domestic servant and the daughter of a colored cabman After being married only one month Rhinelander pressed for the dissolution of his marriage on the grounds that his wife had lied to him about her racial background The subsequent marital annulment trial became a massive public spectacle not only in New York but across the nation despite the fact that the state had never outlawed interracial marriage Elizabeth Smith Pryor makes extensive use of trial transcripts in addition to contemporary newspaper coverage and archival sources to explore why Leonard Rhinelander was allowed his day in court She moves fluidly between legal history a day by day narrative of the trial itself and analyses of the trial s place in the culture of the 1920s North to show how notions of race property and the law were and are inextricably intertwined

The Jury Summation as Speech Genre Bettyruth Walter,1988-01-01 The American courtroom trial is a speech situation Everything occurs through the spoken word The summation as speech event embedded within the trial which is the chronological and psychological culmination of it is one of the few opportunities for the lawyer to communicate directly with jurors But the speech genre summation involves preliminaries as well as the event itself and it can affect the aftermath of the trial for the decisions of the jurors may be influenced by this discourse This ethnographic study considers the summation from three perspectives that of the producer from the point of view of the ethnographer who observed and analyzed sixty six actual summations and from that of the receivers of the speech event who must act upon it Information was obtained from post deliberation questionnaires completed by 223 jurors plus 35 alternate jurors
