Encyclopedia of Hurricanes, Typhoons, and Cyclones, New Edition David Longshore,2010-05-12 Presents a detailed encyclopedia of named hurricanes typhoons and cyclones descriptions of storm activity definitions of meteorological terms and more **The Making of a Teenage Service Class** Ranita Ray,2018 Stereotypes of economically marginalized black and brown youth focus on drugs gangs violence and teen parenthood Families schools nonprofit organizations and institutions in poor urban neighborhoods emphasize preventing such risk behaviors In The Making of a Teenage Service

Class Ranita Ray uncovers the pernicious consequences of concentrating on risk behaviors as key to targeting poverty. Having spent three years among sixteen black and Latina o youth Ray shares their stories of trying to beat the odds of living in poverty. Their struggles of hunger homelessness and untreated illnesses are juxtaposed with the perseverance of completing homework finding jobs and spending long hours traveling from work to school to home. By focusing on the lives of youth who largely avoid drugs gangs violence and teen parenthood the book challenges the idea that targeting these risk behaviors is key to breaking the cycle of poverty. Ray compellingly demonstrates how the disproportionate emphasis on risk behaviors reinforces class and race hierarchies and diverts resources that could support marginalized youth s basic necessities and educational and occupational goals.
